Safety Data Sheets

Safety Data Sheets for Chemicals

Online access to current Safety Data Sheets (SDS) is through Chemwatch, an extensive, web-based, searchable database holding more than 6 million SDSs.

- Chemwatch [1]

Safety Data Sheets for Biohazards

Many SDSs for infectious substances can be found at the following websites:

- Pathogen Safety Data Sheets [2]
- Disease Agent Information [3]

Do not forget to log out [4] before leaving this page.
