

Dear University of Guelph Employee;

Regarding your recent workplace injury or illness, Occupational Health, and Wellness (OHW) has prepared the following checklist to use as a tool, to ensure you are able to accomplish your responsibilities in a timely manner.

- Inform your supervisor of your injury and illness and complete an Incident Report immediately (with your supervisor) and fax to OHW at (519)780-1796 or email ohw@uoguelph.ca
- □ Seek medical treatment as needed and inform your supervisor
- Provide your health care practitioner with a copy of a Workplace Safety and Insurance Board (WSIB) Form 8 and the attached letter
- □ Return the completed Form 8 to OHW **prior** to your next shift
- The Workplace Safety and Insurance Act requires that employers, workers, and health care practitioners cooperate in achieving optimal recovery and early and safe return to work. The University will provide you with appropriate modified work, while you are recovering from your injury. Please discuss the option of modified work with your supervisor prior to leaving the workplace, and request a modified work offer in writing
- OHW and your supervisor will request that you provide updated FAFs (Functional Abilities Forms) during your recovery to understand how your abilities are improving. FAF's are requested to be completed every 14 days by the treating medical practitioner. Your supervisor will continually offer you appropriate modified work reflecting your abilities until you have recovered.

All medical documents are requested to be uploaded directly to: *The OHW Secure Drive or* sent via Secure Fax to (519) 780-1796.

Thank you for your cooperation,

Victoria McShannon B.A WSIB Specialist Health, Safety and Wellness, Human Resources University of Guelph vmcshann@uoguelph.ca 519-824-4120 ext. 56308

IMPROVE LIFE.

Dear Health Care Practitioner;

The University of Guelph has a comprehensive accommodation program, which strives to provide early, safe and appropriate return to work for all employees. We value your assistance in helping us to ensure an optimal recovery of our employee and to provide an appropriate early and safe return to work program.

The success of the return-to-work process depends upon the timely and accurate completed of the Form 8, the Health Professional's Report for work related injuries and/or illness. For occupational mental health claims, please complete Form CMS8 Health Professional's Report for Occupational Mental Stress.

Page Two of the Form 8 or CMS8 will be used only in the purposes of identifying suitable accommodations. We would appreciate receiving as much detailed information as you are able to provide about the worker's abilities. Accommodation will be considered to permit return to work without aggravation to their injury and to facilitate a successful recovery. You will note that the worker is required to sign the bottom of page 2 indicating their consent to release their functional abilities to the employer.

Please provide your patient with the completed form or fax it directly to Occupational Health and Wellness (OHW) via *Secure Fax* to (519) 780-1796.

If you have any questions, do not hesitate to contact me directly.

Thank you for your cooperation,

Victoria McShannon, B.A WSIB Specialist Occupational Health and Wellness University of Guelph vmcshann@uoguelph.ca 519-824-4120 ext 56308

Health Professional's Report (Form 8)

Health Professional, please use this form for:

- Patients who are claiming benefits under the WSIB insurance plan for an injury/illness related to work, or
- You think that the cause of your patient's injury/illness is workplace factors.

Section 37 of the *Workplace Safety and Insurance Act,* 1997 provides the legal authority for health professionals, hospitals and health facilities to submit, without consent, information relating to a worker claiming benefits to the Workplace Safety and Insurance Board (WSIB).

Completing the form:

- Give a copy of page two only to your patient to give to employer.
- Please send pages one and two to the Workplace Safety and Insurance Board.
- On the worker's initial visit, ONLY the Form 8 will be paid. A Functional Abilities Form (FAF) will not be paid if completed on the same date.

Functional Abilities Form

for Planning Early and Safe Return to Work

Health Professionals, please use this form ONLY when requested by an employer or worker.

The purpose of this form is to identify your patient's overall functional abilities and work restrictions that will assist his/her return to suitable work.

Please promptly complete and return pages 2 and 3 of this form to the worker or employer to assist the workplace parties in planning an early and safe return to work.

PLEASE ENSURE YOUR BILLING INFORMATION IS NOT GIVEN TO THE WORKER OR EMPLOYER.

Authority to Release Information

Section 37(3) of the *Workplace Safety and Insurance Act,* 1997 provides the legal authority for health professionals to give the Workplace Safety and Insurance Board (WSIB), the injured worker and the employer such information as may be prescribed concerning the worker's functional abilities.

When completing this report, please **print** in **black ink**.

Worker and/or employer should complete Sections A and B of this report. If your patient needs assistance, please help. Please submit this report even if Section A is not fully completed.

Information about your responsibilities can be found on Page 4.

The WSIB will pay health professionals for completing this form.

Important Information

To receive benefits, the worker must apply for benefits within six months of the date of a work-related injury or illness. When filing a claim for benefits, the worker must also consent to the disclosure of functional abilities information provided by a health professional to his or her employer for the purpose of facilitating an early and safe return to work. Failure to file a claim or provide consent for the release of the functional abilities information can result in no benefits.

If you have questions about the completion of this form please call 1-800-387-0750.

Worker's Responsibilities

- This form is to be completed by a treating health professional, who will discuss the information with you.
- Once completed, contact your employer **immediately** to review the information on the completed form. Together, you and your employer will begin to plan an early and safe return to work.

Employer's Responsibilities

- This form provides general information about this worker's functional abilities and restrictions to help you plan an early and safe return to work.
- When you provide this form to the treating health professional, ensure that you have the worker's signed consent (Section B) for the release of functional abilities information.
- Where available, also attach a description of the worker's job activities to assist the health professional in completing the form.
- The prescribed form that is available from the WSIB is a generic form developed to assist with general functional abilities information.
- The WSIB will pay the health professional to complete the prescribed WSIB form only. A charge will appear on your Accident Cost statement or Schedule 2 Invoice which reflects the cost of payment for each form completed.
- If you have a form that is specific to your workplace and have the cooperation of the worker in providing consent for the release of information on your form, you may use your own form. If you create your own form, you must reimburse the health professional directly.
- Do not send a copy of the completed Functional Abilities Form for Planning Early and Safe Return to Work to the WSIB. The health professional is responsible for submission of the form.

Health Professional's Responsibilities

- The employer and worker will use this information to plan the worker's early and safe return to work.
- Their return to work plans will reflect the functional abilities and restrictions you have noted and presume that no clinical contraindications exist for other work activities, therefore it is crucial that all sections be completed in full.
- The completion of this form is based on your examination of the worker and does not require a specialized functional abilities evaluation.
- Diagnostic or confidential information **must not** be included.
- Please add specific information on the duration of temporary restrictions or maximum times or weights to be considered, in section **E3** under **abilities and/or restrictions**. If necessary, attach an additional page to this completed form to describe abilities and restrictions.
- Completion of this form does not replace clinical reporting requirements to the WSIB.
- Once you have received this form, promptly complete it and give it to the worker and/or employer.
- For billing purposes fax or mail pages 2 and 3 to the WSIB. When faxing, do not mail a copy.

The WSIB will pay the health professional for the completed form when pages 2 and 3 are received.
