

Accommodation and Return to Work Planning and Follow-Up

The University of Guelph is committed to the implementation of early intervention for those employees with disabilities upon entering the University's workforce and employees who experience occupational and non-occupational illness or disability while in the workforce.

There are four accommodation partnership programs developed to promote a collaborative approach in assisting employees to enter the workforce, remain at work, or return to work in an early and safe manner:

- [Accommodation Partnership Program \(APP\) \(general\)](#) [1]
- [APP - UGFA](#) [2]
- [APP - UGFA Unit 2](#) [3]
- [APP - CUPE 3913](#) [4]

For additional information regarding pursuing an accommodation, please see the following categories:

- **Physical or Cognitive Accommodations:** Please have the [Functional Capacity Form](#) [5] completed by your medical treatment provider, outlining your specific functional abilities and limitations and the length of the required accommodation.
- **Pregnant Worker Accommodations:** Please see the [Pregnancy Protocol](#) [6] for additional information.
- **Support Animals:** Please review the [Animals on Campus Protocol](#) [7], and the [Animals on Campus Procedures](#) [8] and have the [Employee Request for Accommodation with Support Animal](#) [9] completed by your medical treatment provider.

If you require accommodations at work please have the appropriate [form\(s\)](#) [10] completed, and forward to Occupational Health and Wellness (OHW) by fax 519-780-1796 or upload to the [OHW Secure Drive](#) [11]. You may also contact the Rehabilitation Specialist to discuss opportunities at 519-824-4120 ext. 54283.
