Technician

School of Environmental Sciences, Ontario Agricultural College

Temporary full-time from October 28, 2019 to April 27, 2020
Temporary absence of the regular incumbent

Hiring #: 2019-0588

Please read the Application Instructions [1] before applying

Reporting to Faculty and the SES Admin Officer the Technicians for primarily responsibilities are supporting OMAFRA funded research in economic entomology and the departments undergraduate curriculum.

Research related activities include conducting field, greenhouse and laboratory studies in the area of entomology as it applies to agriculturally relevant insects. Specific duties can include insect and plant rearing as part of preparation, data analysis and report writing, curatorial assistance and arthropod identification, collecting and processing of samples and lab maintenance.

Department undergraduate support can include preparing laboratory activities and maintenance of lab equipment, providing instructions to undergraduate students during labs, preparing/grading laboratory and lecture assignments, preparing handouts and other materials and assisting the course instructor in other appropriate ways to deliver the course.

Requirements include a relevant undergraduate degree in biology or allied field with a background in entomology or similar field, as well as a pesticide applicator license along with one (1) to two (2) years’ experience in a related role.

Covering Position Number 131-046
Classification USW, Local 4120 Salary Band 6
Normal Hiring Range $27.18 - $30.37 per hour

At the University of Guelph, fostering a culture of inclusion [2] is an institutional imperative. The University invites and encourages applications from all qualified individuals, including from groups that are traditionally underrepresented in employment, who may contribute to further diversification of our Institution.
