MEMORANDUM OF AGREEMENT

BETWEEN

EXEMPT GROUP
and the
UNIVERSITY OF GUELPH

Preamble

The purpose of this agreement is:

- to recognize the Exempt Group and its relationship and standing within the University community; and,

- to provide an effective mechanism for ongoing discussion between the University and the Group with regard to terms and conditions of employment and for facilitation of communication.

1. Recognition and Membership of Exempt Group

1.1 The University Administration recognizes the Exempt Group Executive as the elected representative of the Exempt employees.

1.2 The University agrees to deduct membership dues from the pay of each Exempt employee who voluntarily agrees in writing to become a member of the Exempt Group. Member's dues are voted in by the Exempt Group membership. Within the first week of each month, the University will send to the Exempt Group, a list of all persons from whom exempt dues were deducted during the preceding month showing the amount deducted from each member, and the total deposited to a bank account established by the Exempt Group Executive. Notwithstanding the above, exempt employees are not obliged to become members of the Exempt Group. The University will also provide the Exempt Group with a list of all Exempt employees once per year.

1.3 The University will provide length of service lists by Department and College/Directorate to the Exempt Executive twice per year.

1.4 The University will continue to provide the Exempt Group with support services, including the use of the internal mail service and suitable meeting rooms at standard cost to the Exempt Group.

1.5 The Exempt Group will be allowed reasonable access to, and the use of the University's copy/duplication services, computing facilities, audio/visual equipment and office space, at standard cost.
1.6 It is understood that the following provisions for time off are subject to supervisory approval and operational requirements and will not be unreasonably withheld.

(i) The Chair of the Exempt Group will be entitled to a maximum of twenty (20) per cent release time and the two Grievance Officers will be entitled to twenty (20) per cent release time (shared between the two officers) from his/her/their regular university hours to engage in University related Exempt Group business. Such time will be paid by Central Administration. The Chair and his/her supervisor will provide the necessary documentation to Employee Relations. It is expected that Exempt Group Executive members may, when warranted, be allowed reasonable relief time from their duties to carry on Exempt Group business including grievances when necessary. It is further understood that Executive meetings are held monthly, during the lunch hours, but from time to time and Executive Member may exceed his/her normal lunch hour.

(ii) The University will grant paid release time for travel purposes for College Representatives to attend quarterly Exempt Executive meetings at the Guelph Campus. These Exempt Executive College Representatives will be reimbursed for mileage at the current University rate. Employee Relations must be notified prior to the trip to Guelph, and reimbursement will be processed through Employee Relations.

1.7 The Exempt Group excludes employees covered by Collective Agreements or subsisting bargaining relationships between the University of Guelph and other trade unions or employee associations/groups.

Exempt Group employees include individuals who utilize confidential information that could be viewed as a conflict of interest with respect to labour relations issues and individuals who are located off campus at various research centres/stations/colleges. These employees include administrative (Administrative Assistants, Administrative Secretaries, Executive Secretaries, and Secretaries to Chairs, Directors, Department Heads and to persons above those ranks), Clerical, Technical and Agricultural Staff.

1.8 Terms of this Memorandum will apply to all employees designated as Exempt. Membership will include all those classified as Exempt (regular full-time, temporary full-time and part-time employees). It is understood that “students” and grant/trust fund employees and part-time employees (whose work is of a nature (as per 1.7) not included in the Exempt Group), are not considered to be Exempt employees and are not covered by the terms of this agreement.

1.9 Notwithstanding this memorandum, Exempt Group employees shall continue to enjoy any and all rights afforded to them as non-unionized employees under provincial legislation.

1.10 The University will request names of exempt employees from the Exempt Group Executive for participation in standing and ad hoc committees where such committees are established to review changes or to formulate University policies affecting the working conditions or working environment of the exempt employees. The University will appoint representatives following such consultation.
1.11 It is further agreed that such service is in the best interest of the University and will not negatively influence performance appraisal evaluations. An Exempt employee will request from his/her supervisor anticipated time off by stating the destination, purpose and expected length of absence. Supervisors shall not unreasonably deny requests for such time off work.

1.12 The University will agree to grant up to a total of fifteen (15) working days leave of absence with pay for Exempt Group Executive Members (provided to the entire Executive; not for each individual member) to attend educational courses and to attend to University related Exempt Group duties. Such time off is subject to operational requirements and supervisory approval. Such approval shall not be unreasonably withheld. Requests for time off must be received in Employee Relations no less than five (5) working days in advance. It is understood that all costs for transportation, accommodation and tuition will be borne by the Exempt Group.

1.13 The regular full-time position occupied by a member of the Exempt Group Executive may be declared redundant. Consequently the affected employee will be subject to the redeployment, transfer and bumping provisions of Human Resource Policy 210, and it is agreed that the affected member of the Exempt Group Executive will not be “laid-off” from the University during his/her current term of office. If the Exempt Group Executive member must be laid off, such lay-off would be deferred until the end of the employee's current term of office. No other Exempt Group employee would be laid off in place of the Exempt Group Executive member.

2. **Exempt Information Provided to New and Contractually Limited Appointees**

2.1 The University agrees to provide the Exempt Group with the name and working unit of each new, reclassified or contractually limited exempt employee showing the effective date of his/her appointment to the University.

2.2 The University shall send to the Exempt Group a copy of the offer letter sent to the successful regular full-time candidates within ten (10) working days of the receipt of the appointment information in Human Resources. Every reasonable effort will be made to provide the Exempt Group with a copy of the offer letter sent to the successful temporary full-time candidates, within ten (10) working days of the receipt of the appointment information in Human Resources.

2.3 The University will agree to provide the Exempt Group with the name of any regular full-time Exempt employee on an approved leave of absence and the duration of such leave of absence, and the names of terminated regular full-time Exempt employees, monthly.

2.4 The University will agree to provide a successful candidate for a regular full-time position, with a copy of the job fact sheet for his/her newly acquired position. In the case of temporary full-time positions, where there is no job fact sheet, upon request the supervisor will supply the job fact sheet summary.
3. **Communication**

3.1 (i) The University will recognize the Exempt Executive Committee as representatives of the Exempt Group and will communicate to the Committee all matters, issues and policies that pertain to Exempt employees.

(ii) In the event the University declares a position(s) redundant or a need to lay off employees within the Exempt Group, the Manager of Employee Relations or designate will provide the Exempt Group with as much notice as reasonably possible of the proposed action(s) and no less than ten (10) working days prior to any action being taken.

(iii) Exempt employees are encouraged to seek representation through all stages of the reprimand/disciplinary process.

(iv) The Exempt Executive, through the grievance officer, will receive copy of any written disciplinary letter issued to an employee. It is understood that failure to issue a copy of such disciplinary letter does not negatively impact the University's right to take disciplinary action.

3.2 The Exempt Executive Committee and its delegates will be informed and invited to participate in meetings where the University is discussing issues that affect Exempt Group employees pursuant to this agreement, and will be allowed time off for such meetings, at no loss of pay, during regular working hours. The Exempt Group Executive Committee will be represented at these University meetings as a recognized employee group.

3.3 Where meetings of a general nature are called by the University on issues that affect the general Exempt employees, supervisors shall not unreasonably deny requests for time off from Exempt employees.

3.4 If at all possible, meetings for the Joint Committee and/or Salary and Benefits Sub-committee will be scheduled on committee members' work days.

3.5 (i) The University will attempt to notify the Exempt Group Executive of any regular full-time employees who are approved for Long Term Disability (LTD), and in the case of Workers' Compensation (WSIB), of those on WSIB for a period of greater than three (3) consecutive months.

(ii) As required, Occupational Health (OH) will provide the Exempt Group with a report of those employees off work due to sickness or injury and who are actively working with OH on a return to work plan currently or in the future.

3.6 In circumstances when it is determined that it is no longer appropriate for a regular full-time position to remain within the scope of the Exempt Group, the University will notify the Exempt Group Executive of such impending change prior to notifying the incumbent. The University will endeavour to provide the Exempt Group Executive with reasonable notice of any grievance filed by any other employee group/association claiming an exempt position as properly falling within the scope of that bargaining unit.
4. **Joint Committee**

4.1 The Joint Committee will comprise four (4) representatives from each of the following: one (1) representative from Senior Administration, one (1) representative from Senior Human Resources, one (1) representative from the Management Advisory Group and one (1) representative from management in the agriculture sector of the University; the Chair of the Exempt Executive Committee and three (3) Exempt Executive Committee representatives (one from each sub-group).

