Adhering to specific work unit protocols and SOP's, the successful candidate will play a broad supporting role for chromatographic based analysis as well as other chemistry related testing approaches within the Chemistry Unit by: preparing samples for a variety of food and environmental samples (cleaning, chopping, grinding, weighing) and/or sub-sampling; performing a variety of routine extraction and analytical clean up procedures and tests; setting up instrument sequences and performing sample analysis under the guidance of laboratory technicians; and, entering analytical results into LIMS. Additional duties include: preparing reagents and analytical standards; calibrating pipettes, thermometers, etc. and maintaining appropriate records for accreditation requirements; discarding samples, solvents and reagents in compliance to health & safety standards and protocols; and general laboratory cleanliness.

Minimum requirements of the position include: One year of Community College in a Laboratory Technician program in the Chemistry field, combined with relevant laboratory experience, or an equivalent combination of education and experience. Working experience with a variety of sample preparative techniques, extractions (liquid/liquid, solid phase, reflux and acid digestions) and rapid tests. Additional requirements include: strong attention to detail; proven ability to work efficiently and effectively in light of new information, changing situations and different environments; able to work to tight deadlines, with minimal supervision; demonstrated organizational, interpersonal and oral/written communication skills; awareness of occupational health & safety and WHMIS in a laboratory environment; self-motivated and able to work collaboratively within a team environment; demonstrated appreciation and dedication to customer service and client confidentiality. Experience working in a GLP accredited laboratory is an asset.

Covering Position Number 486-060
Classification USW, Local 4120 Salary Band 3
Normal Hiring Range $20.81 - $23.23 per hour

At the University of Guelph, fostering a culture of inclusion [2] is an institutional imperative. The University invites and encourages applications from all qualified individuals, including from groups that are traditionally underrepresented in employment, who may contribute to further diversification of our Institution.
