AGREEMENT BETWEEN

THE UNIVERSITY OF GUELPH
(hereinafter called the “University”)

OF THE FIRST PART

- and -

THE CANADIAN UNION OF PUBLIC EMPLOYEES

AND ITS LOCAL 1334 Unit 1
(hereinafter called the “Union”)

OF THE SECOND PART

Now, therefore, the parties are agreed as follows:

ARTICLE 1 – DEFINITIONS

1.01 “Employee” means an employee of the University included in the bargaining unit defined in paragraph 3.01.

1.02 Where a noun, pronoun, or adjective indicating gender or sex is used, the other gender or sex shall be deemed to be included.

1.03 “Day” means working day for the individual concerned unless otherwise specifically stipulated. In the case of grievance
administration, “day” means a working day in the University’s Human Resources unless otherwise defined.

1.04 “Seniority” is defined as length of service with the bargaining unit and is bargaining unit wide.

1.05 “Emergency” is defined as a sudden and unexpected turn of events calling for action.

1.06 “Interim” is defined as a part-time employee, non-student who is hired annually for an academic year as set out in 3.01 of the collective agreement.

ARTICLE 2 – PURPOSE

2.01 The purpose of this Agreement is to govern and maintain collective bargaining relations between the University and its employees, to provide methods and procedures for the prompt and equitable disposition of complaints and grievances and to establish salary levels, hours of work and working conditions for employees who are subject to the provisions of this collective agreement.

ARTICLE 3 – RECOGNITION

3.01 The University recognizes the Union as the sole and exclusive bargaining agent for all interims employed in the Library at the
University of Guelph in the City of Guelph for not more than twenty-four (24) hours per week, save and except supervisors and persons above the rank of supervisor, students and those persons for whom any other trade union holds bargaining rights.

3.02 Should any new position(s) be established within the University which the Union claims to fall within the bargaining unit defined in paragraph 3.01 hereof, the question as to its inclusion in or exclusion from the bargaining unit shall be determined by mutual agreement, or in the absence of such agreement, by resort to the Grievance and Arbitration Procedure provided in this Agreement.

3.03 Supervisory personnel shall not perform work done by bargaining unit personnel except for purposes of instruction, or when bargaining unit members are not readily available, or in the performance of required work when difficulties are encountered on the job, or in areas of inspection or quality control, or provided that the performance of such work by supervisory personnel does not reduce the normal hours of work of any employee.
ARTICLE 4 – MANAGEMENT FUNCTIONS

4.01 The Union acknowledges that it is the function of the University to exercise the regular and customary function of management and to direct the working forces subject to the terms of this Agreement, and to:

a) Maintain order, discipline and efficiency;

b) Hire, discharge, direct, classify, transfer, promote, demote, layoff and suspend or otherwise discipline employees provided that a claim of discriminatory promotion within the bargaining unit, demotion or layoff or that an employee has been suspended, discharged or otherwise disciplined without just cause, may be treated as a grievance as provided under the Grievance Procedure;

c) Maintain and enforce rules and regulations not inconsistent with the provisions of this Agreement, governing the conduct of the employees; and

d) Generally manage the university and without restricting the generality of the foregoing, determine the number of personnel required from time to time, the standards of performance for all employees, the methods, procedures,
machinery and equipment to be used, schedules of work and all other matters concerning the operation of the University not otherwise specifically dealt with elsewhere in the Agreement which may become the subject of discussion between the Union and the University in accordance with clause 5.02 of this Agreement; and

e) An employee who has not completed his probationary period may be discharged without cause and at the sole discretion of the University.

4.02 The University agrees that these functions will be exercised in a manner consistent with the provisions of this Agreement.

ARTICLE 5 – RELATIONSHIP

5.01 a) The parties to this Agreement agree that there shall be no harassment, discrimination, intimidation, restraint or coercion exercised in any respect against any employees such as that of age, disability, race, creed, colour, national origin, record of offences unless the record of offence is a bonafide requirement or qualification because of the nature of the job, religious belief, political affiliation or activity, sex, class back-ground, marital or
family status (which includes common-law or same sex relationships) or sexual orientation, nor by reason of membership, non-membership or activity in the Union. It is understood that the age of retirement is in accord with the University Pension Plan.

b) An employee who feels that he/she has been subjected to workplace harassment should contact either the Union, or the Staff Relations Section of the Human Resources division. Employees may be accompanied by their Union representative as appropriate. Should a situation or concern not be resolved, the employee may submit a grievance at step two (2).

c) An employee who feels that he/she has been subjected to Human Rights Code based discrimination should contact either the Union or the Human Rights and Equity Office. Employees may be accompanied by their Union representative as appropriate. Should a situation or concern not be resolved, the employee may submit a grievance at step two (2).

