## Occupational Health and Wellness Team

The Occupational Health and Wellness (OHW) department is located on the first floor of Alexander Hall, Bldg. 31 in Room 179

### **Michelle Hogan, Director, Occupational Health and Wellness**

519-824-4120 Ext. 56510 [mhogan01@uoguelph.ca](mailto:mhogan01@uoguelph.ca) [1]

Provides leadership and overall management of health, safety and wellness in the functional area of Occupational Health and Wellness (OHW) for the University.

### **Mya D'Amato, Occupational Health and Wellness Associate**

519-824-4120 Ext. 52647 [mdamato@uoguelph.ca](mailto:mdamato@uoguelph.ca) [2]

The OHW Associate provides overall administrative support to the OHW team. This includes answering general inquiries related to OHW, the administration of the website and the management of appointments.

### **Nicole Reuss, Occupational Health Nurse**

519-824-4120 Ext. 56811 [nreuss@uoguelph.ca](mailto:nreuss@uoguelph.ca) [3]

The Occupational Health Nurse implements and manages the [occupational health surveillance programs](#) [4]. As well as provides and coordinates wellness programs and delivers workshops on health promotions and well-being.

### **Heather Sewell, Rehabilitation Specialist**

519-824-4120 Ext. 54283 [hsewell@uoguelph.ca](mailto:hsewell@uoguelph.ca) [5]

The Rehabilitation Specialist develops return to work strategies (RTW) and facilitates safe accommodation, conducts work-site assessments and physical demand analyses, conducts office ergonomics assessments and provides training in support of injury prevention. Also provides and coordinates health care that promotes, protects and restores employee health for an early and safe return to work. This can be done through the management of Short-Term Disability (STD) and the oversight of Long-Term Disability (LTD) claims.

### **Colleen Taylor, Rehabilitation Specialist**

519-824-4120 Ext. 54802 [ctaylo38@uoguelph.ca](mailto:ctaylo38@uoguelph.ca) [6]

The Rehabilitation Specialist develops return to work strategies (RTW) and facilitates safe accommodation, conducts work-site assessments and physical demand analyses, conducts office ergonomics assessments and provides training in support of injury prevention. Also provides and coordinates health care that promotes, protects and restores employee health for an early and safe return to work. This can be done through the management of Short-Term Disability (STD) and the oversight of Long-Term Disability (LTD) claims.

### **Victoria McShannon, WSIB Specialist**

519-824-4120 Ext. 56308 [vmcshann@uoguelph.ca](mailto:vmcshann@uoguelph.ca) [7]

The WSIB Specialist protects and restores employee health, coordinating for an early and safe return to work, through the management of Workplace Safety & Insurance Board (WSIB) claims.

### **Dr. Ronald Dykeman, Occupational Health Physician - on site weekly**

## Occupational Health and Wellness Team

Published on Human Resources (<https://www.uoguelph.ca/hr>)

---

The Occupational Health Physician is on site weekly and provides assessment and case management assistance for complex cases to facilitate safe return to work. The Occupational Physician also provides consultation and guidance on occupational health related policies and procedures to help guide best practice.