4.2 The Joint Committee shall meet once per year and/or at such times as mutually agreed upon. Agendas for Joint Committee meetings will be made available to all representatives no later than five (5) working days in advance of each meeting.

4.3 The Chair of the Joint Committee will rotate annually between the University and the Exempt Group representatives. A recording secretary will be appointed from whatever group is not chairing the Joint Committee meeting.

4.4 The Joint Committee is constituted to:

- review the Memorandum of Agreement annually;
- deal with policy issues and other concerns pertaining to Exempt Group; and,
- be empowered to establish sub-committees to deal with specific issues on an ad hoc basis.

4.5 Meetings between the Exempt Group and Employee Relations may be held as required and at times mutually agreed to by the parties, but no more than once monthly. The party requesting the meeting shall make the request in writing or via email, and at the same time indicate to the other party the agenda items they wish to discuss.

5. **Salary and Benefits**

5.1 The Exempt Executive Committee and the University will each designate four (4) representatives to sit on a Salary and Benefits Sub-committee to discuss salary and benefit issues. Meetings will be held during regular working hours. Advance notice will be sent to department heads requesting the participation of Exempt Group members in University discussions. Each sub-committee member will have time, during regular working hours to attend such meetings with the Exempt Group Executive Committee.

5.2 An employee requested by the Department Head to perform the regular duties of a position of greater responsibility and band for a period of more than ten (10) shifts shall be paid a premium of five percent (5%) of her/his basic rate of pay or the minimum of the salary band for the work which s/he is performing whichever is greater for the period during which s/he fulfils the duties of the position in the higher salary band. In cases where this is less than the minimum of the salary band for the new position, the rate of pay may range from five per cent (5%) of the employee’s current salary to the minimum of the acting salary band.
5.3 **Scholarship Plan**: A scholarship plan is available to dependent children and spouses of:
   a) regular full-time and 8, 9, 10 month continuing limited term employees;
   b) retired or deceased employees; and
   c) employees receiving long term disability payments.

The University will award scholarships for up to eight (8) semesters of undergraduate degree or associate diploma program or graduate courses at the University of Guelph and Guelph-Humber partnership courses. Scholarship payment amounts shall not exceed tuition fees for the Bachelor of Arts program. (Note: "Dependent child" is defined as a natural child, step child, adopted child or ward for whom the employee is entitled to claim an exemption under the Income Tax Act and for whom the employee provides regular support.)

Dependent children or spouses may be eligible for a scholarship only if they will be enrolled in full-time studies. The definition of "full-time" applied to this plan is that used in administering the Ontario Student Assistance Program (OSAP); that is, students registered in three (3), four (4) or five (5) courses per semester. Dependent children and spouses must qualify for a scholarship by satisfying the University's entrance requirements, either by meeting the academic standards of the program in which they are to be enrolled or possessing a minimum overall scholastic average of seventy percent (70%) upon admission, whichever is higher. Students admitted to a program who do not meet the scholarship requirement may become eligible by satisfying the academic continuation requirements of their program plus obtaining a minimum two (2) semester cumulative average of seventy percent (70%). In-course students will maintain their scholarships by satisfying the academic continuation requirements of their program.

Those dependent children who do not meet scholarship requirements may also receive financial assistance. Dependent children or spouses wishing to receive a scholarship for any semester during the academic year of August 1 to July 31 must apply to the Student Awards Section of the Registrar's Office by August 1 of that year. At the beginning of each semester, after registration has been confirmed, scholarship cheques will be sent to successful students. One hundred per cent (100%) of eligible dependent children's tuition shall be funded first and the pool of funds remaining in each semester shall be used to fund tuition for eligible spouses on an equal basis, up to a maximum of the B.A. tuition rate.

When an employee to whom this plan applies terminates employment, children eligible at the effective date of termination may receive the scholarship for an additional two (2) semesters.

5.4 **Enrichment Fund**:

The enrichment fund is renewed as follows:

- effective May 1/08 - April 30/09: $7,500;
- effective May 1/09 - April 30/10 = $8,500

with the agreement that annually (within 30 days following April 30 each year) the Exempt Group Executive provides the University (through Employee Relations) with a summary report indicating the names of employees who have received enrichment fund support, the specific purpose for which the enrichment fund amount has been used, and the amount issued to the individual employee.
The distribution of these funds will be at the sole discretion of the Exempt Group Executive. However, eligible regular full-time Exempt Employees and temporary full-time Exempt Employees who have been employed without a break in employment in excess of twenty-four (24) months, must make application to the Exempt Group Executive for consideration as to whether or not her/his request meets the criteria intended for the use of such funds.

5.5 **Safety Shoes**: Upon submission of a receipt for CSA approved safety footwear, the University shall provide once annually with no carry-over provision, a safety shoe subsidy in the amount of $150.00 for the purchase of safety shoes.

5.6 **Work Clothing for Agricultural & Technical Exempt Employees**: The current departmental practices with regard to the issuance of work clothing will continue. Seasonal issue clothing will be provided based on the activities of the work unit.

5.7 **Standby Pay**: “The University’s operational requirements are such that employees in some positions as part of their regular duties and responsibilities, may be scheduled to be on standby. The following applies to employees scheduled to standby, however those employees in receipt of a University of Guelph Housing Allowance/Subsidy are not eligible for standby pay (they remain eligible however for emergency call-in pay).

a) Employees scheduled to standby will receive $3.00 per hour that they are on standby.
b) Employees required to attend work while on standby will also be entitled to emergency call-in pay as per Human Resources policy 203.
c) When scheduled to standby, employees must be available to attend at the workplace within ½ hour of when such attendance is required.

5.8 **Shift Premiums**: Shift premiums for an employee whose work schedule falls outside of the University’s standard hours of operation shall be paid as follows:

1. Shifts starting between 1200 hours and 1800 hours shall carry a premium of fifty cents ($0.50) per hour.
2. Shifts starting between 1800 hours and 0600 hours the next day shall carry a premium of seventy-five cents ($0.75) per hour.
3. Shifts in which more than fifty per cent (50%) of the time worked falls on Saturday shall carry a premium of fifty-five cents ($0.55) per hour.
4. Shifts in which more than fifty per cent (50%) of the time worked falls on Sunday shall carry a premium of seventy-five cents ($0.75) per hour.

Shift premiums shall not apply where the time worked is paid at the overtime rate.
6. Policies Governing Exempt Group Members

6.1 (i) Current policies governing Exempt Group employees is located in the University's Human Resources Manual which is available in hard copy or electronic format.

The grievance procedure for Exempt employees is outlined below. These policies include, but are not limited to, the following:
   a) length of service;
   b) hours of work and overtime;*also see below
   c) paid holidays and vacation;
   d) redeployment, bumping, lay off policy and procedure; and
   e) leaves of absence, etc.*also see below

(ii) Grievance Procedure: It is the decision of the Exempt Group that only dues paying members are eligible to retain representation of the Exempt Group Grievance Officer to assist them during the grievance process.

Staff Grievances
This policy applies to all full-time non-teaching staff members who have completed their probationary period and who are not covered by a Collective Agreement.

Handling of Grievances
The following guidelines should be observed by all those in the University who may be called upon to respond to any employee grievances as a representative of the University. With the exception of the faculty grievance procedure, it is the responsibility of supervisors dealing with employees on the matter of grievances to discuss all grievance documents (i.e., grievance presentation forms and management replies) at all levels with Employee Relations.

Gathering facts on grievances is essential to the proper consideration and answering of grievances. Before considering any grievance, it is imperative to ensure that all the facts of the case have been ascertained. Never fail to interview the grievor to get her/his viewpoints.

Investigating a Grievance
A thorough investigation of any grievance will serve to clarify the situation. Careful notes should be made of the issues and findings and should contain such details as:
   a) date
   b) what happened
   c) who was involved
   d) where did it happen
   e) what is the issue
   f) what remedy is the grievor seeking
What is the Issue?
The supervisor should make sure they understand the nature of the grievance. Is the issue an alleged violation of:

a) the Human Resource Manual  
b) a Collective Agreement  
c) the Employment Standards Act  
d) the Human Rights Code?

A grievance might be submitted as a substitute action in an attempt to solve a problem not related, or only indirectly related, to the claim. In this case, it is important to learn the nature of the real problem. Identifying the remedy sought may assist the supervisor in determining the nature of the problem.

When Did the Matter Arise?
The question of time is highly significant in the grievance procedure. Is the complaint barred by the time limits of the Collective Agreement? Our agreements indicate time limits within which grievances must be filed and answered. The purpose is to prevent delays and ensure consideration of an issue while the facts are still clear in the minds of the participants.