5.02 The parties to this Agreement acknowledge the mutual benefits derived from joint consultation and are prepared to enter into discussions concerning any contemplated changes in conditions of employment or working conditions not governed by this Agreement.
Therefore, in accord with the principles as herein above established, the parties agree as follows:

a) Meetings between the Union and the University may be held as required at times as mutually agreed but no more than once every two (2) months. The party requesting the meeting shall make the request in writing at the same time advising the other party of the matters it wishes to discuss; and

b) Upon notification, a meeting shall be convened within ten (10) days.

Either party may be represented by up to three (3) employees or more if mutually agreed.

5.03 The University acknowledges that employees who have completed their probationary periods have the right to review their Human Resources files not more than once every six months (January-June, July-December). In order to do so, employees are to submit their requests in writing to the Staff Relations unit of Human Resources. An appointment to review the human Resources file will normally be arranged within two (2) working days of the receipt of the request.

Before an employee will be provided with his/her Human Resources
file, the employee must present photo identification to Staff Relations. It is further understood that any employee will be free to submit written, relevant explanations for inclusion in his or her Human Resources file. Notwithstanding the above, in the event that the Union raises a formal issue with regard to an employee, an exception shall be made to have the file reviewed at that time, subject to the notice provisions outlined above.

**ARTICLE 6 – SECURITY OF THE BARGAINING UNIT AND DEDUCTIONS OF DUES**

6.01 All part-time interim employees will be members of the bargaining unit. The University shall deduct from the wages of temporary part-time employees, probationary employees and regular part-time employees a sum equal to the regular dues as properly notified from time to time in writing by the Secretary-Treasurer of the Union Local to the University. This deduction shall be made from each pay and shall be forwarded within ten (10) days of which they are deducted to the Secretary-Treasurer of the Union Local, accompanied by a list of names and classifications of the employees from whose wages the deductions had been made. A copy of this list shall be forwarded by
the University to the national headquarters of the Canadian Union of Public Employees.

6.02 The sums deducted and forwarded to the Union in accordance with this Article shall be accepted by the Union as the regular monthly dues of those employees who are or thus become members of the Union.

6.03 The University shall indicate on the Income Tax (T4) slips the amount of Union dues paid during the preceding year by each member covered by this Collective Agreement. An official parking receipt will be provided for each employee upon request.

6.04 Copies of Request for Leave of Absence forms and names of terminated regular part-time bargaining unit employees will be provided to the Local monthly. The University will notify the Local of any bargaining unit members who are approved for Long Term Disability (LTD), and in the case of Workplace Safety and Insurance Board (WSIB), of those on WSIB for a period of greater than three (3) consecutive months.

6.05 Subject to supervisory approval and operational requirements, when a new regular part-time employee to the University commences a bargaining unit position, or a new temporary part-time employee
commences a bargaining unit appointment, an Officer of the Union will be provided with up to thirty (30) minutes within regular working hours to provide the new employee with a copy of the Collective Agreement and a brief overview of the role of CUPE 1334 Unit 1 at the University of Guelph. Temporary part-time employees will participate in one (1) orientation regardless of the number of appointments he/she may have. This orientation will occur within the first month of employment in the bargaining unit.

6.06 All official correspondence between the parties arising out of this Agreement or incidental thereto shall pass to and from the Director of Staff Relations, Unit Chair, and the Local Bargaining Unit President with a copy to the Local Area Office.

