b) the nature of the grievance;

c) the remedy sought;

d) the paragraph or paragraphs of this Collective Agreement allegedly violated or the alleged occurrence said to have caused the grievance.

The Member may be assisted in the presentation of the grievance by a Union representative who may be an employee of the University. Failing an immediate settlement, the supervisor’s supervisor shall deliver the decision in writing to the Member and to the Union within ten (10) days following the presentation of the grievance to her/him.
Step 2:

If not settled at Step 1, the Bargaining Unit or Union may submit the alleged grievance to the Director, Staff Relations Human Resources or designate within ten (10) days of the reply of Step 1. The Director, Staff Relations or designate shall meet with the grievor and their Union Representative within ten (10) days of the presentation of the grievance. A Representative of OSSTF may also be in attendance if requested by either Party. The Director, Staff Relations, or designate shall render her/his decision in writing to the grievor and to the Bargaining Unit President within ten (10) days of the above meeting.

Step 3:

Failing settlement of the grievance at Step 2, the Union may submit the grievance to arbitration as hereinafter provided within fifteen (15) days of the receipt of the decision at Step 2.

11.03 The Parties may agree in writing to extend any time limits specified in either the grievance or arbitration process. Where no such agreement has been made and the time limits as described have not been followed, or where an agreed extension has expired, either party may advance the grievance to the next step of the grievance procedure including arbitration. However, the grievance shall be deemed abandoned if the party having filed the grievance does not advance the grievance to arbitration within fifteen (15) days from the receipt of the decision at Step 2.

Policy Grievance

11.04 A grievance arising directly between the University and the Union (which could not normally be grieved by an individual Member) shall be initiated at Step 2. Any grievance by the University or the Union as provided herein shall be commenced within fifteen (15) days after the grieving party became aware or ought reasonably to have become aware of the circumstances giving rise to the grievance. This clause may not be used by the Union to initiate a grievance which directly affects a Member where said Member(s) could themselves have initiated a grievance pursuant to the provisions of this Article.

Group Grievances

11.05 When two (2) or more Members wish to file a grievance arising from the same alleged violation of this Collective Agreement, such grievance may be handled as a group grievance and presented to the University beginning at Step 1 of the grievance procedure.
**Grievance Mediation**

11.06 After a response issued at Step 2 of the grievance procedure, the Parties by mutual consent in writing may elect to attempt to resolve a grievance by using grievance mediation. The Parties shall agree on the individual to be the mediator and the time frame in which the resolution is to be reached.

11.07 The timelines outlined in the grievance procedure to proceed to arbitration shall be frozen while the mediation process is underway. Should mediation not resolve the grievance, the timelines to proceed to arbitration will continue as of that date.

11.08 The cost of mediation services will be jointly shared by the Parties.

**Arbitration**

11.09 No matter may be submitted to arbitration which has not been properly carried through all requisite steps of the Grievance Procedure.

11.10 When either Party to the Collective Agreement requests that a grievance be submitted for Arbitration, they shall make such a request in writing addressed to the other Party of this Collective Agreement.

11.11 The arbitration shall be heard by a sole arbitrator. However, at the request of either party in writing, the arbitration shall be heard by an arbitration panel consisting of a sides-person nominated by each party to which the nominees select the arbitrator.

11.12 Unless an arbitration panel is requested, upon receipt of the notice to proceed to arbitration, the Parties will attempt to agree upon a single arbitrator. If no agreement can be reached within fifteen (15) days, either Party may request the Ministry of Labour appoint an arbitrator.

11.13 The Arbitrator shall hear and determine the grievance as filed and her/his decision shall be final and binding on those Parties hereto and the Members.

11.14 The Arbitrator shall not make any decision inconsistent with the provisions of this Collective Agreement or deal with any matter not covered by this Collective Agreement, nor alter, modify or amend any part of this Collective Agreement.
11.15 The Parties will jointly bear the fees and expenses of the Arbitrator on an equal basis. The Parties will otherwise bear their own expense with respect to any arbitration proceedings.

11.16 The Party advancing to arbitration shall be responsible for informing any third party likely to be adversely affected:

a) of the time and place of the Arbitration;
b) of the matter to be heard at Arbitration;
c) of the right of that third party to be present and represented.

**Expedited Arbitration**

11.17 Either party may apply for expedited arbitration under Section 49 of the *Ontario Labour Relations Act 1995*.

**Article 12: Member Files**

12.01 The only recognized personnel file of a Member shall be maintained in the Human Resources Directorate, accessible only by persons in the Human Resources Directorate. The file shall be available and open to the Member for inspection in the presence of a Human Resources Representative by contacting the Human Resources Directorate and arranging an appointment. The appointment will be arranged within three (3) days of the receipt of the request or within practical limitations.

12.02 A Member shall be entitled, upon request, to copies of any materials which they would normally have a copy. Requests for copies of other documents shall not be unreasonably denied.

12.03 In the event a Member is ill, or otherwise unavailable to review their file, they may authorize, in writing, access to their file by the Bargaining Unit President, or designate, who shall be supplied, upon request, to copies of any materials which they would normally have a copy. Requests for copies of other documents shall not be unreasonably denied.

12.04 A Member shall have the right to be accompanied by a Bargaining Unit representative when reviewing his/her personnel file.
Article 13: Probationary Period:

13.01 All new Members of the University within the Bargaining Unit shall serve a probationary period of six (6) months from the date of hire.

13.02 There is no new probationary period for Members in cases of promotion, demotion, transfer, or other movement between Regular Full-Time and Continuing Limited-Term Bargaining Unit positions.

13.03 Midway through the probationary period the supervisor will give probationary Members a written progress report.

13.04 At the end of the probationary period, the Member shall be placed on the seniority list, retroactive to his/her date of hire.

13.05 The University may extend the probationary period of a probationary Member for an additional six (6) months with the agreement of the Director, Staff Relations and the Bargaining Unit. The notification of such extension will be in writing, no later than five (5) days prior to the end of the probationary period, to the Member with a copy to the Bargaining Unit President and will include the reasons for the extension.

13.06 A Member shall be informed in writing, with a copy to the Bargaining Unit President where possible, upon the successful completion of their probationary period. Normally, this notification will be sent to the Member within ten (10) days of the last day of the probationary period.

13.07 During the probationary period a Member may be terminated at any time at the sole discretion of the University. The release of a probationary Member will not be the subject of a grievance provided that such release was not discriminatory, or in bad faith.

Article 14: Seniority

14.01 Regular Full-Time Member’s bargaining unit seniority shall be defined by the length of continuous service with the University from the Member’s date of hire. All other Members (i.e.; Continuing Limited-Term Full-Time, Temporary Full-Time and Part-Time) bargaining unit seniority shall be calculated based on time worked and adjusted from date of hire with the University.

14.02 At the time more than one (1) new Member is added to the seniority list the rank order shall be determined in the following order:
a) previous service with the University in a position within the Bargaining Unit;
b) previous service with the University in a position outside of the Bargaining Unit;
c) if still tied, by lot, in a manner mutually agreed by the Parties.

14.03 A seniority list is established for Members in the Bargaining Unit. All Members who have completed probation shall be included on the seniority list. Seniority shall be calculated as Article 14.01, provided there have been no interruptions in employment. Unpaid leaves of thirty (30) calendar days or less in duration and paid leaves as are provided for under this Collective Agreement, and periods of lay-off shall be deemed as continuous service for the sole purpose of Bargaining Unit seniority.

14.04 The University agrees to maintain an up-to-date seniority list and to supply the Union with copies of such list, it being understood that the list shall not be supplied to the Union more frequently than once every six (6) months. Union officials may have access to up-to-date seniority information on an “as required” basis. Such lists shall be provided in a suitable electronic format as required by the Union.

