

Appendix C

ASBESTOS REMOVAL NOTICE

This notice is to be **COMPLETED BY THE ASBESTOS ABATEMENT CONTRACTOR** and submitted to **EHS** with printouts and markups of relevant sections of the [HMIS INVENTORY](#).

For **LARGER ASBESTOS REMOVAL PROJECTS** (e.g., multiple floors, building wings or Type 3 Asbestos Removal), a **CONSULTANT MUST BE RETAINED to provide a CLOSE-OUT LETTER** with a listing of the quantities and locations of the asbestos-containing materials (ACM) that have been removed. Consult with EHS Health and Safety Consultant (Facility Safety) at asbestos@uoguelph.ca for further guidance.

Date(s) of Abatement Work: _____ Abatement Company: _____

U of G Contact (Contract Authority/Manager): _____