ARTICLE 7 – NO STRIKE, NO LOCKOUT

7.01 During the term of this Agreement and in view of the orderly procedure for settling grievances established hereby, the University agrees that it will not call or authorize, and no officer, official or agent of the University will counsel, procure, support or encourage any lockout of its employees; the Union agrees that it will not call or authorize, and no officer, official or agent of the Union will counsel,
procure, support or encourage a strike. The Union further agrees that any strike or other collective action designed to restrict or limit the work or the University’s operations by employees would be in violation of this Agreement and if any such strike or collective action takes place involving Union members, the Union will repudiate it forthwith and advise its members to return to work or cease such action.

**ARTICLE 8 – COMPLAINT PROCEDURE**

8.01 It is the mutual desire of the parties hereto that complaints of employees shall be adjusted as quickly as possible and it is understood that any employee has no grievance until the employee has first given the appropriate immediate supervisor concerned, with or without a Union Steward of the employee’s choice, an opportunity to adjust the complaint. If an employee has a complaint, it shall be discussed with the appropriate immediate supervisor within five (5) days after the employee would reasonably be expected to have become aware of the circumstances giving rise to the complaint. The appropriate immediate supervisor shall be allowed five (5) days to seek information and advice and to communicate the answer to the
The complainant. Failing settlement, it may then be taken up as a grievance within five (5) days following advice of the supervisor’s decision.

**ARTICLE 9 – GRIEVANCE PROCEDURE**

9.01 For the purposes mentioned in this article, the Unit Chair or the Recording Secretary may perform the functions of the Chief Steward. In the absence of the Chief Steward, any one (1) member of the Executive committee may perform the functions of the Chief Steward.

9.02 **Step 1**

If not settled at the complaint stage, a written grievance may be submitted to the supervisor of the employee’s immediate supervisor, within five (5) days of receiving the decision, on a form provided by the Union and acceptable to the University. Such form shall include:

a) The nature of the grievance,

b) The remedy sought, and

c) The paragraph or paragraphs of this Agreement alleged to have been violated. The grievance is described as an alleged violation of:

i. The Collective Agreement
ii. The Ontario Human Rights Code

iii. The Employment Standards Act of Ontario

iv. Other applicable Province of Ontario Employment related legislation.

The employee shall be assisted in the presentation of the grievance by a Union Steward. Failing a settlement, the supervisor shall deliver the decision in writing to the employee and the Union within five (5) days following the presentation of the grievance.

9.03 **Step 2**

If not then settled at Step 1, the written grievance may be submitted by the grievor and the Chief Steward to the Director of Staff Relations or designate within five (5) days after the decision in Step 1. The Director of Staff Relations, or designate, shall meet with the grievance committee, hereinafter constituted within fifteen (15) days following the presentation of the grievance. There may be present a representative of the Union if requested by either party and such others as the Director of Staff Relations or designate, considers necessary. The Director of Staff Relations, or designate shall render a decision in writing to the chairperson of the union Grievance
Committee and the grievor within five (5) days following the above meeting.

9.04 **Step 3**

If the Union Grievance Committee is not satisfied with the decision at Step 2, it may, within fifteen (15) days of such decision, demand in writing that the matter be taken to arbitration in accordance with the procedure set out hereunder.

9.05 The time limits mentioned in both the grievance and complaint procedure may be extended by agreement between the Union and the appropriate University official and must be confirmed in writing. Where no such agreement has been made or where an agreed extension has expired:

a) The Union Grievance Committee may proceed to the next step of the procedure if the appropriate University official exceeds the time allowed to act,

b) The University may consider the grievance abandoned if the Union exceeds the time allowed to act.
9.06 **Policy and Group Grievances**

A complaint or grievance arising directly between the University and the Union with respect to either:

a) A matter of policy, interpretation or general application of the Collective Agreement arising from a decision of the central University administration,

OR

b) A decision or action of the University administration or departmental management that affects three (3) or more employees,

OR

c) An action of the Union’s considered prejudicial by or to the University may be lodged by the grieving party at Step 2 by convening or demanding the convening of a meeting as outlined at Step 2 within twenty (20) days of the occurrence complained of. If a mutually agreeable solution cannot be reached at such meeting, then the grieving party may demand the matter be taken to arbitration by notice in writing to the other within fifteen (15) days following such meeting. Should the grieving party exceed the above time limit, the grievance
shall be considered to have been abandoned. Grievances permitted by this clause shall be lodged by the University with the Union Local President and by the Union with the Director of Staff Relations or designate. It is expressly understood that this procedure may not be used with respect to a situation primarily affecting any employee which such employee could raise as an individual grievance thereby by-passing the regular grievance procedure. It is further understood that the provision for the extension of time limits by agreement shall apply to this Article.

d) Where two (2) or more employees have identical grievances and each employee would be entitled to grieve separately, they must present a group grievance in writing at step one (1) of the grievance procedure.

