Reporting to the Supervisor, Patient Care and Service Delivery, the Animal Care Attendant provides husbandry care of patient and teaching animals at the OVC HSC and supports the Clinicians, Registered Veterinary Technicians (RVTs) and students of the Doctor of Veterinary Medicine program.

This position will be primarily assigned to the Companion Animal Hospital but may be required to support other units in times of operational needs. The HSC has a varied patient base, thus ACAs may be assisting with activities relating to both companion and large animals.

Key areas of responsibility include:

1. Assist with restraining, handling and transporting companion/large animal patients, research and teaching animals
2. Clean and sanitize cages, runs, stalls and ancillary equipment according to established procedures
3. Stock areas with appropriate supplies and maintain equipment logs
4. Ensure animal welfare by providing animal care and husbandry including, cleaning, grooming, feeding and exercising patients following safety protocols
5. Monitor changes in animal behaviour/health and report concerns to RVT or Veterinarian
6. Provide administrative support i.e. billing and organizing medical records and assist with the admission and discharge of client animals
7. Maintain confidentiality and adhere to safety regulations at all times

Requirements of the position include:

- 2-year College Diploma in a related program plus 12 months of related experience in a Small/Large Animal Clinic setting
- Animal Care Certificate or additional courses such as Equine Management or Large Animal Husbandry will be given preference
- Demonstrated proficiency in customer service
- Effective organizational skills
- Effective communication skills
- Demonstrated accuracy and attention to detail
- Basic knowledge of computers and electronic monitoring equipment would be a benefit

Flexibility in scheduling availability is required. The incumbent will be required to work a variety of shifts including evenings and weekends