Where Did the Incident Occur?
Sometimes the location of an event is essential in determining the final outcome of the grievance.

Resolution
The main purpose of a grievance procedure is to permit speedy, informal, and relatively inexpensive adjustment of differences.

1. The purpose of establishing a grievance procedure for the University's professional, supervisory and exempt staff is to create a systematic method of resolving complaints.

2. It is the policy of the University to provide methods of resolving complaints quickly and fairly.

3. Senior administrative officers of the University are available to an employee who feels aggrieved as a result of disciplinary action or as a result of some act, omission, or practice within their department affecting their terms or conditions of employment.

Procedure
Following the initial complaint step, there are four formal steps in the staff grievance procedure.

Complaint Step
This step calls for the complainant to discuss their concerns with the appropriate immediate supervisor, within fifteen (15) days after the employee would reasonably be expected to have become aware of the circumstances giving rise to the complaint, in a sincere attempt to resolve the problem. The supervisor shall be allowed ten (10) days to reply. Such discussions should resolve most concerns. The complainant is not prejudiced from pursuing the matter further in writing if not resolved at this step.
Step One
At Step One (1), the complainant must reduce their complaint to a written statement outlining the problem and indicating the corrective action sought. This statement should be presented to the complainant's supervisor within ten (10) days of the supervisor's reply at the complaint stage. Following any discussions or investigations that may be required, and within the (10) calendar days, the supervisor will reply to the grievance statement in writing, giving their analysis of the problem and decision.

Step Two
If the complainant is not satisfied with the decision of the supervisor, they may submit the complaint to the supervisor's immediate superior or department head within ten (10) days of the immediate supervisor's written reply at step one (1). Within ten (10) calendar days a decision will be given in writing to the complainant.

Step Three
If not settled at Step Two (2), the grievor may submit their alleged grievance to the Assistant Vice-President, Human Resources or designate within ten (10) days of the reply at Step Two (2). The Assistant Vice-President, Human Resources or designate shall meet with the grievor within ten (10) days of the grievance's presentation to them. They shall render a decision in writing to the grievor within ten (10) days of the above meeting.

Step Four
This is the final stage permitted by this policy. Should the complainant not be satisfied with the reply to their grievance at Step Three (3), they may, within ten (10) calendar days, present the grievance to the President of the University who may establish a University Adjudication Committee to examine and investigate the grievance and to report back to the President with advice as to the final disposition of the grievance. The Adjudication Committee shall be an ad hoc committee of three consisting of:

i) The Vice-President Academic or the Vice-President Administration.

ii) A person nominated by the grievor.

iii) A chair shall then be chosen by agreement of the Vice-President and the grievor’s nominee. In the event that the Vice-President and the grievor’s nominee cannot agree on a chair within 14 days of the submission of the grievor's complaint to the President, the President will appoint one.

The committee shall convene no later than fourteen (14) calendar days following the appointment of the chair and shall report in writing, through its chair, its advice to the President within ten (10) calendar days of having convened. The President shall give the University’s final and binding reply to the grievor within seven (7) calendar days of receiving the Adjudication Committee’s advice on the matter.
General Conditions

1. Except for discharge cases, no grievance may be lodged at Step One (1) without first having been discussed verbally by the grievor and their immediate supervisor.

2. All grievance documents and management replies must be clearly dated.

3. Grievances at Step One (1) must be presented within ten (10) calendar days of the grievor first becoming aware of the matter giving rise to the grievance.

4. The time limits specified above in relation to this grievance procedure may be extended by mutual consent of the parties.

5. Grievances related to an employee's discharge may be commenced at Step Three (3) within ten (10) calendar days of the employee being informed of their discharge.

6. The employee is allowed University resources in the preparation and presentation of their grievance (i.e. photocopying, etc.) within limits that the University considers reasonable. The employee will make arrangements with the Assistant Vice-President, Human Resources prior to availing themselves of University resources.

7. The grievance procedure is intended as a formal in-house mechanism for the resolution of grievances and is not intended to supersede any legal rights possessed by the employee. Therefore, the grievance procedure is not available to an employee who is pursuing their complaint or grievance through any Federal or Provincial board, commission or court. For purposes of this grievance procedure the use of solicitors in the proceedings is not appropriate and will not be considered.

(iii) Hours of Work: The standard work week shall normally be thirty-five/thirty-seven and one-half or forty (35/37 ½/ or 40) hours and the standard work day shall normally be seven/seven and one-half or eight (7/7 ½/8) hours. It is recognized that some Exempt Staff's hours of work may exceed 8 hours/day, for example, eleven and one-half hour (11½) shifts (however vacation, statutory holidays etc., are calculated based on an eight (8) hour day/forty (40) hour work week.) There shall be no split shifts.

(iv) Overtime: The University pays overtime to regular full-time and contractually limited support staff as follows:

1. One and one-half (1.5) times the employee's regular hourly rate for authorized work beyond an employee's normal work schedule. This includes work on a scheduled day off. If the overtime is on Sunday, the rate is two (2) times the regular hourly pay. In lieu of overtime pay an employee may request time off in the ratio of overtime. Thus, one (1) hour of pay at time and a half (.5) is equivalent to one and a half (1.5) hours off, at a time agreeable to the supervisor. Overtime pay does not apply to any other premium, i.e., a shift premium.
2. An employee called into work in an emergency outside their scheduled shift and without previous notice shall be paid at the appropriate overtime rate with a minimum of four (4) hours at time and one-half ($1\frac{1}{2}$). Any further such call-in within the same four (4) hour period shall be paid at the appropriate overtime rate for the hours worked. In the event that a portion of such four (4) hours extends into their regular shift, the employee will be paid for such portion at the overtime rate. In cases where an employee has been provided with the technology to enable them to resolve problems from home, eliminating the need to attend the workplace, they will be provided with a minimum of two (2) hours overtime at the appropriate overtime rate. Any further such calls at home within the same two (2) hour period, shall be paid at the appropriate overtime rate for the actual hours worked.

3. Overtime of less than thirty (30) minutes duration following the end of a standard work day shall not be counted towards the accumulation of overtime pay or time off.

4. For full-time employees on a four (4) day work week, the overtime rate is straight time for authorized overtime up to thirty five (35), thirty seven and one-half (37\(\frac{1}{2}\)), or forty (40) hours per week, whichever would be the normal work hours for a five (5) day work week in the same position.

5. The University pays a meal allowance of $5.00 plus tax to an employee who works over ten (10) consecutive hours, not counting time for meal breaks and rest periods, at the supervisor's request. The meal allowance applies only if there were fewer than sixteen (16) hours prior notice of working over ten (10) consecutive hours.

6. If the University schedules employees to work overtime on a previously scheduled day off, there is an overtime minimum of three (3) hours pay at the appropriate overtime rate.

**Part-Time Staff**

The University will pay overtime for part-time staff in accordance with the Employment Standards Act of Ontario, which stipulates:

"Where an employee works for an employer in excess of forty-four (44) hours in any week, s/he shall be paid overtime for each hour in excess of forty-four (44) hours at an amount not less than one and one-half (1\(\frac{1}{2}\)) times the employee's regular hourly rate of pay."

An employee may request in writing, time off in lieu of overtime pay. With the supervisor's written approval, the employee will receive one and one-half (1\(\frac{1}{2}\)) times hours of paid time off work for each hour of overtime worked. This "banked" or "lieu time" must be taken within three (3) months of the week in which the overtime was earned.
Multiple Appointments

The University is one (1) employer for individuals with more than one (1) University appointment. We must pay overtime to these employees for work beyond forty-four (44) hours in any seven (7) consecutive days. The Act provides maximum fines of $10,000.00 per violation. An employee has up to twenty-four (24) months to claim for unpaid overtime.

In paying overtime to a multiple-appointed employee, the department where the employee worked at the beginning of the forty-fifth (45th) hour pays the overtime for a pay period. Supervisors must ask employees to inform them if they also work elsewhere for the University and must co-ordinate with other departments to limit the hours worked in a week.

(v) Bereavement Leave:

Upon request, the University will grant leave with pay for up to five (5) consecutive scheduled work-days (at the time of the death) and for those employees whose schedule is other than Monday to Friday, they will receive thirty-five (35); thirty-seven and one-half (37.5) or forty (40) hours off (at the time of the death) in the event of a death in the employee's immediate family. Immediate family shall mean parent; step parent; spouse; common-law spouse (including same-sex partner); child; step-child; brother; sister; step-brother; step-sister.

Where the funeral occurs outside the province, the employee will be provided with a total of one(1) additional day for the purpose of travelling to and from the funeral (ie. 6 days maximum) in accordance with the HR manual.