9.07 Nothing herein shall be deemed to preclude an employee from discussing problems personal or job related, with line supervision or members of Human Resources as appropriate. Any discussions between a representative of the University and the grievor(s) directly related to an outstanding grievance as defined in this article must be with Union representation.
9.08 The University or any of its representatives shall not make any arrangements with an employee which are inconsistent with the provisions of this Collective Agreement.

9.09 An employee shall have the right to have his/her steward present at any discussion which the supervisor has identified as disciplinary in nature. The supervisor will encourage the employee to exercise his/her right to be accompanied by a steward, if the employee so chooses.

ARTICLE 10 – SPECIAL PROVISIONS RE: DISCHARGE, SUSPENSION & DISCIPLINE

10.01 The discharge of a probationary employee will be subject to a lesser standard of just cause.

10.02 The termination of employment of an employee at the end of a predetermined period or on completion of a specific project for which the employee was hired shall not be the subject of a grievance. Where a person is hired for such a predetermined period or for such a specific project, the employee and the Union shall be so informed in writing as to the date of hire and the termination date. The provisions
of this paragraph shall not be applied to established positions except in the case of the temporary absence of the regular incumbent.

10.03 Where an employee is discharged after the completion of the probationary period and other than in accordance with paragraph 10.02 hereof, the following procedure will apply:

a) The University shall not discipline, suspend or discharge an employee without just cause.

b) When an employee is to be suspended or discharged, such discipline shall normally be imposed at a meeting specifically convened for this purpose. The employee shall be accompanied to such meeting by a Union Steward. A copy of the suspension or discharge letter shall be provided to the Union within three (3) days of such meeting.

10.04 The record of an employee shall not be used against the employee at any time after twenty-four (24) months following a disciplinary suspension. The record of an employee shall not be used against the employee at any time after eighteen (18) months following other disciplinary action, including letters of reprimand. Any further disciplinary action during the above noted time frames will result in all
letters remaining in the employee’s file, unless the employee has kept
his/her record clear during such periods.

10.05 The Director of Staff Relations or designate, may upon request from
the Union, agree to reduce the time frames specified in 10.04,
provided that the employee who was the subject of such discipline
has demonstrated a significant improvement in the area of
behavior(s) that resulted in such disciplinary action being taken. The
denial of such request shall not be the subject of a grievance.

ARTICLE 11 – ARBITRATION PROCEDURE

11.01 When either party to this Agreement demands that a grievance be
submitted for arbitration, they shall make such a demand in writing
addressed to the other Party to this Agreement.

11.02 (a) The arbitration procedure incorporated in this Agreement shall be
based on the use of a single Arbitrator selected on a rotating basis
from a panel of five (5) Arbitrators set out below or a Board of
Arbitration as set out in Article 11.02 (d):

Louisa Davie                  Paula Knopf
Brian Sheehan                William Kaplan
Steve Raymond                Gerry Lee (Mediation Only)
(b) After selection of the Arbitrator from the above noted rotation, the parties, by mutual agreement, may elect to request the Arbitrator “mediate” the dispute in an effort to avoid an arbitration hearing.

(c) It is agreed that if the parties are unable to mediate a resolution, then the Mediator will assume the role of Arbitrator and a hearing will be scheduled.

(d) The parties by mutual agreement, may agree to establish a Board of Arbitration in respect of any grievance submitted for arbitration. In such a case the parties shall each appoint a nominee to the Board of Arbitrators and the Chairperson of the Board of Arbitration will be one of the Arbitrators set out in Article 11.02(a). However, should either party fail to nominate an Arbitrator as herein required, the Minister of Labour for the Province of Ontario shall have power to effect such appointment upon application thereto by the party invoking Arbitration Procedure. The provisions of Article 11 apply to a Board of Arbitration.

