Pharmacy Manager

Ontario Veterinary College Health Sciences Centre (OVC HSC)

Hiring #: 2019-0241

Please read the Application Instructions [1] before applying

The Ontario Veterinary College (OVC) [2], recently ranked first in Canada, seventh worldwide and fourth in North America for veterinary science by Quacquarelli Symonds [3] is seeking an experienced Pharmacist to lead pharmacy operations for the OVC Health Science Centre (HSC). As a referral teaching hospital, the OVC HSC strives to provide the best possible service to over 16,000 companion animals, equine, farm animal and exotic species each year. A unique opportunity to support world renowned veterinary clinicians, university researchers as well as highly specialized staff and talented students. The Pharmacy Manager, in collaboration with a team of skilled pharmacy technicians, creates innovative solutions to meet and exceed service delivery expectations.

The successful candidate is responsible to:

- Create and implement short and long-term business plans to achieve a financially sustainable pharmacy operation
- Develop risk mitigation strategies while ensuring pharmacy operations comply with federal and provincial laws and regulations and OVC standards
- Provide drug information to faculty, Veterinarians, hospital staff, students, clients, referring veterinarians and researchers
- Provide oversight and compounding of sterile, non-sterile and hazardous drugs
- Develop, implement and maintain policies and procedures for pharmacy operations which afford quality assurance and continuous quality improvement
- Provide orientation and training on hospital policies and procedures regarding medication to interns, residents and staff
- Recruit, develop and motivate a team of skilled pharmacy staff
- The successful incumbent may be cross trained in other areas of the Health Sciences Centre which may include service areas and non-technical areas within the hospital; will be assigned to work in a variety of service areas based on operational requirements and will work a seven (7) hour work day, ordinarily scheduled Monday – Friday; however, flexibility in scheduling availability is required.

Requirements of the position include:

- B.Sc. Pharm. Or PharmD
- Completion of an accredited hospital pharmacy residency or equivalent hospital experience plus one year hospital experience and one year management/supervisory experience (human and financial resources/leadership skills)
- Licensure by the Ontario College of Pharmacists which entails compulsory continuing education credits to be obtained annually (RPh, Registered Pharmacist)
- Excellence in communication (written, verbal) and interpersonal skills
- Computer proficiency in Microsoft Office Software (e.g. Word, Excel, Power point)
Pharmacy Manager
Published on Human Resources (https://www.uoguelph.ca/hr)

- Exceptional organizational and problem solving skills as well as customer service focused skills
- Demonstrated leadership/ supervisory abilities
- Knowledge of the specialized functions of a veterinary hospital pharmacy is considered an asset
- Candidates are asked to explain their experience with the following in their cover letter:
  - Prescription compounding (hazardous, sterile and non-sterile)
  - Pharmacy Leadership
  - Research and teaching
  - An automated dispensing system (direct experience)
  - Aseptic technique (including total sterile hazardous compounding) and compounding skills.

Position Number         0623-076
Classification               P06

Professional/Managerial Salary Bands  [4]

At the University of Guelph, fostering a culture of inclusion [5] is an institutional imperative. The University invites and encourages applications from all qualified individuals, including from groups that are traditionally underrepresented in employment, who may contribute to further diversification of our Institution.
