Reporting to the Stockroom Supervisor, the Delivery/Materials Handler (Materials Handler) works individually or as a member of a team, generally picking up, transporting and delivering a variety of materials throughout campus, as well as off-campus. Specific responsibilities include: Ensuring fitness of delivery vehicle(s); operating material handling equipment such as forklifts, pallet truck, and dollies; operating a five-ton truck with hydraulic tailgate, cube vans, vans and pick-up trucks; loading, delivering and unloading a variety of materials (e.g. furniture, office equipment, boxed items, audio visual equipment etc.) throughout campus, and occasionally to off-campus locations; picking up, transporting and setting up equipment, tables, chairs, staging and similar materials for a variety of events such as convocation, exams, Homecoming, and Alumni Weekend, for example; collecting large-capacity fine paper recycling bins and e-waste; assisting snow clearing crews in the Grounds department as needed during significant snow events; and other associated duties as assigned.

Requirements of the position include: A grade 12 diploma preferred; a valid class DZ driver’s license, and forklift certification, together with a minimum three months’ previous related experience driving and performing deliveries. A clean driver’s abstract is required. Candidates must be physically able to repeatedly conduct the diverse range of motions (primarily bending, lifting and carrying) on a sustained basis as required to perform the core duties of the position. Also required are: excellent communication, interpersonal, customer service and teamwork skills, together with the ability to be effective working with minimal supervision.