Upon request, the University will grant leave with pay for up to three (3) consecutive schedule work-days (at the time of the death) and for those employees whose schedule is other than Monday to Friday, they will receive twenty-one (21); twenty-two and one-half (22.5) or twenty-four (24) hours off (at the time of the death) in the event of a death in the employee's family. Family shall mean grandparent; grandchild; mother-in-law; father-in-law; sister-in-law; brother-in-law; son-in-law; daughter-in-law; ward.

Where the funeral occurs outside the province, the employee will be provided with a total of one (1) additional day for the purpose of travelling to and from the funeral (ie. 4 days maximum) in accordance with the HR manual.

The period of three (3) or five (5) working days prescribed above must include the day of the funeral. Bereavement leave may be lengthened by use of vacation leave, Family Responsibility Time, Paid Personal Leave, or leave of absence without pay.

Time off for attendance at the funeral of a deceased employee (other than a relative as mentioned above) is allowable at the discretion of the supervisor.

An employee whose vacation is interrupted because of a bereavement as outlined above, will have the appropriate number of vacation days (5, immediate family member or 3, family member) reinstated..
(vi) **Paid Paternity Leave:**

A regular full-time employee who is a natural or adoptive father or same-sex parent is entitled to five (5) days of paid paternity leave associated with a birth or adoption. Such leave will normally be taken within thirty (30) days of the birth or adoption.

(vii) **Paid Parental Leave:**

1. **Purpose of Paid Parental Leave:**
   Paid parental leave is offered to accommodate the special needs of regular full-time University employees who bear children and who remain at home to care for children during the post-delivery and/or post-adoption period. It is expected that all employees who take paid parental leave will return to employment at the University of Guelph following such leave.

2. **Eligibility for Paid Parental Leave:**
   (a) Natural parents and adoptive parents who are regular full-time University employees having primary care of the child or children, will be eligible to receive seventeen (17) weeks of normally continuous paid parental leave, including the date of birth or adoption, per pregnancy or placement.

   (b) The employee shall give at least two (2) weeks written notice to her/his supervisor of the intent to commence paid parental leave.

   (c) Employees must apply for E.I. benefits before supplementary income from the University becomes payable. To be eligible for paid parental leave, employees must provide appropriate documentation of the birth or adoption of a child and of the receipt of E.I. maternity or parental leave benefits to the Benefits section of Human Resources. An employee disentitled or disqualified from receiving E.I. maternity or parental benefits is not eligible to receive supplementary benefits from the University. Exceptions to this rule will be made for those employees who are denied E.I. maternity or parental leave benefits only because they have not completed the six hundred (600) hours in the previous fifty-two (52) weeks of employment or since the employee's last claim required for E.I. benefit eligibility.

3. **Terms of Paid Parental Leave:**
   (a) Eligible employees will receive ninety-five percent (95%) of normal salary less applicable Employment Insurance (E.I.) maternity or parental benefits for a maximum period of seventeen (17) weeks from the commencement of the leave. An employee who receives paid parental leave benefits must not receive other earnings or payments, such that his
or her combined income (including E.I. maternity leave benefits, supplementary payments from the University and other earnings) exceeds ninety-five percent (95%) of normal weekly earnings.

(b) No employee may claim any other form of supplementary benefit during the period of leave.

(c) The employee proceeding on paid parental leave shall not forfeit any accrued employment benefits save for the right to accrue sick leave credits during the period of absence. Length of service shall continue to accrue for employees taking paid parental leave.

(d) While on paid parental leave, the employee will continue to receive University benefits on a normal cost sharing arrangement.

(e) For the purposes of promotion, any period of paid parental leave shall be considered as a period of service with the University. An employee who has taken a paid parental leave shall remain eligible for merit increases based on her/his level of performance while in full-time employment.

(f) An employee taking paid parental leave shall not be disadvantaged. S/he will return to the same or an equivalent position without loss of salary or length of service.

(g) Paid parental leave may be voluntarily shorter than the previously arranged period, providing the employee advises the University of her/his intention to return to work at least two (2) weeks prior to the intended date of return.

(h) If the Supervisor/Chair is not certain of a natural mother's physical ability to return to and perform her duties, they may request medical certification of such ability.

(viii) Unpaid Parental Leave:

1. Purpose of Unpaid Parental Leave:
   Unpaid parental leave is offered to accommodate regular full-time employees who require more time than that provided as paid parental leave to care for newborn or newly-adopted children. It is expected that all employees will return to employment at the University of Guelph following unpaid parental leave.

2. Eligibility for Unpaid Parental Leave:
   On receipt of appropriate documentation of the birth or adoption of a child, the University will grant thirty-five (35) weeks of unpaid parental leave per pregnancy or placement to all regular full-time employees. The leave will normally be continuous with the paid parental leave. It will begin no later than fifty-two (52) weeks after the child comes into parental care.

   This leave is available to both parents and, when added to the paid parental leave period, would enable the parents themselves to provide the first year of care for their child or children. Employees would contact the Employment Insurance [E.I.] office to determine their eligibility for benefits during the initial ten (10) weeks of this unpaid leave period.
3. Terms of Unpaid Parental Leave:

(a) The employee proceeding on unpaid parental leave shall not forfeit any accrued employment benefits save for the right to accrue sick leave credits during the period of absence. Length of service shall continue to accrue for employees taking unpaid parental leave.

(b) Participation in the various University employment benefit schemes may be continued while an employee is on unpaid parental leave on a normal cost-sharing arrangement.

(c) For the purposes of promotion, any period of unpaid parental leave shall be considered as a period of service with the University. An employee who has taken an unpaid parental leave shall remain eligible for merit increases based on his or her level of performance while in full-time employment.

(d) An employee taking an unpaid parental leave shall not be disadvantaged. S/he will return to the same or an equivalent position without loss of salary or length of service.

(ix) Sick-Leave:

Sick leave provides continued University income to employees who cannot perform their work due to disability or illness.

1. If illness prevents support staff who have completed the probationary period, including any extension, from performing their duties, the University will provide sufficient sick leave to continue full regular pay, without any pay premium, through, but not beyond, the required waiting period for long term disability benefits.

2. Sick leave for temporary full-time employees is as follows:
   - three (3) working days in the first three month's employment;
   - an additional ten (10) working days after three (3) months of employment;
   - thirteen (13) days sick leave - renewable on the employee's anniversary date.

3. Employees who will, after ninety (90) days, become entitled by reason of disability to receive income protection at sixty-six and two-thirds percent (66-2/3%) of their salary rate at the time of commencement of the disability, will receive an additional thirteen and one-third percent (13-1/3%) of their basic wages for up to four (4) months from the commencement of the time for which income protection payments are received or until the disability ceases, whichever is sooner.

4. If an employee cannot report to work due to illness, they are responsible for notifying their supervisor as soon as possible. For absences of over three (3) days, an employee must inform their supervisor of their intended return to work at least twenty-four (24) hours in advance.

5. For absences of five (5) days or more, an employee shall provide medical evidence verifying the illness. The University may require such evidence for shorter absences.
6. During lengthy absences an employee should inform their supervisor of their condition at least every two (2) weeks.

7. When the Workplace Safety and Insurance Act compensates an employee, the University will continue the employee’s salary up to eligibility for long term disability (or, in the case of a temporary employee, to the limit of accumulated sick leave). The employee must reimburse the University for compensation received under the Act for which the University paid full salary. When a temporary employee returns to work, the University will reinstate the sick leave used during the period payable under the Act.

8. No University employee may claim sick leave during a period of unpaid status. Unpaid status is when an employee remains on the University payroll but receives no pay.

9. Termination of employment, for whatever reason, does not entitle an employee to compensation for unused sick leave credits.

10. Supervisors must inform Human Resources of the length of sick leave of all employees granted such leave.

11. If a department anticipates that an employee on sick leave will be away from work for more than thirty (30) days, it must inform Human Resources, to allow for the timely application for disability benefits, should it become necessary.

12. When possible, employees should make medical and dental appointments outside of normal working hours. When not possible, employees may be granted two (2) hours off work without loss of sick leave. Time off after two (2) hours shall be accumulated and charged against sick leave credits.

13. If a paid holiday occurs in a period of paid sick leave, the University will record it as a paid holiday, not as a day of sick leave, provided that the employee worked one full shift in the week immediately before the holiday and one (1) full shift in the week immediately following.

