NEW Days are the kick-off to the NEW @ the U program at the University of Guelph. Two days at the beginning of each month of the year (excluding January, April, July, August and December) have been dedicated to welcoming and connecting new employees to the University environment and giving them a positive start. Various activities and representatives from across campus will share perspectives and important information that will introduce the new employee to university governance, culture, history, facilities and services. Required training elements from A.O.D.A. (Accessibility for Ontarians with Disabilities Act) and EHS (Environmental Health and Safety) will also be included.

The program is targeted to new employees who are regular, full-time or part-time staff or full-time with an appointment of greater than 6 months. However, any employee that can benefit is welcome to register.

How to Register

Hiring Managers or Department HR representatives can call Learning & Development at extension 56800 and provide the name, position and email address of a new hire. The individual will be sent a link to register for NEW Days and will be provided with required logistical information. You can also select the session date below, and register directly from our events calendar.

In addition, we will be proactively identifying possible candidates and reaching out to the relevant departmental contacts to inquire about the benefits of their attendance at NEW Days.

NEW Days Schedule for 2017/2018

NEW Days will be held on:

- September 11 & 12, 2017 [1]