11.03 No person may be appointed as an arbitrator who has been involved in an attempt to negotiate or settle the grievance.
11.04 No matter may be submitted to arbitration which has not been properly carried through all requisite steps of the Grievance Procedure.

11.05 The Arbitration Board shall not be authorized to make any decision inconsistent with the provisions of this Agreement nor to alter, modify, add to or amend any part of this Agreement.

11.06 The proceedings of the Arbitration Board will be expedited by the parties hereto and the decision of the majority, and where there is no majority, the decision of the Chairperson will be final and binding upon the parties hereto and the employee or employees concerned.

11.07 Each of the parties hereto will bear the expense of the arbitrator appointed by it and the parties will jointly bear the expenses, if any, of the chairperson of the Arbitration Board.

11.08 The party demanding arbitration shall be responsible for informing any third party likely to be adversely affected:

a) Of the time and place of the sitting of the Board of Arbitration,

b) Of the matter to be placed before the Board, and

  c) Of the right of that third party to be present and represented.
11.09 The provisions of article 11.02 herein may be waived should the parties agree to the appointment of a single arbitrator as provided in the Labour Relations Act.

**ARTICLE 12 – SENIORITY**

12.01 The purpose of this Article is the provision of increased job security and increased protection of accrued benefits in relation to length of employment.

12.02 A new employee shall be on probation until completion of eight (8) months continuous employment from the date of hire.

12.03 All employees who have completed the probationary period shall have seniority as from their last date of hiring in this bargaining unit.

12.04 The University agrees to maintain up-to-date seniority information and shall provide to the Union up-to-date seniority lists every four (4) months. The seniority list shall show the current classification and the date upon which each employee’s service commenced. Where two or more employees commence work on the same day, seniority shall be determined based on the date of the official offer letter from Human Resources. Union officials may have access to up-to-date seniority information on an “as required” basis.
12.05 In all cases of lay-off or recall from lay-off, seniority shall govern. Therefore, in the event of lay-off an employee may bump another employee with lesser seniority in any classification and in the case of recall the last employee laid off shall be the first recalled; provided that in lay-off and recall from lay-off, in the opinion of the University, which shall not be exercised in an arbitrary or discriminatory manner, the employee is qualified and able to do the work in question.

12.06a) Temporary interim part-time employees shall be laid off before the lay-off of an interim part-time employee in accordance with the procedures set out in Article 12.05.

b) The University will give employees who have completed their probationary period notice of lay-off according to the following scale:

- Up to 4 years seniority – 4 working weeks,
- 4 years but less than 6 years seniority – 8 working weeks,
- 6 years but less than 8 years seniority – 12 working weeks,
- 8 years but less than 10 years seniority – 16 working weeks,
- 10 years but less than 15 years seniority – 20 working weeks,
- 15 years or more of seniority – 24 working weeks.

An employee on lay-off will be entitled to remain on recall for the period of twenty one (21) months.
12.07 The University will supply in writing to the Union advice of each interim part-time employee laid off from work and recalled to work following a period of lay-off of unspecified duration.

12.08 An employee shall terminate his or her employment and forfeit seniority if the employee:

a) voluntarily leaves the employ of the University;

b) is discharged and is not reinstated through the Grievance or Arbitration Procedure;

c) is absent from work without permission and without a reasonable explanation for failing to seek such permission for five (5) consecutive working days;

d) without reasonable explanation, fails to return to work upon termination of an authorized leave of absence or utilizes a leave of absence for purposes other than those for which the leave of absence was granted;

e) fails to return to work within seven (7) working days after being recalled from lay-off by notice sent by registered mail with a copy to the Union, unless such period is extended for reasons satisfactory to the University;
f) is absent due to lay-off which absence continues for more than twenty-four (24) months;
g) is absent due to disability which absence continues for more than twenty-four (24) months except that employees may continue to participate in the benefits program for as long as they continue to qualify for benefits for the Long Term Salary Continuation Plan. In Workplace Safety and Insurance Board cases the absence may continue for the period of compensation.

12.09 It shall be the duty of the employee to notify the University promptly of any change in address. If an employee fails to do this, the University shall not be responsible for failure of a notice sent by registered mail to reach such employee.

