Human Resources administers the accurate and timely delivery of payroll service to all employees, compliant with University policies, legislative and regulatory requirements relative to employee tax withholdings, remittances and employer reporting obligations as defined by applicable regulatory agencies.

On November 7, 2019, *Bill 124: Protecting a Sustainable Public Sector for Future Generations Act, 2019*, the Ontario government passed legislation to implement moderation measures in respect of compensation in Ontario's public sector to curb compensation increases over a three (3) year period. *The Act* provides for a three (3) year window of salary moderation (a "moderation period") and compensation restraint. Further information on the defined moderation periods applicable to each group of employees at the University of Guelph may be found in the [Bill 124 Moderation Period Effective Dates](#) [1] memo.