(x) Paid Personal Leave:

1. Commencing January 1st of each year, each regular full-time employee shall be allowed for reasons set out in 3) below up to three (3) days paid personal leave of absence annually. Requests to access PPL are made to the supervisor who, subject to operational requirements, will approve the request. Employees paid for a 37.5 hour work week will receive 22.5 hours of PPL per year, while those paid for a 40 hour work week will receive 24 hours of PPL annually.

Temporary full-time Exempt employees who have been continuously employed in excess of thirty-six (36) months without a break in employment, will be entitled to one (1) day Paid Personal Leave (PPL).

2. PPL does not accrue from one calendar year to another.
3. (a) Such leave is to provide emergency time off without loss of pay for extraordinary or unanticipated circumstances which may arise from time to time in employee's personal lives. As soon as is reasonably possible the employee and supervisor shall review the employee's request that the time be recorded as paid personal leave. For clarity, some examples of paid personal leave for extraordinary or unanticipated circumstances would include but not be limited to:
- emergency medical requirements for immediate family.
- emergency child or eldercare arrangements.
- an emergency resulting from a natural disaster. This may include unusual or severe storm conditions.
- an emergency situation at home. This may include fire, flood, burst water heaters/pipes, broken furnace during winter months, gas leaks.
- attendance at a funeral for a person who is not specifically covered by the provisions of the memorandum of agreement.
- to extend a period of bereavement leave beyond the three or five days provided for in the memorandum of agreement.

(b) In addition, paid personal leave shall be available to observe obligatory religious holy days. For such requests it is expected that the employee will provide written notice in advance of the day(s) to be observed.

4. Employees will not be allowed to use paid personal leave of absence for purposes of extending vacations or the day prior to or the day following a paid holiday.

5. Paid Personal Leave may not be taken in units of less than one (1) hour.

6. Each department is required to maintain the record of usage of the Paid Personal Leave of Absence by individual employees. Paid Personal Leave should be reported to Payroll as leave of absence with pay when the total time off accumulates to one-half (\(\frac{1}{2}\)) day or more. Leave of absence with pay should not be reported in blocks of less than one-half (\(\frac{1}{2}\)) day.

(xi) Vacation:

i) The University will provide annually to the Exempt Group employees the additional required days off with pay during the “December/January Holidays” to coincide with the University’s closure and to provide employees with uninterrupted time off.

ii) An employee must use at least ten (10) days of her/his vacation credits during the year in which it was earned. It is further understood that carried over vacations must be used during the calendar year immediately following. In extenuating circumstances that prevents the employee from taking her/his carried over vacation, the employee’s supervisor may agree to:

(a) allow the carried over vacation to carry forward into the next vacation year;

OR

(b) cash out the carried over vacation credits
(xii) Family Responsibility Time:

The provision of family responsibility time, separate from sick leave, is intended to assist employees with balancing their family and work responsibilities. Sick leave should be used only to provide employees with income during periods of their own illness.

(i) The operational requirements of the University must be met. However, it is recognized that every effort will be required to accommodate requests for family responsibility time (FRT).

(ii) Seven (7) days at any given time of FRT will be provided to all regular full-time employees. FRT may be used in amounts not less than one (1) hour, will be requested in advance if possible, and will be granted unless precluded by operational requirements.

(iii) FRT will be available on a “borrow” basis, to be repaid by mutual agreement between employee and supervisor. FRT can be repaid by, for example, working shortened lunch breaks, starting work earlier or working late. The minimum arrangement for re-payment of FRT time must be in segments of no less than .50 hour.

(iv) Employees may draw FRT repetitively provided they do not exceed seven (7) days owing at any given time. Time owing must be cleared by March 1st of the following calendar year.

(xiii) Staff Development:

In order to foster employee self-development and to make optimum use of human resources, the following provisions relative to skills upgrading and educational opportunities are available:

1. Courses, Seminars and Conferences Taken or Attended at the Direction of the University

When an employee attends a course, seminar or conference at the request of their department, the full cost of such attendance (including course fees and such expenses as travel and accommodation) shall be borne by that department. It is the responsibility of the employee’s department head or supervisor to identify the educational opportunities available and the staff members who would most benefit in their job performance from such attendance.

2. Part-time Courses Taken on the Employee’s Own Initiative

The cost of tuition (excluding the costs of textbooks and laboratory fees) is waived for:

A. Regular full-time employees and 8-9-10 month continuing limited term employees who have completed twelve (12) months of service with the University.
B. Employees on 8-9-10 month continuing limited term positions who have transferred from a regular full-time position without a break in service of more than two (2) weeks.

C. Such waiver applies to eligible employees for any credit course offered by the University, courses offered by the Office of Open Learning, or courses offered in the University of Guelph-Humber programs, provided the employee is accepted and subject to the following conditions:

a) no more than four non-credit courses may be taken by an individual employee during any one calendar year;

b) where the quality of a non-credit course may be jeopardized by a preponderance of employee enrolment, such employee enrolment may be limited by the instructor in consultation with the Director of the Office of Open Learning;

c) normally, an individual employee may not enrol in the same non-credit course more than once in any three year period if the employee has attended less than sixty percent of such course;

d) an employee may be subject to late registration fees.

D. When possible, the courses attended should be scheduled outside the employee’s normal working hours. When this is not possible, the employee will not lose regular pay (excluding premiums) for attendance during working hours up to a maximum of three hours per week provided that:

a) if the course is available outside the employee’s working hours, the paid leave as mentioned herein will not be available to the employee, however employees may take advantage of tuition waiver provided they make arrangements with their supervisor to make up any time off work that may be required; and

b) a request for the application of tuition waiver and leave of absence must be approved by the Department Head and the Assistant Vice-President, Human Resources prior to registering for the course. Such approval will not be unreasonably withheld; and

c) such leave will be granted provided that the operating needs of the department are not prejudiced, but the University agrees to take into account the needs of the employee. In the event of conflicts between employees, such conflicts will be resolved on a seniority basis where operating requirements of the department are not a factor; and

d) the employee will inform their supervisor of their course schedule as soon as the employee is made aware of their schedule.

Procedures

1. If the courses are to be taken outside the employee’s regular work schedule, the signature of the employee’s Department Head is not required. If any portion of the course is scheduled during the employee’s regular work schedule, the signature of the Department Head will be required, along with that of the authorized signature from Human Resources.

2. When the Waiver Request Form has been completed by the employee, including the Scheduling Approval of their Chair/Department Head if required, all copies are to be submitted to Human Resources, Level 5, University Centre, for approval.
3. After retaining one copy for the employee's Human Resources file, Human Resources will return two copies to the employee's department. Of these, one copy is to be retained in the department for information while the remaining form is to be returned to the employee.

4. Human Resources will forward the remaining copies to the Bursar or the Office of Open Learning, as appropriate.

Off-Campus Courses

Where an employee wishes to take courses at institutions other than the University of Guelph and doing so will likely increase job proficiency, the financial resources of the department permitting, the employee will be reimbursed for 100% of the cost of tuition up to a maximum of $800 in any one calendar year provided that:

a) Approval for the chosen course or program must be secured in advance from the employee's Chair/Department Head and from the Assistant Vice-President, Human Resources. The nature of the program should be such that it will increase the effectiveness of the employee in their present or possible future position with the University.

b) Reimbursement is contingent upon successful completion.

c) Departments are to submit cheque requisitions together with evidence of successful completion and an invoice covering the cost of the course to Accounts Payable to reimburse the successful employee.

Full-Time Programs Leading to a Degree

An employee who wishes to undertake a program which requires full-time attendance may apply for a leave of absence without pay for a period of up to eight calendar months. Such leave shall be approved provided:

a) The application is made at least two months in advance of the commencement of the leave.

b) Prior approval of the leave is given by the Department Head who shall take into account the operating needs of the department.

c) Prior approval of the leave is given by the Assistant Vice-President, Human Resources or designate.

During the period of such leave without pay, the normal benefits cost-sharing arrangements will continue (normal pension contributions will be at the employee’s option), provided the employee continues employment following such leave for a period of no less than one year.

An employee who wishes to undertake a full-time program which will require more than eight months full-time attendance must resign from the University staff on commencement of their studies, provided that no other possible arrangements for class attendance can be devised. The University is unable to give any commitment concerning future employment either in the summer or on a permanent basis in this situation.
6.2 **Temporary Full-Time Appointments:**

(i) Where the work has been continuously performed by more than one temporary full-time employee and the work exceeds twenty-four (24) consecutive months (and is not the result of the absence of a regular full-time incumbent), then a regular full-time position will normally be posted within 3 months. This clause will not apply if the temporary full-time work is paid through a grant/trust fund.

