IT Services Technician

Computing and Communications Services (CCS)

Temporary full-time from April 2022 to March 2023
2 Positions
Hiring #: 2022-0221

Please read the Application Instructions [1] before applying

Reporting to the Manager, Client Productivity in Computing and Communications Services (CCS), the IT Services Technician will work in a team that provides a broad range of IT technical support to our Managed Desktops service and Ontario Veterinary College (OVC) clients.

Specific responsibilities of the IT Service Technician include working as part of a collaborative team, using email, telephone, chat, and in-person communication channels to provide technology support to faculty, staff and students. Diagnosing and resolving issues pertaining to the operation and use of desktops, laptops, and related technologies; resolving hardware and software issues; supporting the ordering and set up of new computers and related equipment; providing guidance to clients and participating in the development, updating, and modification of documentation and processes to facilitate and improve IT services.

Requirements of the position include:

- Two-year college diploma in computer networking and technical support, computer system technology, or similar educational background along with a minimum one (1) year of related experience. A combination of relevant education and experience may be considered.
- Previous experience providing Windows and/or macOS support to large and diverse community, preferably within an education environment
- Previous IT support experience gained within an IT service desk environment
- Familiarity and experience in the use of endpoint computing support tools such as Microsoft MECM, Intune, JAMF would be an advantage
- Broad knowledge of University and / or departmental policies and procedures related to information technology, security and privacy would be an advantage

Classification               USW, Local 4120 Salary Band 5
Normal Hiring Range $25.92 - $28.96 per hour

At the University of Guelph, fostering a culture of inclusion [2] is an institutional imperative. The University invites and encourages applications from all qualified individuals, including from groups that are traditionally underrepresented in employment, who may contribute to further diversification of our Institution.