12.10 a) No employee shall be transferred to a position outside the bargaining unit without his or her consent. An employee who previously held a job which was, or would have been, within the bargaining unit may, within a period of one (1) year, apply the full length of his or her accrued seniority upon the date of leaving the bargaining unit to any vacancy which the employee is capable of filling. Such return shall not result in the lay-off or bumping of any employee who has accrued seniority.
b) Other than through the job posting procedure outlined in Article 13, an employee shall not be transferred between classifications without prior consultation with the Union.

c) An interim part-time employee who successfully applies to a temporary full-time secondment opportunity outside of the Bargaining Unit, shall be deemed to retain his/her seniority accrued prior to commencing the secondment outside of the Bargaining Unit, for a period of up to one (1) year from leaving the unit. Dues deductions will cease during the period of secondment outside of the Bargaining Unit and the employee’s name shall not appear on the seniority list. Upon return to his/her interim part-time bargaining unit position, they will recommence accruing seniority.

12.11 When considering lay-off, top seniority rights shall be accorded to each standing member of the Union Executive Committee consisting of the following members of the Executive of the Local Union: Unit Chair or Recording Secretary.

12.12 In the event the University should merge, amalgamate or combine any of its operations or functions with another University or College, the University will use its best efforts to ensure retention of all seniority and benefits currently enjoyed by its employees with the
successor employer. The University agrees to involve CUPE Local 1334 Unit 1 in discussions prior to a merger, amalgamation or combining any of its operations or functions with another University(ies).

ARTICLE 13 – JOB POSTING

13.01 a) The University will advise the Union of the status of vacant regular part-time interim positions which the University does not intend to fill immediately (“immediately” being defined, for this purpose, as within 30 to 60 calendar days) following the position becoming vacant. Where the University decides to fill a vacancy in the bargaining unit the following process will apply:

i. All vacancies for interim part-time positions shall be posted for seven calendar days prior to the appointment of a regular incumbent. Such advertisement shall be dated, shall show the job title, job requirements, the applicable salary band, the position number, shall include the initial shift assignment and the initial work location, and shall indicate whether this is an original vacancy or one consequential from the appointment of an employee to an original vacancy.
ii. The University will advise the Union in advance that a vacancy will be advertised externally in conjunction with the internal posting.

iii. Any employee may apply for an advertised vacancy directly to Human Resources, 5th floor, University Centre or elsewhere as indicated in the posting.

iv. All postings for jobs within the bargaining unit shall state; “This position is covered by Collective Agreement with CUPE Local 1334 Unit 1”.

v. Vacancies approved for posting will be posted within 30 days of such approval being received in Human Resources.

vi. The University will advise the Union by email of the names of bargaining unit applicants selected to be interviewed for a posted vacancy.

b) In cases where the University elects to not fill a posted vacancy, and where applications have been received, the University will notify the Union, in writing, of its reason not to fill such vacancy.

13.02 In selecting a candidate to fill a regular part-time interim vacancy which the University wishes to fill in the bargaining unit, the University shall consider;
a) the skill, ability and qualifications of the individual to perform the requirements of the job in a competent manner and the capability of the individual to assume responsibility;
b) the seniority ranking of the employees affected.
c) When the judgment of the University, which shall not be exercised in a discriminatory manner, the factor (a) is relatively equal as between two or more employees, then and only then shall factor (b) govern.

13.03 The successful applicant shall be placed on a trial period for a period of up to two (2) months. In the event the successful applicant proves unsatisfactory in the position during the trial period, or if the employee is unable to perform the duties of the new job classification, or the successful applicant feels this position is not in their best interest, the employee shall be returned to his or her former position and wage without loss of seniority. Any other employee promoted or transferred because of the re-arrangement of positions shall also be returned to his other former position and wage without loss of seniority.

13.04 The Union shall be notified of all appointments, layoffs and recalls from layoff within the bargaining unit.
ARTICLE 14 – LEAVES OF ABSENCE

14.01 The University shall endeavor, subject to operational requirements, to grant leave of absence without pay to an employee. Requests for leaves of absence shall be in writing and shall be submitted to the employee’s supervisor in advance of the commencement of the leave, except in cases of emergency, where reasons for such leave shall be submitted in writing to the University as soon as possible. Seniority shall accrue during a leave of absence that is less than eighty (80) calendar days in duration.