14.05 A Member’s seniority shall be lost if s/he:

a) voluntarily leaves the employ of the University;
b) is discharged and is not reinstated through the Grievance or Arbitration Procedure;
c) is absent from work for three (3) consecutive scheduled days without notifying the University within that period, unless failure to notify is due to circumstances beyond the Member’s control;
d) without reasonable explanation, fails to return to work upon termination of an authorized leave of absence;
e) without reasonable explanation utilizes a leave of absence for purposes other than those for which the leave of absence was granted;
f) fails to return to work within seven (7) calendar days after being recalled from lay-off by notice sent by registered mail, unless such period is extended for reasons satisfactory to the University;
g) is absent due to lay-off, where such absence continues for more than twenty-four (24) months.

14.06 It shall be the duty of the Member to notify the University promptly of any change of address. If a Member fails to do this, the University shall not be responsible for failure of a notice sent by registered mail to reach such Member.

14.07 A Member who transfers to a position outside the Bargaining Unit shall retain her/his seniority accrued to the date of transfer for a period of three (3) years from the date of
leaving the unit. The Member’s name will not appear on the seniority list.

14.08 If appointed to a Regular Full-Time or Continuing Limited-Term position with no break in employment or break of three (3) weeks or less, a Continuing Limited-Term, Temporary Full-Time Member, or Part-Time Member will be credited for time worked against credited service for the purposes of vacation, sick leave, tuition waiver, service review date, paid holidays and seniority. It is understood that every Regular Full-Time Member will serve only one (1) probationary period.

14.09 A Member whose position had previously been excluded from the Bargaining Unit, but whose position is now included in the Bargaining Unit, shall be granted one (1) year of seniority for each year of continuous Full-Time employment with the University. (For clarity seniority will be calculated based on time worked and adjusted from date of hire with the University as outlined in Article 14.01).

Article 15: Hours of Work

Hours of Work – Regular Full-Time, Continuing Limited-Term and Temporary Full-Time Members

15.01 The standard work week shall normally be thirty-five/thirty-seven and one-half or forty (35/37.5/ or 40) hours and the standard work day shall normally be seven/seven and one-half or eight (7, 7.5, 8) hours. It is recognized that some Members’ hours of work may exceed eight (8) hours/day, for example, eleven and one-half hour (11.5) shifts. In such cases vacation, statutory holidays etc., are calculated based on an eight (8) hour day/forty (40) hour work week. There shall be no split shifts except where the Bargaining Unit and University formally agree, and such agreement will not be unreasonably withheld.

15.02 The regular work schedule contemplated in Article 14.01 may be varied by mutual agreement of the employing Department, the Member and the Bargaining Unit (such agreement will not be unreasonably withheld), to the extent that the total hours do not exceed seventy/seventy-five/eighty (70/75/80) hours in a pay period. It is understood that these arrangements will not result in additional payments of overtime.

Overtime – Full-Time Members:

15.03 The University pays overtime, to Full-Time Members, one and one-half (1.5) times the Member’s regular hourly rate for authorized work beyond a Member’s normal work schedule. This includes work on a scheduled day off. If the overtime is on Sunday, the rate is two (2) times the regular hourly pay. In lieu of overtime pay a Member may
request time off in the ratio of overtime. Thus, one (1) hour of pay at time and a half (0.5) is equivalent to one and a half (1.5) hours off, at a time agreeable to the supervisor. Overtime pay does not apply to any other premium, i.e., a shift premium.

15.04 The Parties recognize that an Excess Weekly Hours of Work Permit # 60036028 expiring June 1, 2015 authorizing employees to work up to sixty (60) hours in a work week, has been approved by the Ministry of Labour and is in full force and effect. Renewal applications for this permit will be mutually agreed upon by the Parties.

15.05 As a guiding principal, it is agreed that any overtime, other than an emergency situation, will first be offered to available qualified Regular Full-Time Members and/or Continuing Limited-Term Members during their work term within both the work assignment and the classification on a seniority basis. It is further recognized that off-campus worksites may have inherent operational difficulties with respect to the number of Members available for work or qualified to do the available work. For this purpose, the word "available" shall mean available to attend the workplace within a reasonable time and distance and the word "qualified" shall mean possessing the necessary skills and abilities to perform the overtime assignment in a competent manner.

Where disagreements arise related to the assignment of overtime, the Parties shall utilize the Joint Relations Committee, where necessary, to discuss and mutually agree on the implementation of overtime based upon the overtime protocol(s) established in various worksites. The Parties may utilize dispute resolution mechanisms to settle disagreements.

15.06 Overtime of less than thirty (30) minutes duration following the end of a standard work day shall not be counted towards the accumulation of overtime pay or time off.

15.07 For Regular Full-Time, Continuing Limited-Term and Temporary Full-Time Members on a four (4) day work week or other reduced workweek arrangements, the overtime rate is straight time for authorized overtime up to thirty five (35), thirty seven and one half (37.5), or forty (40) hours per week, whichever would be the normal work hours for a five (5) day work week in the same position.

15.08 The University pays a meal allowance of $10.00 plus tax to a Member who works over ten (10) consecutive hours, not counting time for meal breaks and rest periods, at the supervisor’s request. The meal allowance applies only if there were fewer than sixteen (16) hours prior notice of working over ten (10) consecutive hours.

15.09 If the University schedules Members to work overtime on a previously scheduled day off, there is an overtime minimum of three (3) hours pay at the appropriate overtime rate.
Overtime Part-Time Members:

15.10 The University will pay overtime for Part-Time Members in accordance with the Employment Standards Act of Ontario, which stipulates:

"Where an employee works for an employer in excess of forty-four (44) hours in any week, s/he shall be paid overtime for each hour in excess of forty-four (44) hours at an amount not less than one and one-half (1.5) times the employee's regular hourly rate of pay."

A Member may request in writing, time off in lieu of overtime pay. With the supervisor's written approval, the Member will receive one and one-half (1.5) times hours of paid time off work for each hour of overtime worked. This "banked" or "lieu time" must be taken within three (3) months of the week in which the overtime was earned.

Call Back Pay:

15.11 A Member called into work in an emergency outside their scheduled shift and without previous notice shall be paid at the appropriate overtime rate with a minimum of four (4) hours at time and one-half (1.5). Any further such call-in within the same four (4) hour period shall be paid at the appropriate overtime rate for the hours worked. In the event that a portion of such four (4) hours extends into their regular shift, the Member will be paid for such portion at the overtime rate. In cases where a Member has been provided with the technology to enable them to resolve problems from home, eliminating the need to attend the workplace, they will be provided with a minimum of two (2) hours overtime at the appropriate overtime rate. Any further such calls at home within the same two (2) hour period, shall be paid at the appropriate overtime rate for the actual hours worked.

Standby Pay:

15.12 The University’s operational requirements are such that Members in some positions as part of their regular duties and responsibilities may be scheduled to be on standby. The following applies to Members scheduled to standby, however those Members in receipt of a University of Guelph Housing Allowance/Subsidy are not eligible for standby pay (they remain eligible however for emergency call-back pay).

a) Members scheduled to standby will receive $3.00 per hour that they are on standby.
b) Members required to attend work while on standby will also be entitled to emergency call back pay as Article 15.11.
c) When scheduled to standby, Members must be available to attend at the workplace within thirty (30) minutes of when such attendance is required.

**Multiple Appointments:**

15.13 The University is one (1) employer for individuals with more than one (1) University appointment. The University must pay overtime to these Members for work beyond forty-four (44) hours in any seven (7) consecutive days. The Act provides maximum fines of $10,000.00 per violation. An employee has up to twenty-four (24) months to claim for unpaid overtime.

In paying overtime to a multiple-appointed Member, the Department where the Member worked at the beginning of the forty-fifth (45th) hour pays the overtime for a pay period. The Member must inform all Supervisors involved in the multiple appointments when they will be in an overtime situation and must co-ordinate with other Departments to limit the hours worked in a week.

Multiple appointments may include additional appointments within the Bargaining Unit as well as outside of the Bargaining Unit.

