OCCUPATIONAL HEALTH AND WELLNESS

Dear Health Care Practitioner;

The University of Guelph has a comprehensive accommodation program, which strives to provide early, safe and appropriate return to work for all employees. We value your assistance in helping us to ensure an optimal recovery of our employee and to provide an appropriate early and safe return to work program.

Please see attached a Functional Abilities Form (FAF). Please provide the employee's current abilities and your recommendations regarding work tolerance, so that the University can provide an appropriate graduated/modified return to work plan. Please provide your patient with the completed form or fax it directly to Occupational Health and Wellness (OHW) via confidential fax (519) 780-1796 or email [ohw@uoguelph.ca](mailto:ohw@uoguelph.ca).

If you have any questions, do not hesitate to contact OHW.

Thank you for your cooperation,
