If this is your situation, you can use both plans when claiming expenses. This is called coordinating your benefits, and it's a great way to cover more of your costs.

  A medical emergency while travelling can be a frightening and costly experience. But with your Sun Life Financial group benefits plan you'll have the protection you need and you'll have access to the expertise of our emergency travel assistance partner – Global Excel Management (GEM) 24 hours a day if you suffer an illness or injury while away from home.