**Shift Premiums:**

15.14 Shift premiums for a Member whose work schedule falls outside of the University's standard hours of operation shall be paid as follows:

a) Shifts starting between 1200 hours and 1800 hours shall carry a premium of fifty cents ($0.50) per hour.

b) Shifts starting between 1800 hours and 0600 hours the next day shall carry a premium of seventy-five cents ($0.75) per hour.

c) Shifts in which more than fifty percent (50%) of the time worked falls on Saturday shall carry a premium of fifty-five cents ($0.55) per hour.

d) Shifts in which more than fifty percent (50%) of the time worked falls on Sunday shall carry a premium of seventy-five cents ($0.75) per hour.

e) Shift premiums shall not apply where the time worked is paid at the overtime rate.

**Article 16: Job Posting**

16.01 When the University decides to fill a job vacancy within the Bargaining Unit, except for Part-Time vacancies or temporary vacancies of less than twenty-six (26) weeks, such
vacancy shall be posted for ten (10) days. When there are no qualified applicants the posting may be extended for period(s) of five (5) days.

16.02 Each job posting will be posted electronically on the Human Resources website. A copy of the posting shall be emailed to the Bargaining Unit President.

16.03 Each job posting shall identify:

a) College/Directorate and/or Department;
b) Site location;
c) Band level;
d) Job title;
e) Wage band range;
f) Current number of hours of work per week;
g) Term of appointment where applicable;
h) Start date if known;
i) Requirements and qualifications of the position; and
j) Due date for such application.

16.04 Every Member has the right to apply to any vacancy for which s/he believes they are qualified for and capable to perform. A Member who wishes to apply for a posted vacancy shall submit a resume and cover letter by the due date indicated on the posting.

16.05 In filling a posted vacancy, the University shall consider, in the order indicated:

Level 1: Recalling the most senior qualified Member on the recall list;
Level 2: Qualified Regular Full-Time, Continuing Limited-Term Members, and Temporary Full-Time Members who have been in the position for over twenty-four (24) months;
Level 3: All other qualified Temporary Full-Time Members and Part-Time Members;
Level 4: External.

16.06 For the purpose of Article 16.05 (Level 1), (Level 2), and (Level 3), the University will base its selection of the successful applicant to fill a posted vacancy on the required skills, proficiency, capability, experience, and qualifications as outlined in the job posting. If the selection is to be made from two (2) or more applicants whose skills, ability, and qualifications are considered to be relatively equal, the most senior applicant will be appointed.
16.07 The University will agree to provide a successful candidate with a copy of the job fact sheet or job fact sheet summary for his/her newly acquired position.

16.08 Where a Member has been interviewed for a position, that Member shall receive a debriefing about his/her skills and interview upon request. The debriefing will take place during a scheduled meeting with the Hiring Manager. The scheduling of this meeting will not be unreasonably delayed.

16.09 The following arrangements will govern the promotion/lateral transfer of Regular Full-Time Members/Continuing Limited-Term to Regular Full-Time/Continuing Limited-Term Bargaining Unit positions:

a) The successful applicant will be placed on a trial period for a period of up to four (4) calendar weeks from the date of appointment. In the event that the successful candidate proves unsatisfactory in the position during this trial period, or if the Member is unable to perform the duties of the new position, the Member shall be returned to her/his former position and wage without loss of seniority.

Any other Member promoted/transferred laterally because of the re-arrangement of positions shall also be returned to her/his former position and wage without loss of seniority.

b) During the trial period noted above, the successful applicant may elect to be returned to her/his former position and wage without loss of seniority. Any other Member promoted or transferred because of the re-arrangement of position shall be returned to her/his former position and wage without loss of seniority and may not grieve such return.

**Article 17: Appointments**

**Continuing Limited-Term:**

17.01 Continuing Limited-Term positions are on-going Full-Time positions and should not be confused with Temporary Full-Time appointments.

17.02 Continuing Limited-Term positions normally work 35, 37.5 or 40 hours per week between six (6) and eleven (11) months per year.

17.03 Members’ requests for conversion of a Regular Full-Time position to a Continuing Limited-Term position shall submit their request in writing to their supervisor or
Department head. Approval will be based on operational requirements. Length of Service shall not be affected by this conversion but seniority shall be calculated as described in Article 14.01.

17.04 Continuing Limited-Term Members will receive, in writing, at the beginning of each term the anticipated last day of work for that term. Prior to the completion of the term, the Member will receive, in writing, the estimated date they will return to work for the start of the next term.

17.05 The seasonal lay-off period will not be significantly changed without the mutual agreement of the Member and the University. New Members hired into Continuing Limited-Term positions will be informed at the time of hire that the seasonal lay-off period may be subject to change based on operational requirements. However, every effort will be made to provide the affected Member with sufficient time to make any necessary arrangements for family responsibilities.

Temporary Full-Time:

17.06 Where the work has been continuously performed by more than one Temporary Full-Time Member and the work exceeds twenty-four (24) consecutive months (and is not the result of the absence of a Regular Full-Time incumbent), then a Regular Full-Time position will normally be posted within three (3) months.

17.07 Where the work has been continuously performed by the same Temporary Full-Time Member and the work exceeds twenty-four (24) consecutive months (and is not the result of the absence of a Regular Full-Time incumbent), then a Regular Full-Time position will normally be posted within three (3) months. The Temporary Full-Time incumbent will be given Level 2 consideration for purposes of that particular posting.

17.08 Temporary Full-Time Members who have been employed for greater than nine (9) months and who are subsequently appointed as a Regular Full-Time Member and who are performing the same job duties as they performed during the temporary appointment, for the same Department at the same wages band, may be deemed to have completed their probationary period upon submission of a rationale to the Director, Staff Relations. Such decision shall not be made unreasonably.

Team Leader/Lead Hand:

17.09 It is acknowledged that Members appointed as Team Leader or Lead Hand do not have responsibility for, nor can be delegated to hire, discipline or initiate discipline or
terminate Members. The role of a Team Leader or Lead Hand is to provide functional guidance to the assigned work group.

**Article 18: Essential Positions**

18.01 Managers and Department Heads are responsible for ensuring that the appropriate level of service(s) are continued in the workplace to ensure the health and safety of staff, students, visitors, contractors as well as the health and well-being of teaching/research animals and crops during University closures, inclement weather and civic/state emergencies.

18.02 By January 15\textsuperscript{th} of each year Managers and/or Department Heads at each work site, will identify which positions are designated as essential and submit the list to Human Resources, with a copy to the Bargaining Unit President. In cases where more than one person fills an essential position seniority will be used to determine which Members must report for work. The Parties shall agree on the designated essential positions.

18.03 Members who are required to work in an essential position when the University has closed shall be entitled to take equivalent time off with pay at a time agreeable to the University or receive straight time pay for the hours worked in addition to the Members’ regular pay, at the discretion of the Department Head.

**Article 19: Paid Holidays**

19.01 Full-Time, Continuing Limited-Term and Temporary Full-Time Members (except Continuing Term-Limited who are on seasonal lay-off when the holiday occurs), shall receive pay for the following holidays during the term of this Collective Agreement:

<table>

And any other day on which the University premises are declared closed by the President. A Member working on such a day would be paid at applicable straight time and not be entitled to premium pay as provided in Article 19.08. In such circumstance, the Member would be entitled to a lieu day at straight time.
This provision would be distinct from any closure due to hazardous weather or other emergency.

19.02

a) In each calendar year, providing fourteen (14) calendar days’ notice is given to her/his immediate supervisor, each Regular Full-Time Member shall be entitled to be granted two (2) other days as “additional paid holidays” annually. A Member working on a day being observed as an “additional paid holiday” by another Member shall not be entitled to the holiday premium contemplated in Article 19.01. An “additional paid holiday” may not be carried over for observance into a new calendar year.

b) Continuing Limited-Term and Temporary Full-Time Members additional paid holidays referenced in 19.02 (a) will be prorated based on the length of the appointment.

c) It is understood that during a Regular Full-Time and Temporary Full-Time Member’s probationary period, a Regular Full-Time and Temporary Full-Time Member shall be entitled to use only one (1) of the above mentioned “additional paid holidays”.