(ii) Where the work has been continuously performed by the same temporary full-time employee and the work exceeds twenty-four (24) consecutive months (and is not the result of the absence of a regular full-time incumbent), then a regular full-time position will normally be posted within three (3) months. The temporary full time incumbent will be given first level of consideration for purposes of that particular posting. This clause will not apply if the temporary full-time work is paid through a grant/trust fund.

(iii) Temporary full-time employees who have been employed for greater than nine (9) months and who are subsequently appointed as a regular full-time employee and who are performing the same job duties as a regular full-time employee and for the same department at the same salary band, will be deemed to have completed their probationary period.

6.3 **Team Leader/Lead Hand:**

It is acknowledged that employees appointed as Team Leader or Lead Hand do not have responsibility for, nor can be delegated to hire, discipline or initiate discipline or terminate employees. The role of a Team Leader or Lead Hand is to provide functional guidance to the assigned work group. It is further acknowledged that a Team Leader or Lead Hand is not deemed to be a supervisor for purposes of the Occupational Health and Safety Act.

6.4 **Redeployment, Bumping, Layoff Policy and Procedure, Regular Full-time Staff**

**Purpose**

This policy establishes a standard practice to be followed in the event of position redundancy, bumping and lay-off.

**Definitions**

**Day**

a working day as observed by the University’s Human Resources Division.

**Regular full-time**

an employment class conferring upon its incumbents the anticipation of:

a) hours of work as normally in effect for the employee group or as outlined in the appropriate collective agreement;

b) an indeterminate term of employment or a predetermined term of employment which exceeds the time limits as specified by the collective agreement or the Employment Standards Act of Ontario.
**Temporary full-time**
an employment class conferring upon its incumbents, the anticipation of:
   a) hours of work as normally in effect for the employee group or as outlined in the appropriate collective agreement;
   b) a determinate term of employment of less than 12 months, unless otherwise specified by collective agreement;
   c) term of greater than twelve (12) months, where not covered by a collective agreement subject to the approval of Human Resources.

**Part-time**
an employment class conferring upon its incumbents the anticipation of being employed for not more than 24 hours per week averaged over a 2 week pay period. Some collective agreements may specify a lower number of hours. Such specifics are outlined in the recognition clauses of the collective agreements.

**Seniority**
the length of unbroken full-time service within a certified bargaining unit as defined by the appropriate collective agreement.

**Length of Service**
the length of unbroken full-time service with the University or years of combined OMAFRA/University Service as appropriate.

**Junior Employee**
means the employee with the least length of service/seniority within the affected salary band.

**Redundancy**
means cessation of a position(s) because of a reduction in force, lack of work, the discontinuance of a function or a facility of the University; however, "redundancy" may not result in a "lay-off".

**Lay-off**
means cessation of employment because of lack of work in an employee's salary band or the discontinuance of a function or facility of the University.

**Procedure**
Procedures for the reduction of staff have been established with a view to meeting the University's operating requirements and role as a good employer, and to minimize the loss of valuable human resources and the impact upon those individuals directly affected by staff reductions. The strength and viability of the department/college/directorate must be maintained in the interest of the University's short and long term needs. The most strenuous effort will be made to retain any employee within his/her salary band. It should be noted that this policy is not to be confused with termination for cause, and is not intended as a substitute for such terminations.
When it becomes necessary to reduce staff, such reductions will be handled in a fair and equitable manner. In order to avoid lay-offs, the deans/directors will attempt to resolve the reduction first within his/her own college/directorate and then in co-operation with other colleges or directorates. All vacant regular full-time positions (within the appropriate employee group), within a forty (40) kilometre radius of the affected regular full-time employee's present work location, will be considered for the purpose of transfer. With mutual consent, the affected regular full-time employee may be transferred to a vacant position (within the appropriate employee group and an appropriate salary band), beyond a forty (40) kilometre radius of the employee's present work location. An employee who does not agree to an identified transfer beyond a forty (40) kilometre radius and whose position is no longer required, may elect to exercise his/her length of service for the purpose of "bumping", as outlined below. For the purpose of this policy, the Woodstock Research Station is deemed to fall within a forty (40) kilometre radius of Guelph.

In any event, if budget reductions affecting staff are anticipated, the dean/director will give as much prior notice as possible to the Manager of Employee Relations.

The following process will apply for regular full-time Exempt Staff. However the exercise of length of service/seniority is limited to a forty (40) kilometre radius of his/her current work location. For the purpose of this policy, the Woodstock Research Station is deemed to fall within a forty (40) kilometre radius of Guelph.

In the event of a staff reduction, the Manager, Employee Relations will meet with the Exempt Group Executive a minimum of five (5) days in advance of advising the employee(s) who is (are) to be declared redundant. The purpose of the meeting will to provide the Exempt Executive with explanation as to why the action is necessary.

The Manager, Employee Relations (or designate) will maintain constant communication with the Exempt Group Executive as the following procedures are implemented and until such time as the employees declared redundant have been transferred, placed on layoff/recall or terminated as per the provisions of the procedure.

1. In the event of the need to reduce positions within a department, college or directorate, part-time, temporary full-time and probationary employees will be displaced from the University first, where such displacement satisfies the need for the reduction, in the order mentioned above.

2. Part-time, temporary full-time and probationary staff affected by such reduction will be terminated.

3. If the redeployment exercise has been unsuccessful, and the affected regular full-time employee elects to exercise his/her length of service/seniority, then the employee with the least length of service/seniority within the salary band affected will be displaced from his/her department. If the employee is incapable of performing the job occupied by the most junior employee, they will be assigned to the job occupied by the next most junior employee within his/her salary band, provided they are capable of performing the job.

4. The employee displaced from his/her department will be eligible, length of service/seniority permitting, to displace within his/her salary band the most junior employee working elsewhere within his/her college or directorate. If the employee is
incapable of performing the job occupied by the most junior employee, they will be assigned to the job occupied by the next most junior employee within his/her salary band, provided they are capable of performing the job.

5. The employee displaced from his/her college or directorate will be eligible, length of service/seniority permitting, to displace within his/her salary band the most junior employee working elsewhere within the University. If the employee is incapable of performing the job occupied by the most junior employee, they will be assigned to the job occupied by the next most junior employee within his/her salary band, provided they are capable of performing the job.

6. The last employee displaced (resulting from 3, 4 and 5 above), will be eligible, length of service/seniority permitting, to displace(as outlined in 3, 4 and 5 above) the most junior employee within his/her salary band and subsequently the next lower paid salary band, provided they are capable of performing the job.

7. The University will give employees who have completed their probationary period notice of impending lay-off in accord with the following scale:

<table>
<thead>
<tr>
<th>Years of Service</th>
<th>Notice Period</th>
</tr>
</thead>
<tbody>
<tr>
<td>Up to Four Years</td>
<td>One (1) Month</td>
</tr>
<tr>
<td>Four &amp; Five Years</td>
<td>Two (2) Months</td>
</tr>
<tr>
<td>Six &amp; Seven Years</td>
<td>Three (3) Months</td>
</tr>
<tr>
<td>Eight &amp; Nine Years</td>
<td>Four (4) Months</td>
</tr>
<tr>
<td>Ten to Fourteen Years</td>
<td>Five (5) Months</td>
</tr>
<tr>
<td>Fifteen or More Years</td>
<td>Six (6) Months</td>
</tr>
</tbody>
</table>

8. The period of notice shall commence from the date on which the employee and the Association, receive written notice of lay-off from the University.

9.a) Enhanced buyout

An employee whose position has been declared redundant may elect to receive an enhanced voluntary termination payment in lieu of notice within 15 days of notification equal to one (1) month of pay per year of service to a maximum of fifteen (15) months, plus one (1) week of pay for each additional year of service beyond 15 years to a maximum payment of eighteen (18) months. It is understood that should an employee elect to receive this payment, s/he relinquishes all rights under this procedure and such employee shall be considered to have terminated her/his employment with the University. This enhanced voluntary termination payment does not remain available beyond the fifteen day period.

b) An employee may elect to receive payment in lieu of notice equal to three weeks of pay per year of service to a maximum of fifty-two weeks or the maximum number of weeks remaining until normal retirement. However, it is understood that should an employee elect to receive pay in lieu of notice, they relinquish their rights to recall and such employee shall be considered to have terminated their employment with the University.
10. An employee who is placed on lay-off from the University will have recall rights for a period of 18 months, or as specified by collective agreement, commencing on the actual date of lay-off.

11. Employees who are on notice of lay-off from the University are to report to their Human Resources Consultant, Human Resources Division, so that individual resumes can be reviewed and updated.

