Manager of Clinical Supervision

Family Relations & Applied Nutrition

Temporary full-time from November 15, 2021 to November 14, 2024
Hiring #: 2021-0567

Please read the Application Instructions [1] before applying

The Maplewoods Centre for Family Therapy and Child Psychology (which combines the former Couple and Family Therapy Centre and Centre for Psychological Services) is operated in the College of Social and Applied Human Sciences (CSHAS) in collaboration with the Clinical Child and Adolescent Development and in conjunction with the Department of Family Relations and Applied Nutrition (FRAN) 2-year graduate program (Master’s degree) in Couple and Family Therapy (CFT). The CFT Program (CFTP) is the only accredited academic program of its kind in Canada.

The Manager of Clinical Supervision (MCS) reports directly to the Director of Clinical Training (DCT) who is responsible for all aspects of the clinical training component of the program and has overall responsibility for the CFT counselling/training facilities and is a co-director of the Maplewoods Centre. The DCT has coordinating responsibilities with the Academic Program Director with respect to Accreditation. The MCS is responsible for:

- Leadership with virtual and face to face walk-in client therapy services of CFT Program.
- In person, virtual, on call and ad hoc supervision to 16 therapist-interns (6 semesters).
- Coordination of FRAN*6095 (Externship in CFT), including developing community training partnerships, placing therapist-interns in community agencies, and on-going liaison with community partners.
- Supervision of FRAN 6095 externships that occur at the Maplewood Centre.
- Instruction of and supervision for 6090-I Practicum in CFT, and another graduate course each year (for example, Theories and Methods in CFT).
- Supervise and review performance of the Clinical Services Coordinator (CSC), and provide back-up coverage for CSC role.

The successful candidate will have:

- Master’s Degree in Social Work, Psychology, Family Therapy, Family Relations, or related field
- Registration with the College of Psychotherapists of Ontario and Clinical Supervisor with both CRPO and CAMFT.
- Knowledge of ethical/professional standards (College of Registered Psychotherapists of Ontario [CRPO], Canadian Association of Marriage and Family Therapy [CAMFT]).
- Extensive experience providing ongoing clinical supervision and training for an active caseload over multiple students with a diverse client base.
- Theoretical and applied knowledge in several models of CFT, especially narrative, solution-focused, collaborative language, family systems theory, and emotionally-focused.
- Experience working in counselling agency setting including developing and or supervising clinical walk-in services.
- Proven track-record of excellence in teaching.
- Evidence of leadership effectiveness and administrative capabilities.
- Ability to work independently in a collaborative work environment.
- Extensive collaborative therapy skills, including high level of judgement in crisis situations.
