Understanding What to do When You are Injured or Ill

Disability Management

Occupational Health and Wellness (OHW) promotes employee health and recovery from occupational (work-related) and non-occupational disability (injury or illness) through early intervention and active case management along with opportunities for early and safe return to work.

Please follow the links below to understand the processes to follow if you are injured or ill:

- Occupational Disability — A Workplace Injury or Illness [1]
- Non-Occupational Short-Term Disability (STD) - A Short Term Absence due to Medical Reasons [2]
- Non-Occupational Long-Term Disability (LTD) - A Long Term Absence due to Medical Reasons [3]
