Grounds Machinery Operator

Grounds Department, Physical Resources

Hiring #: 2018-0077

Please read the Application Instructions [1] before applying

Reporting to the Manager, Grounds department, the incumbent will be responsible for the operation of a variety of light machinery and related equipment used in Grounds’ landscape and maintenance operations including but not limited to: mowers, loaders, farm tractors, chain saws, wood chipper, hydraulic sprayers, and related equipment. As required, operates all related Grounds vehicles including but not limited to dump trucks, snow removal equipment and 4-wheel drive vehicles; assists with the installation of fence and signs; services equipment; and performs other duties as assigned. Some shift work, particularly in snow season, may be required.

Requirements of the position include: Grade 12 education, a valid DZ driver’s license, forklift and chain saw certification and several years’ experience in the operation of tractors, small loaders, mowers, and related equipment; knowledge of established safety practices and commitment to safe work practices; and the ability to read and interpret schedules, equipment directions, and instructions. Excellent interpersonal and oral communication skills are required, as are the ability to work effectively both individually and as a member of a team. The successful candidate will be required to provide a current and acceptable driver’s abstract as a condition of employment and will be required to successfully complete an independent third party driving assessment. The incumbents must be available to respond to emergency call-ins, particularly during snow season, but occasionally at other times of year as well.

Position Number  862-018
Classification  CUPE Band 4
0-3 month rate  $23.78 per hour
Job Rate  $25.03 per hour
Vacancy Original
Initial Work Location Throughout the University’s main campus

All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority. At the University of Guelph, fostering a culture of inclusion [2] is an institutional imperative. The University invites and encourages applications from all qualified individuals, including from groups that are traditionally underrepresented in employment, who may contribute to further diversification of our Institution