19.03 The University will provide annually to Regular Full-Time and Temporary Full-Time Members, the additional required days off with pay during the “December/January Holidays” period to coincide with the University’s closure and to provide uninterrupted time off. Regular Full-Time, Continuing Limited-Term and Temporary Full-Time Members (except Continuing Term-Limited who are on seasonal lay-off when the December/January holiday period occurs) who work non Monday-Friday schedules will be granted an alternate day off with pay if scheduled to work during the Holiday closure.

19.04 Holiday pay will be computed on the basis of the Member’s normal daily hours and their regular hourly rate. In the case of Members with variable daily hours of work, the Member’s average daily hours shall be calculated based on the number of hours normally worked, divided by the number of days normally worked in a week.

19.05 In order to qualify for holiday pay, the Member must work the full scheduled shifts immediately preceding and immediately following the holiday except in cases of excused illness in which case the Member shall receive holiday pay providing s/he has worked a full scheduled shift in the week immediately preceding and the week immediately following the holiday.

19.06 For Part-Time Members all paid holidays referenced in Article 19.01 will be paid in accordance with the *Employment Standards Act, 2000.*
19.07 A Regular Full-Time, Continuing Limited-Term (except Continuing Term-Limited who are on seasonal lay-off when the December/January holiday period occurs), and Temporary Full-Time Member required to work and notified of this requirement by their supervisor on one of the paid holidays identified in Article 19.01, shall be paid twice their normal pay for all hours worked. Additionally, they shall be entitled to take equivalent time off with pay at a time agreeable to the University as compensation for not being permitted to observe the paid holiday on the normal date. When such agreement cannot be reached, they shall be paid one day's pay or appropriate portion thereof in lieu of such day off. Holiday pay will be computed on the basis of seven (7), seven and one-half (7.5), or eight (8) hours, whichever is appropriate to the Member.

For Members whose regular work schedule is other than seven (7), seven and one-half (7.5), or eight (8) hours, it is understood that such Members who do not work on a paid holiday, will receive eight (8) hours straight time pay. A Member who works on a paid holiday will receive two times their normal rate for all hours worked plus an additional eight (8) hours statutory holiday pay.

19.08 With respect to Members whose work schedule in its normal course sometimes provides days off other than Saturday and Sunday, the day on which the holiday actually falls shall be the day in respect of which holiday pay is paid or a day off in lieu is granted and in respect of which the premium pay is paid for hours worked.

**Article 20: Vacation**

20.01 A Regular Full-Time, Continuing Limited-Term, Temporary Full-Time Member shall not normally be granted or scheduled for a paid vacation prior to having completed six (6) months of continuous employment.

20.02 A Regular Full-Time, Continuing Limited-Term, Temporary Full-Time Member whose services are terminated before completion of six (6) months of continuous employment shall receive four percent (4%) of wages received since employment or during the then current vacation year as appropriate, in lieu of vacation.

20.03 All Regular Full-Time, Continuing Limited-Term, Temporary Full-Time Members shall be granted vacation credits in accordance with the following scale:

The minimum arrangement for repayment of FRT time must be in segments of no less than one-half (0.5) hour.

Under these circumstances, should a Member be unable to report for work, s/he will have the option of charging her/his absence against her/his available vacation credits, floater holiday, or charging time off as absence without pay. Members are urged to make every effort to report to work during inclement weather conditions. In recognition of this effort, supervisory personnel are to use their discretion in recording latecomers who have been delayed because of the weather conditions.
21.32 From time to time, the University considers it appropriate to allow certain Members to leave work earlier than normal. 23.06 For absences of five (5) consecutive working days or more, a Member shall provide medical evidence verifying the illness to Occupational Health and Wellness. Where the University has reasonable grounds, the University may require such evidence for shorter absences.

23.07 During lengthy absences a Member should inform Occupational Health and Wellness of their condition at least every two (2) weeks.

23.08 When the Workplace Safety and Insurance Board (WSIB) compensates a Member, the University will continue the Member’s wages up to eligibility for Long-Term disability (or, in the case of a Probationary or Temporary Full-Time Members, to the limit of accumulated sick leave). The Member must reimburse the University for compensation received under the Act for which the University paid full wages. When a Probationary or Temporary Full-Time Member returns to work, the University will reinstate the sick leave during the period payable under the Act.

23.09 No Member may claim sick leave during a period of unpaid status. Unpaid status is when a Member remains on the University payroll but receives no pay.

23.10 Termination of employment, for whatever reason, does not entitle a Member to compensation for unused sick leave benefits.
23.11 Supervisors must inform Occupational Health and Wellness immediately of all Member absences due to illness or injury that are five (5) consecutive days or longer.

23.12 A period of certified illness of one (1) day or more during a period of vacation leave will be recorded as sick leave.

23.13 Medical and dental appointments should be made outside normal working hours whenever possible. When this is not possible, the Members may be granted two (2) hours off work without loss of pay. In such circumstances, the Member will attempt to schedule the appointment so as to minimize disruption to the others’ work day. Time off in excess of two (2) hours shall be paid as sick leave benefits. Members will not automatically take the entire two (2) hours off work, if attendance at the medical appointment and return to work can be completed in less time. Members are normally required to provide a minimum of forty-eight (48) hours’ notice to his/her supervisor when time off is required.

23.14 If a paid holiday occurs in a period of paid sick leave, the University will record it as a paid holiday, not as a day of sick leave.

23.15 The University will notify the Bargaining Unit within five (5) days of any Member, where possible, who has filed a WSIB claim due to a lost-time injury, and in the case of Long-Term Disability (LTD), of any Member who has been issued with an LTD application kit.

23.16 Chronic Medical Illness or Disease:

a) From time to time a Member may be diagnosed with a specific chronic medical illness or disease that results in the Member being unable to work a full work week on an ongoing basis. (For example: may be medically required due to the specific condition to be absent one (1) day per week on a weekly basis).

b) The Member shall provide medical evidence from her/his attending physician to Occupational Health and Wellness confirming that they have a chronic medical illness or disease that prevents her/him from working a full work week on a continuing basis.

c) Where the medical evidence does not support a Long-Term disability claim to cover the Member for the days that she/he cannot work due to her/his chronic illness/disease, the Member shall have up to sixty (60) paid sick days renewable annually (January 1) to cover those absent days.

d) The Member shall be required to provide medical updates on an annual basis with respect to her/his specific condition and ongoing requirement for accommodation, or when there is a change in condition.
Article 24: Staff Development

24.01 In order to foster Member self-development and to make optimum use of human resources, the following provisions relative to skills upgrading and educational opportunities are available:

24.02 Courses, Seminars and Conferences Taken or Attended at the Direction of the University:

When a Member attends a course, seminar or conference at the request of their Department, the full cost of such attendance (including course fees and such expenses as travel and accommodation) shall be borne by that Department. It is the responsibility of the Member's Department head or supervisor to identify the educational opportunities available and the Members who would most benefit in their job performance from such attendance.

