

What if I don't know my central Login and ID?

Published on Human Resources (<https://www.uoguelph.ca/hr>)

What if I don't know my central Login and ID?

If you don't know your central login or password, you can ask your department I.T. Administrator, take your U of G photo ID to the CCS IT Help Desk on the main floor of the McLaughlin Library or call the CCS Help Line at x58888 for assistance.
