Grounds Machinery Operator, Snow and Ice Control

Grounds Department, Physical Resources

Temporary full-time from November 28, 2022, to March 31, 2023
Night Shift: Sunday to Thursday 9:30pm-6:00am
Hiring #: 2022-0672

Please read the Application Instructions [1] before applying

Reporting to the Manager, Grounds department, the incumbents will be responsible for the operation of a variety of vehicles, machinery and related equipment used in Grounds’ snow and ice clearing, and landscape and maintenance operations including: vehicles equipped with snow plows, dump trucks and 4-wheel drive vehicles, and farm tractors. As required, the Grounds Machinery Operator also keeps records; operates hydraulic sprayers, chainsaws, and other small motorized equipment; assists with the installation of fence and signs; services equipment; and other related duties; and performs other duties as assigned, particularly during periods of fair weather, potentially including work captured in other CUPE 1334 classifications (Bands 4, 3, 2, 1, or A) for which the incumbent is qualified. Additional training will be provided as needed.

Requirements of the position include grade 11 education (Grade 12 preferred), a DZ driver’s license, and several years’ experience in the operation of trucks, snow plow-equipped vehicles, tractors, small loaders, mowers, etc.; knowledge of established safety practices; the ability to keep accurate records and to read and interpret schedules, equipment directions, instructions, etc. Successful candidates will be required to provide a clean 3-year uncertified driver’s record (‘Driver’s Abstract’) from Service Ontario as a condition of employment.

For Internal Applicants: Regular full-time staff of the University who are interested in applying to this opportunity as a secondment MUST have their current supervisor’s approval to potentially take up the secondment in advance of applying.