24.03 Part-Time Courses Taken on the Member's Own Initiative:

The cost of tuition (excluding the costs of textbooks and laboratory fees) is waived for:

a) Regular Full-Time and Continuing Limited-Term Members who have completed twelve (12) months of service with the University.
b) Members on Continuing Limited-Term positions who have transferred from a Regular Full-Time position without a break in service of more than two (2) weeks.
c) Such waiver applies to eligible Members for any credit course offered by the University, courses offered by the Office of Open Learning and Educational Support, or courses offered in the University of Guelph-Humber programs and non-credit courses offered by the Regional Campus, provided the Member is accepted and subject to the following conditions:
   i. no more than four (4) non-credit courses may be taken by an individual Member during any one calendar year;
   ii. where the quality of a non-credit course may be jeopardized by a preponderance of Member enrolment, such Member enrolment may be limited by the instructor in consultation with the Director of the Office of Open Learning and Educational Support or Regional Campus;
   iii. normally, an individual Member may not enroll in the same non-credit course more than once in any three year period if the Member has attended less than sixty percent (60%) of such course;
   iv. a Member may be subject to late registration fees.
d) When possible, the courses attended should be scheduled outside the Member's normal working hours. When this is not possible, the Member will not lose regular
pay (excluding premiums) for attendance during working hours up to a maximum of three hours per week provided that:

i. if the course is available outside the Member's working hours, the paid leave as mentioned herein will not be available to the Member, however Members may take advantage of tuition waiver provided they make arrangements with their supervisor to make up any time off work that may be required; and

ii. a request for the application of tuition waiver and leave of absence must be approved by the Department Head and the Associate Vice-President, Human Resources prior to registering for the course. Such approval will not be unreasonably withheld; and

iii. such leave will be granted provided that the operating needs of the Department are not prejudiced, but the University agrees to take into account the needs of the Member. In the event of conflicts between Members, such conflicts will be resolved on a seniority basis where operating requirements of the Department are not a factor; and

iv. the Member will inform their supervisor of their course schedule as soon as the Member is made aware of their schedule.

Procedures

a) If the courses are to be taken outside the Member’s regular work schedule, the signature of the Member’s Department Head is not required. If any portion of the course is scheduled during the Member’s regular work schedule, the signature of the Department Head will be required, along with that of the authorized signature from Human Resources.

b) When the Waiver Request Form has been completed by the Member including the Scheduling Approval of their Chair/Department Head if required, all copies are to be submitted to Human Resources, Level 5, University Centre, for approval.

c) After retaining one (1) copy for the Member’s Human Resources file, Human Resources will return two (2) copies to the Member’s Department. Of these, one (1) copy is to be retained in the Department for information while the remaining form is to be returned to the Member.

d) Human Resources will forward the remaining copies to the Bursar or the Office of Open Learning and Educational Support or Regional Campus, as appropriate.

24.04 Off-Campus Courses:

Where a Member wishes to take courses at institutions other than the University of Guelph and doing so will likely increase job proficiency, the financial resources of the Department permitting, the Member will be reimbursed for one-hundred percent (100%) of the cost of tuition up to a maximum of eight-hundred dollars ($800) in any one
calendar year provided that:

a) Approval for the chosen course or program must be secured in advance from the Member's Chair/Department Head and from the Associate Vice-President, Human Resources. The nature of the program should be such that it will increase the effectiveness of the Member in their present or possible future position with the University.

b) Reimbursement is contingent upon successful completion.

c) Departments are to submit cheque requisitions together with evidence of successful completion and an invoice covering the cost of the course to Accounts Payable to reimburse the successful Member.

24.05 Full-Time Programs Leading to a Degree:

A Member who wishes to undertake a program which requires Full-Time attendance may apply for a leave of absence without pay for a period of up to eight (8) calendar months. Such leave shall be approved provided:

a) The application is made at least two months in advance of the commencement of the leave.

b) Prior approval of the leave is given by the Department Head who shall take into account the operating needs of the Department.

c) Prior approval of the leave is given by the Associate Vice-President, Human Resources or designate.

During the period of such leave without pay, the normal benefits cost-sharing arrangements will continue (normal pension contributions will be at the Member's option), provided the Member continues employment following such leave for a period of no less than one (1) year.

A Member who wishes to undertake a Full-Time program which will require more than eight (8) months Full-Time attendance must resign from the University on commencement of their studies, provided that no other possible arrangements for class attendance can be devised. The University is unable to give any commitment concerning future employment either in the summer or on a permanent basis in this situation.

**Article 25: Performance Development and Evaluation Procedure**

25.01 Every Member has the fundamental right to a full performance review annually.
25.02 The existing “Exempt Group Performance Review Program Guidelines, July 2000” shall be the program used by the University for performance reviews of Members, and may be modified by mutual agreement from time to time.

25.03 All performance reviews will be made in writing and signed by the Member’s supervisor or Department head.

25.04 The Member shall be given an opportunity to initial or sign the report and add comments if the Member desires. This opportunity shall occur before the performance is finalized and forwarded to Human Resources. Initials or signature indicates only that the Member has read the performance review.

25.05 An evaluation report which alleges that the Member’s performance is unsatisfactory shall outline the reasons and specific recommendations for improvement necessary to achieve satisfactory performance in the next evaluation year period.

25.06 A Member shall have the right to grieve an unsatisfactory performance review.

**Article 26: Health and Safety**

26.01 The University shall make all necessary and reasonable provision for the occupational health and safety of its employees and shall comply with the *Ontario Occupational Health and Safety Act R.S.O as amended June 2011*.

a) The Bargaining Unit will appoint or elect its representative(s) to the Central Joint Health and Safety Committee.

b) The Bargaining Unit will select its representatives to the Local Joint Health and Safety Committees.

c) Leave required during regular working hours to allow representatives to the Central and Local Health and Safety Committees to perform their duties, as committee representatives, will be without loss of pay.

d) The University recognizes and acknowledges the right of employees to be informed about hazards in the workplace, to be provided with appropriate training, and the right to refuse unsafe work consistent with the *Ontario Occupational Health and Safety Act R.S.O as amended June 2011*.

e) The University will provide (at no cost to the Members) and Members will wear, appropriate protective clothing and/or other devices, which the University deems necessary, to protect Members from workplace injury or hazard.

f) Members, whose job, as determined by the University, requires the wearing of prescription safety glasses, will be entitled, once every two years, to CSA approved
prescription safety glasses. Cost of such CSA, approved glasses shall be paid by the University. Authorization forms for purchase are provided through the Environmental Health and Safety Office.

26.02 The University agrees to pay the cost for Level 1 and Level 2 certification as provided by the Worker's Health and Safety Centre (WHSC) or by the University of Guelph for representative(s) on both the Central and Local Joint Health and Safety Committees.

26.03 The Bargaining Unit shall be entitled to meet with representatives of the University to discuss health and safety concerns raised by Members of the Bargaining Unit and not addressed in a timely manner at the Central Joint Health and Safety committee.

26.04 The University and the Bargaining Unit will recognize the International Day of Mourning, April 28th, for workers killed or injured on the job on such date officially established each year, and in recognition, develop and publish proclamation respecting the above.

26.05 Upon submission of a receipt for CSA approved safety footwear, the University shall provide once annually with no carry-over provision, a safety shoe subsidy in the amount of $180.00 for the purchase of safety shoes.

26.06 Work Clothing for Agricultural, Technical, & Research Members: The current Departmental practices with regard to the issuance of work clothing will continue. Seasonal issue clothing will be provided based on the activities of the work unit.

Where disagreements arise related to the issuance of work clothing, the Parties shall utilize the Joint Relations Committee, where necessary, to discuss and resolve these matters. The Parties may utilize dispute resolution mechanisms to settle disagreements.

26.07 Joint Return to Work Committee:

26.08 The Parties acknowledge the shared benefits to the University, the Union, and to Members of an early and safe return to work of a Member who has been absent due to WSIB Lost Time, sick leave or Long-Term disability. A return to productive pre-injury work is the ultimate goal but it may not be possible right away. Modified or restricted work activities through a return to work program can be the key to a progressive and safe return to work.
26.09 When the return to work of a Member whose injury or illness has resulted in complex or complicated return to work conditions or restrictions, there shall be a meeting between the Parties to discuss the early and/or safe return to work of the Member.

26.10 The Committee shall be comprised as follows:

   a) Up to three (3) Members from the Bargaining Unit;
   b) Up to three (3) Members from the University

26.11 It is understood that meetings of the Joint Return to Work Committee will be held during regular University working hours at no loss of pay to Committee Members.

26.12 The Parties further agree that should a disagreement arise as to whether a position is suitable for the returning Member, the Committee will utilize the WSIB Return to Work mediation process or the grievance procedure outlined in the Collective Agreement where such illness or injury is not work related.