Benefits

1. The employees notified of impending lay-off will be interviewed by the Manager, Total Compensation or designate and the Manager, Employee Relations or designate so that they may be advised of their benefits status and their rights.

2. During the period of lay-off, an employee may continue to participate in the major medical, life insurance, and dental portions of the benefits plan. Participation in the long term disability plan, and in the pension plan, will be suspended until the employee's return to work. The University will continue to contribute its normal portion of the total cost of the benefits plan for which such employee is eligible for a period of up to 4 months following the date of lay-off. Should the lay-off continue for more than 4 months, the employee may continue to participate in the benefits program provided the employee pays the total cost of the plans for which they are eligible. If the employee has not submitted payment for benefits participation by the end of the month for which the employee had benefits coverage, the employee shall be deemed to have ceased participation in the benefits program. Sick leave entitlement will be discontinued during the period of lay-off. Vacation credits shall accumulate to the end of the month during which the lay-off occurs. Outstanding accumulated vacation credits will be liquidated in accordance with normal University policy.

3. Credited service for pension purposes will not be earned during the lay-off period. (Pension contribution refunds will be made only if employment terminates.)

Recall

1. When a vacancy occurs, an employee laid off from the University will be the first eligible, length of service/seniority permitting, to fill that vacancy provided they are capable of performing the requirement of the position.

2. When a vacancy occurs within the college or directorate, an employee displaced from that college or directorate will be the first eligible, length of service/seniority permitting, to fill that vacancy provided they are capable of performing the requirements of the position.

3. Notice of recall from lay-off for any position shall be sent by registered mail to the employee's last known address. If the employee fails to report for work within seven calendar days from the notice of return to work, the individual will be deemed to have terminated their employment. It is the employee's responsibility to notify Human Resources of any changes of address.
7. **Exempt Rights and Responsibilities**

7.1 Exempt employees have the right and responsibility to participate in the affairs of the University; to help shape the environment of the University, and to support the University’s objectives through their contribution. Exempt employees have the right to be informed and consulted on matters that affect their job responsibilities and matters affecting the quality of the work environment.

7.2 The University aims to create an environment of trust and respect and believes that the right of individuals to advance their independent views openly, and constructively, in the appropriate forum, must be upheld throughout the University.

7.3 Employees who have completed their probationary period have the right to review their Human Resources file no more than once yearly. In order to do so, employees are to submit their request in writing to the Employee Relations Section of Human Resources. An appointment to review the Human Resources file will be arranged within three (3) working days of the receipt of the request or within practical limitation. An employee may request and shall be provided with a photocopy of any document of which they would normally have a copy. Requests for copies of other documents shall not be unreasonably withheld.

7.4 It shall be duty of the employee to notify the University promptly of any change in address. If an employee fails to do this, the University shall not be responsible for failure of a notice sent by registered mail to reach such employee.

7.5 The University and the Exempt Group shall work together in the interest of achieving a violence free workplace.

Workplace violence is defined as any incident in which an employee is threatened, coerced, abused or sustains physical, emotional, or psychological harm or injury in, at, or related to the workplace.

It is expected that employees or the Exempt Group on their behalf will report incidents of workplace violence to their immediate supervisor or, as appropriate, the next level of supervision (and/or, Campus Police, or designated security at the regional campuses, as specific circumstance dictate) and, as necessary, file an incident report detailing the incident including any directly related damage to property. Such reported incidents will be investigated by the University. The outcome of such investigation will be communicated to the Exempt Group.

The parties agree that information and training with respect to workplace violence is essential in promoting a safe and security conscious work environment and will work jointly to continue to enhance efforts in this regard.

8. **Performance Review Appeal Procedure**

8.1 Every regular full-time Exempt employee has the fundamental right to a full performance review annually.

8.2 Regular full-time employees who wish to appeal their performance review should first discuss the matter with their immediate supervisor.

8.3 If the employee and the immediate supervisor are unable to resolve the matter, the employee may write to her/his supervisor with a copy to her/his immediate supervisor,
and the Exempt Executive, outlining the specific reasons for the appeal. The employee, the immediate supervisor, the Exempt employee's supervisor's supervisor, and a member of the Exempt Executive, will meet to discuss the employee's performance review and the reasons for the appeal.

8.4 A Human Resources representative may be present at any such meeting at the request of any party with all the above persons in attendance and agreement.

9. **New Job Opportunities for Exempt Group Members**

9.1 Every Exempt Group employee has the right to apply to any vacancy (regular full-time or temporary full-time) for which s/he believes they are qualified for and capable to perform.

All unsuccessful applicants who receive an interview, shall be informed in writing within five (5) working days of receipt of acceptance of the written employment letter. Unsuccessful regular full-time applicants who received an interview for an Exempt regular full-time vacancy will be provided with the reasons why they were not successful, when the position was awarded to a temporary full-time employee.

9.2 The University and the Exempt Group agree that in the interests of staff development, an employee may, in the absence of the regular incumbent or when a temporary position is open, request the opportunity to assume duties other than those s/he normally performs. The employee’s department will attempt to accommodate such requests where operationally practical and in the interests of the operational requirements of the department. It is agreed that concerns arising from these requests will not be the subject of a grievance.

9.3 If appointed to a regular full-time position with no break in employment or a break of three (3) weeks or less, a temporary full-time employee may apply time worked against credited service for the purpose of vacation, sick leave, tuition waiver, service review date, paid holidays and length of service. It is understood that every regular full-time employee will serve only one (1) probationary period.

9.4 The following arrangements will govern the promotion of regular full-time Exempt employees to regular full-time Exempt positions:

(i) The successful applicant will be placed on a trial period for a period of up to four (4) calendar weeks from the date of appointment. In the event that the successful candidate proves unsatisfactory in the position during this trial period, or if the employee is unable to perform the duties of the new position, the employee shall be returned to her/his former position and wage without loss of length of service.
Any other employee promoted because of the re-arrangement of positions shall also be returned to her/his former position and wage without loss of length of service.

(ii) During the trial period noted above, the successful applicant may elect to be returned to her/his former position and wage without loss of length of service. Any other employee promoted or transferred because of the re-arrangement of position shall be returned to her/his former position and wage without loss of length of service and may not grieve such return.

9.5 **Levels of Consideration for Regular Full-time Exempt Positions:**

1. Qualified regular full-time Exempt Group employees will be considered first. If there are no qualified candidates from this first level of consideration, then;

2. Qualified temporary full-time Exempt Group employees will be considered second. If there are no qualified candidates from this second level of consideration, then;

3. Thereafter the parties agree that the hiring practice will reflect, endorse and support the tenets of the University’s Employment Equity Plan.

- All employees below level 6 and for those at Level 6 for less than 12 months as of May 1, 2008 to receive a 3% lump sum one-time payment.

- All employees above band maximum will receive a 3% lump sum one time payment.

ii) **Pension**

Conditional on the understanding that the “me-too” provision historically extended to the Exempt Group with regard to pension plan improvements, will no longer apply, the University will agree to the following:

Amend the formula for calculating pension benefits for active Exempt Group members enrolled in the Retirement Plan and the Non-Professional Plan, effective May 1, 2007, as follows:

**Retirement Plan**

Your years of pension credited services
x
(1.6% x your best average earnings up to the average YMPE)

Non-Professional Plan

Your years of pension credited service
x
(1.367% x your best average earnings up to the average YMPE)
+ (1.667% x your best average earnings in excess of the average YMPE, if any)

The cost of this improvement shall be shared equally between the University and the active Exempt Group members enrolled in the Retirement Plan and Non-Professional Plan. The employee contribution levels will be increased accordingly to fund one-half of the cost of this improvement. Prior to implementation of this improvement, the actual amount of the cost-sharing, and the method by which active Exempt Group members enrolled in the Retirement Plan and the Non-Professional Plan will provide his/her contribution, must be agreed to by the parties. Members of the Non-Professional Plan shall pay an equivalent amount equal to the amount agreed to for the Retirement Plan members.

iii) Post Retirement Benefits

For new employees hired on or after January 1, 2009, ten years of continuous service will be required at the University to be eligible for post retirement benefits upon drawing a pension from the University. For the purpose of this provision it is understood continuous service will include temporary full time appointments with breaks in service between successive appointments of 8 weeks or less. Employees on 8, 9 10 month appointments will be deemed to have continuous service.

