Open Learning and Educational Support

Temporary full-time from December 2022 to August 1, 2024
Temporary absence of the regular incumbent
Hiring #: 2022-0690

Please read the Application Instructions [1] before applying

Open Learning and Educational Support is an integral part of the University of Guelph’s learner-centred and research-intensive mission.

As leaders in education, we create innovative and relevant educational opportunities that meet the learning needs of a local and international audience. We are guided by learner-centered principles that are reflected in our diverse programs and rich learning experiences for traditional and lifelong learners. We intentionally integrate pedagogy with technology in the design, development and delivery of our educational programs. Through research and collaboration, we engage in scholarship to advance the teaching and learning mandate of the University.

Reporting to the Executive Director, the Manager, Finance and Operations provides expertise in three key areas of business: financial management, human resources and administration. More specifically, the Manager, Finance and Operations:

- Develops budgets, financial forecasts, KPIs and financial strategies that are reflective of the department’s financial structure and support the achievement of the cost recovery/revenue generation mandate;
- Develops, recommends and implements strategic financial plans for collaborative business partnerships;
- Develops and provides data analysis and statistical reporting on department financials to inform direction and priorities;
- Reports on operating results utilizing various methods, software and advanced data visualizations;
- Provides financial expertise to a team of managers across the department;
- Drafts formal agreements with internal and external organizations, prepare interim, month end and year-end financial reports;
- Leads and mentors the financial, human resource and operational team;
- Provide expertise to special projects as assigned

Requirements of the position include:

- An undergraduate degree in a related field and a CPA designation with several years’ related experience preferably in a university setting.
- The ability to balance the strategic and tactical requirements of the role, and demonstrate sound judgement, initiative, ability to work independently as well as part of a team
- Advanced knowledge of Microsoft products, specifically, Excel pivot tables, advanced macros, and data visualization software.
- Client focused approach and analytical thinking with the ability to develop and foster effective relationships,
- Meeting facilitation and presentation skills, written and oral communication; contract and proposal writing
Manager, Finance and Operations
Published on Human Resources (https://www.uoguelph.ca/hr)

- Organizational, project management, time management and interpersonal skills with the ability to work well under pressure and in a fast-paced environment
- An understanding of University of Guelph financial and administrative policies and procedures is preferred in addition to experience in working in an entrepreneurial environment
- HRPA designation is an asset

Position Number 056-028
Classification P06
Professional/Managerial Salary Bands [2]

At the University of Guelph, fostering a culture of inclusion [3] is an institutional imperative. The University invites and encourages applications from all qualified individuals, including from groups that are traditionally underrepresented in employment, who may contribute to further diversification of our Institution.