14.02a) The University agrees to grant, during each year of this contract leave of absence with normal pay and benefits up to fifteen (15) days for bargaining unit persons selected by the Union to attend Union meetings, conferences, conventions, and seminars. Requests for such leaves of absence as detailed above, should be submitted in advance and in writing to Employee Relations and will be subject to supervisory approval, which shall not be unreasonably withheld. It is further understood that the University is freed of any responsibility to the employee in the granting of such leave. Seniority shall accrue during the period of leave. Joint Health and Safety Committee members shall not be limited by the above restrictions.
b) In the contract year that negotiations will occur, the University will provide an additional forty-eight (48) hours for Negotiating Team preparation.

14.03 a) Upon request, in the event of a death in the immediate family, an employee will be granted at the time of death, leave with pay for a period of three (3) consecutive scheduled workdays. Immediate family shall mean parent; step parent; spouse; common-law spouse (including same-sex partner); child; step-child; brother; sister. Where the funeral occurs outside the province, the employee will be provided with a total of one (1) additional day for the purpose of travelling to and from the funeral (i.e. Four (4) days maximum).

b) Upon request, in the event of a death in the family, an employee will be granted at the time of death, leave with pay for a period of one (1) scheduled workday. Family shall mean; father-in-law; mother-in-law; son-in-law; daughter-in-law; brother-in-law; sister-in-law; grandchild; grandparent. Where the funeral occurs outside the province, the employee will be provided with a total of one (1) additional day for the purpose of travelling to and from the funeral (i.e. 2 days maximum)

* Present rates

** The rates listed above are established as maximum member contribution rates under this agreement. The Employer contribution rates will continue to be determined by the Plan Actuary, but in no case shall be less than the member rates. Precise determination of any adjustments to member contribution rates will be made by the Plan actuary with due consideration being given to the importance of recognizing earnings below and above the YMPE.

Furthermore the University and the Union agree in principle to a negotiated framework for the sharing of Normal Actuarial Cost of the Retirement Pension Plan through collective bargaining. Under this framework, should the most current valuation report filed prior to May 1, 2015 show an
increase in the University’s Normal Actuarial Cost to a level above 100% of the member contribution rates specified above, the University will meet with the Union to review the applicable valuation results including support for the Normal Actuarial Cost increase. This review will include documentation prepared by the Plan’s actuary who certifies the new Normal Actuarial Cost requirements in respect of the CUPE 1334 members, including a summary of the underlying CUPE 1334 membership data used to prepare the valuation results.

Pending such certification of results by the actuary, member contribution rates will increase sufficient to fund 50% of that portion of the University’s Normal Actuarial Cost above 100% of member contributions at the time of the valuation. Under this calculation member contributions will be subject to a maximum increase of 0.5%, to be implemented effective May 1, 2015.

**Termination Benefits**

- Effective April 30, 2016 the Retirement Plan will be amended to remove the minimum termination benefit of two times (2x) the accumulated member’s required contributions for CUPE 1334
members in respect of pensionable service accrued on or after April 30, 2016.

- Effective April 30, 2016 for future pensionable service, remove all early retirement subsidies for members who terminate plan membership before age 55.

- Upon the written request of the Union, the University agrees to discuss termination benefits previously provided for under the Plan, during the first round of bargaining subsequent to the Plan reaching a funding level at which University special payments are not required.

**Contribution Holidays**

The University agrees that should the Retirement Plan reach full funding status during the term of the agreement it will not take contribution holidays, unless otherwise prescribed by legislation.
**Letter of Understanding #1 - Rescheduling Hours**

During the 2013 round of bargaining, the Union raised concerns about the ability of its members to recover hours lost for reasons of short term illness or injury. In response to these concerns, the Library made a commitment to allow employees every opportunity to make up those lost hours. Therefore, in cases where an employee is absent for reasons of illness or injury for short durations i.e. one (1) or two (2) shifts, the University will make every reasonable effort to permit the employee to make up those hours within the current pay period in which the absence falls or the following pay period. It is understood that the rescheduling of hours is not subject to premium pay. An employee refusing the hours offered shall forfeit their rights under this letter.
