
EHS Assessments

EHS provides assessments on environmental health and safety considerations to the University community. Some examples include, but is not limited to,

- Volunteer Programs
- Facility renewals and renovations
- Research and Teaching involving biohazards, radiation and hazardous chemicals
- Orientation Week
- CAPS (Children Activities and Programs)
- Student Events such as:
 - College Royal
 - Tractor Tug for Tots
 - Tractor Skills Challenge

For further information please contact EHS by [email](#) [1] or call 519-824-4120 ext. 53282