26.13 The Committee will work to resolve case-specific return-to-work issues. Either Party to the Committee may request the assistance of the Members’ Supervisor and other resources (both internal and external) to assist them.

26.14 **Violence-Free Workplace:**

26.15 The University and the Bargaining Unit shall work together in the interest of achieving a Violence-Free workplace.

26.16 Workplace violence is defined as any incident in which a Member is threatened, coerced, abused or sustains physical, emotional, or psychological harm or injury in, at, or related to the workplace in accordance with the University’s Workplace Violence Prevention Program.

26.17 It is expected that Members or the Bargaining Unit on their behalf will report incidents of workplace violence to their immediate supervisor or, as appropriate, the next level of supervision (and/or, Campus Police, or designated security at the regional campuses, as specific circumstance dictate) and, as necessary, file an incident report detailing the incident including any directly related damage to property. Such reported incidents will be investigated by the University. The outcome of such investigation will be communicated to the Bargaining Unit.
The Parties agree that information and training with respect to workplace violence is essential in promoting a safe and security conscious work environment and will work jointly to continue to enhance efforts in this regard.

**Article 27: Redundancy**

27.01 When it becomes necessary to reduce staff, such reductions will be handled in a fair and equitable manner. In the event the University declares the need to make a position redundant or the need to lay-off Members within the bargaining unit, the Director of Staff Relations shall provide the Bargaining Unit and Member(s) with no less than twenty (20) days’ notice of the to the proposed redundancy.

27.02 The University will not declare a position redundant in order to create multiple Part-Time positions.

27.03 Where the position being declared redundant is not unique in the college, directorate or worksite, the University will draw up a list of Members occupying positions within the same wage band by the seniority date in the bargaining unit. Part-Time, Temporary Full-Time and probationary Members will be declared redundant first, where such displacement satisfies the need for the reduction. The Member with the least seniority in the affected college or directorate will receive notice of the proposed redundancy.

27.04 During the twenty (20) day notice period the University and the Bargaining Unit shall meet to discuss the following:

a) Identify and propose possible alternatives to proposed lay-offs and/or position redundancy;

b) Identify vacant positions within the bargaining unit or positions which are currently filled but which will become vacant within a six (6) month period;

c) Identify temporary acting assignments or secondments that could be performed by bargaining unit Members who have had their position declared redundant or Members who are or would otherwise be laid off.

27.05 A Member whose position has been declared redundant shall have a letter of notice issued to them outlining their options. Members must select one of the options within fifteen (15) days of receipt of their notice letter.

a) Receive an enhanced voluntary termination payment in lieu of notice equal to one (1) month of pay per year of service to a maximum of fifteen (15) months, plus one (1) week of pay for each additional year of service beyond fifteen (15) years to a
maximum payment of eighteen (18) months. It is understood that should a Member elect to receive this payment, the Member relinquishes all rights under this procedure and such Member shall be considered to have terminated her/his employment with the university. This enhanced voluntary termination payment does not remain available beyond the fifteen (15) day period; or
b) Accept a direct assignment to an equivalent vacant permanent position; or
c) Accept an available temporary assignment or secondment while maintaining consideration for primary placement in an equivalent permanent position.

27.06 Members who work in a secondment or temporary assignment shall receive their regular rate of pay for the duration of the secondment or temporary assignment.

27.07 Equivalent permanent vacancies, secondments and temporary assignments within a forty (40) kilometer radius of the affected Member’s present work location, will be considered for purposes of transfer. With mutual consent, the affected Member may be transferred to an equivalent vacant position beyond a forty (40) kilometer radius of the Member’s present work location.

27.08 A Member who refuses an offer of an equivalent permanent position, secondment or temporary assignment will be deemed to have voluntarily abandoned his or her employment at the University and shall receive three weeks per year of service to a maximum of twelve (12) months.

27.09 If no temporary or secondment assignments have been identified by the end of the twenty (20) day notice period, the University will give the identified Member notice of impending lay-off in accordance with the following scale:

- Up to four (4) years of service: one (1) month
- Four (4) & five (5) years of service: two (2) months
- Six (6) & seven (7) years of service: three (3) months
- Eight (8) & nine (9) years of service: four (4) months
- Ten (10) to Fourteen (14) years of service: five (5) months
- Fifteen (15) or more years of service: six (6) months

27.10 Notwithstanding Article 27.09, when a Member has not been able to find a new position and has not refused an offer of an equivalent permanent position, secondment or temporary assignment, the bumping procedure may be used as a last resort at the initiation of the Member.
27.11 A Member who proceeds to lay-off from the University will have recall rights for a period of twenty-four (24) months commencing on the actual date of lay-off.

27.12 **Bumping:**

   a) As a last resort, the Member may choose to bump. The exercise of seniority is limited to a forty (40) kilometer radius of his/her current work location. For the exercise of seniority the Woodstock Research station is deemed to fall within a forty (40) kilometre radius of Guelph.

   b) If the process described above has been unsuccessful, and the affected Member elects to exercise his/her seniority, then the Member with the least seniority within the wage band affected will be displaced from his/her Department. If the Member is incapable of performing the job occupied by the most junior Member, they will be assigned to the job occupied by the next most junior Member within his/her wage band, provided they are capable of performing the job.

   c) The Member displaced from his/her Department will be eligible, seniority permitting, to displace within his/her wage band the most junior Member working elsewhere within his/her college or directorate. If the Member is incapable of performing the job occupied by the most junior Member, they will be assigned to the job occupied by the next most junior Member within his/her wage band, provided they are capable of performing the job.

   d) The Member displaced from his/her college or directorate will be eligible, seniority permitting, to displace within his/her wage band the most junior Member working elsewhere within the University. If the Member is incapable of performing the job occupied by the most junior Member, they will be assigned to the job occupied by the next most junior Member within his/her wage band, provided they are capable of performing the job.

   e) The last Member displaced (resulting from b, c, and d above), will be eligible, seniority permitting, to displace (as outlined above) the most junior Member within his/her wage band and subsequently the next lower paid wage band, provided they are capable of performing the job.

27.13 Members who are on notice of lay-off from the University are to report to their Human Resources Consultant, Human Resources Directorate, so that Members’ resumes and skills portfolios can be reviewed and updated.

27.14 The Members notified of impending lay-off will meet with the Manager, Total Compensation or designate so that they may be advised of their benefits status and their rights.
27.15 During the period of lay-off, a Member may continue to participate in the major medical, life insurance, and dental portions of the benefits plan. Participation in the Long-Term disability plan, and in the pension plan, will be suspended until the Member's return to work. The University will continue to contribute its normal portion of the total cost of the benefits plan for which such Member is eligible for a period of up to 4 months following the date of lay-off. Should the lay-off continue for more than 4 months, the Member may continue to participate in the benefits program provided the Member pays the total cost of the plans for which they are eligible. If the Member has not submitted payment for benefits participation by the end of the month for which the Member had benefits coverage, the Member shall be deemed to have ceased participation in the benefits program. Sick leave entitlement will be discontinued during the period of lay-off. Vacation credits shall accumulate to the end of the month during which the lay-off occurs. Outstanding accumulated vacation credits will be liquidated in accordance with normal University policy.

27.16 Credited service for pension purposes will not be earned during the lay-off period. (Pension contribution refunds will be made only if employment terminates.)

Recall:

27.17 When a vacancy occurs, a Member laid off from the University will be the first eligible, seniority permitting, to fill that vacancy provided they are capable of performing the requirement of the position.

27.18 When a vacancy occurs within a college or directorate, the Member laid off will be the first eligible, length of service/seniority permitting, to fill that vacancy provided they are capable of performing the requirements of the position.

27.19 Notice of recall from lay-off for any position shall be sent by registered mail to the Member's last known address. If the Member fails to report for work within seven calendar days from the notice of return to work, the individual will be deemed to have terminated their employment. It is the Member's responsibility to notify Human Resources of any changes of address.

