Position covered by the Collective Agreement with USW Local 4120

Laboratory Technician

Department of Pathobiology, Ontario Veterinary College

Temporary full-time from November 1, 2018 to November 1, 2019
Temporary absence of the regular incumbent

Hiring #: 2018-0532

Please read the Application Instructions [1] before applying

The Department of Pathobiology at the Ontario Veterinary College (OVC) is dedicated to the advancement of knowledge in veterinary and comparative pathology, veterinary infectious diseases and immunology. The Laboratory Technician will provide technical assistance for research conducted by faculty members in the assigned laboratories. Responsibilities include: providing support for research projects; managing personnel and laboratory compliance with biohazard and safety regulations; maintaining laboratory and other equipment and analysers in assigned laboratories; managing ordering and receiving for research groups; supporting the decontamination of equipment and preparing related documentation; assisting in the preparation and delivery of clinical pathology teaching laboratories for DVM students. The Laboratory Technician will serve as an important technical link between research groups and collaborators inside and outside the Department.

Requirements of this position include: College Diploma in a related program plus 2 years of laboratory experience in the biomedical field providing technical laboratory support and operating various laboratory equipment, or an equivalent combination of education and experience. Experience providing technical support for biomedical research projects, including student mentoring and experience working with molecular biology techniques (e.g., RNA and DNA extraction and real-time PCR) is required. Experience with histotechnology and microtome use is preferred. The job involves some lifting and a diverse range of motions for a wide-variety of activities.

Candidates should demonstrate:

- Effective communication and interpersonal skills
- Accuracy and attention to detail
- Strong organizational skills
- Ability to recommend efficiencies
- Intermediate proficiency with Microsoft Office, in particular Word, PowerPoint, Excel

Covering Position Number 210-046
Classification USW, Local 4120 Salary Band 5*
Normal Hiring Range $24.79 - $27.69 per hour

*Tentative evaluation; subject to committee review.

At the University of Guelph, fostering a culture of inclusion [2] is an institutional imperative. The University invites and encourages applications from all qualified individuals, including from groups that are traditionally underrepresented in employment, who may contribute to further diversification of our Institution.
