Learning & Organizational Development Team

The Learning & Development team consists of a small number of dedicated, energetic individuals with a wide range of strengths and competencies. In addition to staff members, Learning & Development draws on a group of distinguished consultants, facilitators and training associates.

Jessica Yu, Learning, Development, and Wellness@Work Coordinator

x56800 jyu10@uoguelph.ca [1] or landd@uoguelph.ca [2]

Jessica organizes Learning & Development, Wellness@Work and GREAT at U of G programs and events for staff and faculty across the university. Jessica holds an M.Sc. in Human Health and Nutritional Sciences from the University of Guelph and a Project Management Certificate from the University of Toronto.

In her free time, she loves hiking, reading, and connecting with the Guelph community.

Contact Jessica to learn more about Learning & Development services.

Olja Zubic, Senior Consultant, Learning & Development and Consulting Services

ozubic@uoguelph.ca [3]

Olja is passionate about fostering personal and professional skills development and brings diverse experience spanning across both private and public sectors. She has supported individuals, teams, and organizations during times of tremendous change and transition. With an Honours Bachelor of Science degree from McMaster University and a Human Resources Management Graduate Certificate, Olja holds the Certified Human Resources Professional (CHRP) designation.

She loves to play tennis and recently got into the pickleball craze, enjoys yoga and barre, and spending time with friends and family.

Contact Olja to learn more about the consulting services offered through Learning & Development, including strategic planning, teams and workgroups, conflict management and learning and performance.