**Article 28: Compensation**

**Payment of Wages:**

28.01 Members shall be paid in accordance with the Wage Grid attached in Appendix A.
28.02 Wages for Full-Time Members are calculated on hourly rates over two (2) week periods ending on Thursday, on the assumption that normal scheduled hours are worked. This calculation is modified by the addition of premiums and the overtime earned and the deduction of unpaid absences during the immediately preceding pay period.

28.03 Payment of Full-Time wages is made every second (2\textsuperscript{nd}) Thursday of assumed earnings to and including that day modified as indicated in Article 28.01 above.

28.04 Wages for Part-Time Members are calculated on hourly rates over two (2) weeks ending on a Thursday.

28.05 Payment of Part-Time wages is made every second (2\textsuperscript{nd}) Thursday one week following worked hours.

28.06 Notification of changes in the above procedure will be given to Members and to the Bargaining Unit before being put into effect.

Incremental Adjustments:

28.07 Members will progress to their appropriate incremental level based upon Service Review Date (the length of service within their current wage band) and based upon performance as follows:

- **Level 1** – entry level
- **Level 2** – upon the completion of 6 months or the completion of probationary period
- **Level 3** – upon the completion of 12 months
- **Level 4** – upon the completion of 24 months
- **Level 5** – upon the completion of 36 months
- **Level 6** – upon the completion of 48 months
- **Level 7** – upon the completion of 60 months

28.08 On initial appointment, a new Member’s starting wage will be determined by the hiring Department in consultation with Human Resources. New Members will normally enter at Level 1. In exceptional cases, a request may be made by the hiring Department to the Associate Vice-President, Human Resources or designate, for a new Member to enter at Level 2 or 3. Any such exceptions will normally be based upon prior experience. Notwithstanding the above, in unusual circumstances a new Member may be hired above Level 3.
28.09 Adjustments to Level 2 will be made upon the successful completion of the probationary period of new Members entering at Level 1. For new Members entering above Level 1, the normal probationary increase will not apply. If a Member enters at a level greater than 1, progression to subsequent levels will be on the completion of each twelve (12) months of service.

28.10 A Member will normally be awarded one (1) incremental increase on her/his Service Review Date. In exceptional cases of superior performance a Member may be awarded two (2) incremental increases on her/his Service Review Date subject to the approval of the Associate Vice-President, Human Resources or Designate.

28.11 Adjustments made by the University under provisions 28.08, 28.09 and 28.10 shall be at the sole discretion of the University and shall not be subject to the grievance procedure.

28.12 Adjustments beyond Level 2 may be withheld on the basis of performance. In such cases, the Associate Vice-President, Human Resources or designate must be satisfied as to the validity of reasons for withholding adjustments and the Member concerned must be informed in writing with a copy to the Bargaining Unit President as to why the increase is withheld and the improvements in performance that are expected. Grievances arising out of this Article will be subject to the normal grievance procedure.

28.13 Level 7 will be the job rate to be reached normally at the completion of sixty (60) months within the wage band.

28.14 Promotion or Reclassification:

a) Members who successfully compete and are promoted to a higher wage band through the job competition process, will enter at no less than Level 2 of the new wage band and/or no higher than five percent (5%) above the Member's previous wage unless this does not put the Member on a defined level, in which case the wage will be moved to the next higher level. In unusual circumstances and with the approval of the Associate Vice President, Human Resources or designate, a Member may enter at a higher level. Any such exceptions will be based normally on prior experience.

b) When an Member's current job fact sheet is reclassified up by one (1) wage band, the following will occur:
   i. the Member's current hourly rate will be carried forward to the new wage band;
   ii. in cases where the Member's hourly rate falls between defined levels, then the hourly rate will be adjusted up to the next higher level;
iii. in cases where the Member’s hourly rate exceeds job rate of the new wage band, no adjustment will occur.

c) When a Member’s current job fact sheet is reclassified up by two (2) or more wage bands, the process outlined in a) above will occur.

28.15 Demotion:

a) In cases of disciplinary demotion, reduction in strength, or reclassification to a lower level through the Joint Job Evaluation process, a Member will retain his/her previous wage provided such wage is less than or equal to the maximum of the new wage band. It is understood that if a Member’s hourly rate falls between the defined levels in the new wage band, no adjustment to the hourly rate will occur. On the Member’s next service review date, they will be eligible to move to the next higher level if available.

b) In cases of voluntary demotion, the Member will enter the new range at a level no higher than Level 7.

28.16 If a Member has, in addition to the English language, a language facility which is a normal part of the job requirement and such facility is regularly used, a language bonus in the amount of twelve dollars ($12.00) per additional language per week will be paid. The determination of such payment will be at the sole discretion of the University. Positions at Campus d’Alfred are excluded from this provision. Those positions where the additional language requirement has been included in the job fact sheet and form part of the job evaluation rating are not eligible for this provision.

28.17 Scheduled increases to the Wage Grid (Appendix A) shall be as follows:

a) May 1, 2012 – 2%
b) May 1, 2013 – 2%
c) May 1, 2014 – 2%

28.18 Acting Pay:

28.19 A Member requested by the Department Head to perform the regular duties of a position of greater responsibility and band for a period of more than ten (10) shifts shall be paid a premium of five percent (5%) of her/his basic rate of pay or the minimum of the wage band for the work which s/he is performing whichever is greater for the period during which s/he fulfills the duties of the position in the higher wage band. In cases where this is less than the minimum of the wage band for the new position, the rate of pay may range from five percent (5%) of the Member’s current wage to the minimum of the acting wage band.
Article 29: Duration of Collective Agreement

29.01 This Collective Agreement shall continue in effect until April 30th 2015 and shall continue automatically thereafter for annual periods of one (1) year unless either party notifies in writing, not less than thirty (30) calendar days or more than sixty (60) calendar days prior to the expiration date that it desires to amend this Collective Agreement.

Appendix B:  Self-Funded Leave

The University of Guelph agrees to provide a self-funded leave plan for Regular full-time Members. If you are eligible, the plan gives an opportunity to fund a leave of absence by deferring a portion of your salary, which will then be paid to you at the time of the leave. In accordance with Part LXVIII of the Income Tax Regulations, Section 6801 you are entitled to defer taxes on the deferred salary until the leave period.

How It Works

Under this plan, you may apply for a leave of absence of up to 12 months. To fund this leave, a portion of your annual salary (up to thirty-three and one-third percent (33 1/3%)) would be held in an interest bearing account. At the end of a specified period, you would go on leave of absence and be paid the amount set aside in the account.

For example, you may choose to work for three (3) years at seventy-five percent (75%) of your normal salary. The remaining twenty-five percent (25%) would be deposited in an interest-bearing account. In year four (4), you would go on leave and receive the amount set aside in the previous years. (In this case, seventy-five (75%) of annual salary).

During the deferral period, you would only pay tax on the amount actually received rather than on the amount earned. In the example above, you would be taxed on seventy-five percent (75%) of salary for four (4) years rather than one hundred percent (100%) for three (3) years. This could result in less total tax on the same total salary.

Terms and Conditions

Eligibility

The plan is available to regular full-time Members of the Bargaining Unit (employee classification code B), eighteen (18) months after completing the probationary period.

Application

It is recommended that all the implications of the self-funded leave plan be fully understood before you apply. Hence, discuss the plan with someone in the Compensation and Benefits Department before applying.

An application to participate in the plan must be made in writing to your department's supervisor. It will then be forwarded to the appropriate Dean, Director or Vice-President for review. The self-funded leave will be granted only if, in the opinion of the department supervisor, the job can
be adequately filled in your absence. If approved, the application will then be forwarded to the Associate Vice-President, Human Resources for implementation.

If you are promoted or transferred to a different department during the deferral period, your continued participation in the plan is subject to the approval of your new supervisor.

**Salary Deferral**

The amount of salary to be deferred in any one (1) year may not exceed thirty-three and one-third percent (33-1/3%) of your annual salary. The deferred salary will be held in a separate account, in a bank or trust company chosen by the University of Guelph. Interest will be credited to your account monthly. The accumulated interest will be paid and reported to you each year during the deferral period.