On behalf of the On behalf of the
University of Guelph Exempt Group
UNIVERSITY OF GUELPH
EXEMPT GROUP SELF-FUNDED LEAVE

The University of Guelph is introducing a self-funded leave plan for regular full-time Exempt employees. If you are eligible, the plan gives an opportunity to fund a leave of absence by deferring a portion of your salary, which will then be paid to you at the time of the leave. In accordance with Part LXVIII of the Income Tax Regulations, Section 6801 you are entitled to defer taxes on the deferred salary until the leave period.

How It Works

Under this plan, you may apply for a leave of absence of up to 12 months. To fund this leave, a portion of your annual salary (up to thirty-three and one-third percent (33 1/3%)) would be held in an interest bearing account. At the end of a specified period, you would go on leave of absence and be paid the amount set aside in the account.

For example, you may choose to work for three (3) years at seventy-five percent (75%) of your normal salary. The remaining twenty-five percent (25%) would be deposited in an interest-bearing account. In year four (4), you would go on leave and receive the amount set aside in the previous years. (In this case, seventy-five (75%) of annual salary).

During the deferral period, you would only pay tax on the amount actually received rather than on the amount earned. In the example above, you would be taxed on seventy-five percent (75%) of salary for four (4) years rather than one hundred percent (100%) for three (3) years. This could result in less total tax on the same total salary.

Terms and Conditions

Eligibility

The plan is available to regular full-time Exempt Group employees (employee classification code B), eighteen (18) months after completing the probationary period.

Application

It is recommended that all the implications of the self-funded leave plan be fully understood before you apply. Hence, discuss the plan with someone in the Compensation and Benefits Department before applying.

An application to participate in the plan must be made in writing to your department's supervisor. It will then be forwarded to the appropriate Dean, Director or Vice-President for review. The self-funded leave will be granted only if, in the opinion of the department supervisor, the job can be adequately filled in your absence. If approved, the application will then be forwarded to the Assistant Vice-President, Human Resources for implementation.

If you are promoted or transferred to a different department during the deferral period, your continued participation in the plan is subject to the approval of your new supervisor.
Salary Deferral

The amount of salary to be deferred in any one (1) year may not exceed thirty-three and one-third percent (33-1/3%) of your annual salary. The deferred salary will be held in a separate account, in a bank or trust company chosen by the University of Guelph. Interest will be credited to your account monthly. The accumulated interest will be paid and reported to you each year during the deferral period.

The interest on this account is taxable in the calendar year it is earned and the amount must be reported by you on your personal income tax return for that year. The amount of interest earned will be reported to you and to Revenue Canada on a T5 form.

Duration of Leave

The leave must start within six (6) years of the date of the first salary deferral. The leave can be as short as three (3) consecutive months if the purpose of the leave is to permit the full-time attendance at a designated educational institution, otherwise the leave must be a minimum of six (6) consecutive months. The leave can be as long as twelve (12) months.

During the leave, you may not be employed by the University of Guelph in any capacity even if that employment is casual and unrelated to your normal duties.

Payment of the Deferred Salary

The deferred salary will be paid to you in equal monthly instalments. For example, if you have saved forty percent (40%) of your annual salary and have chosen to take a six (6) month leave, the deferred amount will be paid to you in equal instalments over six (6) months (your normal salary from the University will cease for the duration of your self-funded leave).

Return from Leave

Upon returning from your leave of absence, you have the right to return to the same or equivalent position you held prior to going on leave of absence without loss of salary or length of service.

Your vacation and sick leave balance that has accumulated before your leave will be reinstated.

Cancellation of Leave

Employees who join the plan must follow through on their commitment. However, in unforeseen or extenuating circumstances, such as a promotion or transfer to a new job, you may withdraw from the plan up to three (3) months before the date of the scheduled leave. Your department supervisor and the Assistant Vice-President, Human Resources must be informed in writing of your intention to withdraw from the plan. On leaving the plan, you will receive the amount of salary accumulated (less tax) plus any interest not already paid. Withdrawal from the plan will not prevent you from reapplying at a later date.

Should you die while participating in the plan, any balance in your account at the time of death will be paid to your estate.
Benefit Coverage

During the Salary Deferral Period

- You will continue to contribute to the Pension Plan based on your full (100%) salary.
- Income Tax and both employee and employer Canada Pension Plan contribution will be based on your reduced salary.
- Unemployment Insurance contributions will be based on your full (100%) salary.
- Life Insurance and Long Term Disability premiums and benefits will be based on your full (100%) salary and normal cost-sharing arrangements will apply.
- Major Medical and Dental Insurance premiums will be deducted, and the normal cost-sharing arrangements will apply.
- Vacation credits, sick leave and length of service will accumulate as if you are receiving 100% of salary.

During the Leave Period

- You will continue to contribute to the Pension Plan on full 100% salary.
- Income Tax and both employee and employer Canada Pension Plan contributions will be deducted from the deferred salary payments.
- Unemployment Insurance premiums will not be deducted from the deferred salary payment as the leave period is not a period of employment for purposes of Unemployment Insurance (Unemployment, Sickness, Adoption, Maternity and Parental Leave). The period of leave may hinder your eligibility for Unemployment Insurance Benefits. Please contact the Compensation and Benefits Department for further details.
- Life Insurance and Long Term Disability premiums and benefits will be based on your full (100%) salary. Normal cost-sharing arrangements will apply. If you become disabled during the leave period your sick leave payments and long term disability elimination period will commence upon the scheduled completion of your leave, assuming you are disabled at that time.
- Major Medical and Dental Insurance premiums will continue, and the normal cost-sharing arrangements will apply.
- You will remain eligible for normal salary increases based on the level of performance while in full-time employment.
- Vacation will not accumulate and cannot be used after the first month of the leave.
- Sick Leave will not accumulate after the first month of leave and cannot be used during any period of the leave.
- You will continue to receive credit of length of service.
- Length of service shall accrue during the period of leave.

Other Matters

The University intends to maintain the plan in force indefinitely, but retains the right to amend or discontinue the plan in whole or in part at any time. However, no amendments to the plan initiated by the University will reduce the benefits accruing to you if you are enrolled in the plan at the time of the amendment.

The University agrees to pay the cost for Level 1 and Level 2 certification as provided by the Worker’s Health and Safety Centre (WHSC) for representative(s) on both the Central and Local Joint Health and Safety Committees.

The Exempt Group shall be entitled to meet with representatives of the University to discuss health and safety concerns raised by members of the Local and not addressed in a timely manner at the safety committee level.

with the agreement that annually (within 30 days following April 30 each year) the Exempt Group Executive provides the University (through Employee Relations) with a summary report indicating the names of employees who have received enrichment fund support, the specific purpose for which the enrichment fund amount has been used, and the amount issued to the individual employee.

The distribution of these funds will be at the sole discretion of the Exempt Group Executive. However, eligible regular full-time Exempt Employees and temporary full-time Exempt Employees who have been employed without a break in employment in excess of twenty-four (24) months, must make application to the Exempt Group Executive for consideration as to whether or not her/his request meets the criteria intended for the use of such funds.

5.4 Staff Development Reimbursement (SDR)

In the interest of staff development, the University provides a Staff Development Reimbursement to all regular full-time and temporary full-time exempt staff (hired for greater than 18 months) who are actively employed on September 15 each year.
The amount available is as follows:

Effective May 1, 2011 - April 30, 2014: $500 per year

Eligible Expenditures:

Expenditures must relate to the staff member's work or career development activities in the form of:

a) books, manuscripts, subscriptions, equipment, software, instruments, or materials, all of which become the property of the University;
b) tuition or fees for professional training courses;
c) travel and costs for meetings or professional activities such as conferences;
d) membership dues in professional associations or learned societies;
e) scholarly assistance such as computer time;

Operation:

a) In each fiscal year the University will adjust Directorate and College budget allocations for the number of eligible Exempt staff.
b) A claim year is the fiscal year of May 1 to April 30.
c) An employee may submit only one claim per year, using a Personal Expense Claim form, authorized by their Dean or Director, to Revenue Control with original receipts.
d) If an employee has a single purchase expense that exceeds the annual SDR, they may carry it forward for reimbursement for a maximum of two further years. Employees or departments must maintain the associated carry forward records and receipts. Nevertheless, employees may not carry unspent SDR funds forward to future years. Due to the unusual delays in renewing the Memorandum of Agreement, on a without precedence or prejudice basis, SDR from 2011 may be carried over to 2012 and one claim for reimbursement of up to a $1000.00 may be made on or before April 30, 2013.
e) This should be a reimbursement, whereby employees may only make claims after paying the expenses. In special circumstances employees may elect to purchase eligible goods/services on University contracts, in which case expenses may be charged directly to the University.

Dated at Guelph this 5th day of April, 2013.