The interest on this account is taxable in the calendar year it is earned and the amount must be reported by you on your personal income tax return for that year. The amount of interest earned will be reported to you and to Revenue Canada on a T5 form.

**Duration of Leave**

The leave must start within six (6) years of the date of the first salary deferral. The leave can be as short as three (3) consecutive months if the purpose of the leave is to permit the full-time attendance at a designated educational institution, otherwise the leave must be a minimum of six (6) consecutive months. The leave can be as long as twelve (12) months.

During the leave, you may not be employed by the University of Guelph in any capacity even if that employment is casual and unrelated to your normal duties.

**Payment of the Deferred Salary**

The deferred salary will be paid to you in equal monthly instalments. For example, if you have saved forty percent (40%) of your annual salary and have chosen to take a six (6) month leave, the deferred amount will be paid to you in equal instalments over six (6) months (your normal salary from the University will cease for the duration of your self-funded leave).

**Return from Leave**

Upon returning from your leave of absence, you have the right to return to the same or equivalent position you held prior to going on leave of absence without loss of salary or length of service.
Your vacation and sick leave balance that has accumulated before your leave will be reinstated.

**Cancellation of Leave**

Members who join the plan must follow through on their commitment. However, in unforeseen or extenuating circumstances, such as a promotion or transfer to a new job, you may withdraw from the plan up to three (3) months before the date of the scheduled leave. Your department supervisor and the Associate Vice-President, Human Resources must be informed in writing of your intention to withdraw from the plan. On leaving the plan, you will receive the amount of salary accumulated (less tax) plus any interest not already paid. Withdrawal from the plan will not prevent you from reapplying at a later date.

Should you die while participating in the plan, any balance in your account at the time of death will be paid to your estate.

**Benefit Coverage**

**During the Salary Deferral Period**

- You will continue to contribute to the Pension Plan based on your full (100%) salary.
- Income Tax and both employee and employer Canada Pension Plan contribution will be based on your reduced salary.
- Unemployment Insurance contributions will be based on your full (100%) salary.
- Life Insurance and Long Term Disability premiums and benefits will be based on your full (100%) salary and normal cost-sharing arrangements will apply.
- Major Medical and Dental Insurance premiums will be deducted, and the normal cost-sharing arrangements will apply.
- Vacation credits, sick leave and length of service will accumulate as if you are receiving 100% of salary.

**During the Leave Period**

- You will continue to contribute to the Pension Plan on full 100% salary.
- Income Tax and both employee and employer Canada Pension Plan contributions will be deducted from the deferred salary payments.
- Unemployment Insurance premiums will not be deducted from the deferred salary payment as the leave period is not a period of employment for purposes of Unemployment Insurance (Unemployment, Sickness, Adoption, Maternity and Parental Leave). The period of leave may hinder your eligibility for Unemployment Insurance Benefits. Please contact the Compensation and Benefits Department for further details.
- Life Insurance and Long Term Disability premiums and benefits will be based on your full (100%) salary. Normal cost-sharing arrangements will apply. If you become disabled during the leave period your sick leave payments and long term disability elimination period will commence upon the scheduled completion of your leave, assuming you are disabled at that time.
- Major Medical and Dental Insurance premiums will continue, and the normal cost-sharing arrangements will apply.
- You will remain eligible for normal salary increases based on the level of performance while in full-time employment.
- Vacation will not accumulate and cannot be used after the first month of the leave.
- Sick Leave will not accumulate after the first month of leave and cannot be used during any period of the leave.
- You will continue to receive credit of length of service.
- Seniority shall accrue during the period of leave.

Other Matters

The University intends to maintain the plan in force indefinitely, but retains the right to amend or discontinue the plan in whole or in part at any time. However, no amendments to the plan initiated by the University will reduce the benefits accruing to you if you are enrolled in the plan at the time of the amendment.

Memorandum of Understanding #1: Job Evaluation

The Parties agree that a job evaluation system and tools designed to evaluate the positions within the OSSTF/TARA Bargaining Unit would be beneficial to the University and the Members of the bargaining unit.

The Parties agree to form a Job Evaluation Review Committee comprised of six (6) Members; three (3) selected by the University and three (3) selected by the Union. Both Parties can be assisted by an external resource at their own expense. The committee will review the current program and tools and modify the program to measure the job requirements of the bargaining unit. Decision will be made by consensus. Terms of reference, a timeline and project plan will be developed at the first committee meeting. The Parties agree to commence meeting within one hundred and twenty (120) days of finalizing language changes to the Collective Agreement.

Job Evaluation for new positions, vacant positions, reclassification requests and appeals will continue under the current job evaluation program and transition over the new program when it has been finalized and tested.

CURRENT UNIVERSITY OF GUELPH - OSSTF/TARA GROUP JOB EVALUATION COMMITTEE

MANDATE

Reporting to the OSSTF/TARA Job Evaluation Steering Committee, the mandate of the Job Evaluation Committee is to evaluate the jobs according to the gender neutral comparison system used by the OSSTF/TARA Job Evaluation Committee for the purpose of Pay Equity. Jobs which are within the Committee’s mandate to evaluate are those jobs which are described as University of Guelph OSSTF/TARA Group. This shall include review of all Regular Full-Time positions, Continuing Limited-Term and Temporary Full-Time positions of greater than one (1) year duration.

CONDUCT

Members of the Job Evaluation Committee will be responsible for ensuring the confidentiality and integrity of the job evaluation process. Deliberations by the Committee are to be held confidential and all Members are expected to stand behind the Committee decision. Members shall not use their particular knowledge to their own advantage or the advantage of anyone else.

In addition, when submitting a job fact sheet for review the Department and/or College and/or Directorate should outline the ‘significant’ changes in the duties of the submitted job.
COMPOSITION

The Committee shall be comprised of three (3) OSSTF/TARA Members and three (3) University Representatives. The Committee will not have Members of either the OSSTF/TARA Executive Committee or the Human Resources Professional Managerial Staff acting as representatives in the job evaluation process.

There shall also be a provision to add three (3) alternate Members from each of the two (2) respective Parties. The alternates will receive the appropriate job evaluation training and will be available to attend Committee meetings in the event that one (1), or more, of the representatives is unavailable.

Members are to be appointed for a two (2) year term. Members are selected by the OSSTF/TARA Executive and Human Resources jointly. One (1) OSSTF/TARA Member and one (1) University representative from the Committee will turn over each year. Membership will vary during the initial three (3) years of the existence of the Committee.

The Committee will be responsible for appointing a Chair from its Members as well as a recording secretary (the appointment of Chair and Secretary may be done on a rotating basis).

PROCESS

It is expected that all Members of the Committee will attend scheduled meetings. It will be the responsibility of the Human Resources Directorate to schedule meetings according to volume and the urgency of the outstanding workload. The Job Evaluation Coordinator will act as an ex-officio non-voting Member who acts as a resource person to and coordinator for the committee. Decisions of the Job Evaluation Committee will be by consensus and no decisions will be made unless quorum is present.

A quorum will consist of four (4) Members, two (2) from each party. In the event that the Job Evaluation Committee is unable to achieve consensus, the issue will be resolved by the Job Evaluation Steering Committee.

Should additional information or clarification be necessary it will be collected from the OSSTF/TARA Member and/or her/his Supervisor. The Committee as a whole shall have access to the Member and/or her/his Supervisor(s) for the purpose of interviews.
Either party shall have the right to have the assistance of non-committee representatives but such persons shall not act as Members of the Committee. Further, only with the consensus of the Committee, may such a representative attend a Job Evaluation Committee meeting.

After review by the Steering Committee, the Human Resources Directorate shall be responsible for communicating the results of the job evaluation to the Member and to her/his Department. The information will include whether or not there was a change in the band placement, (up or down), and a brief statement describing how each factor was evaluated.

ATTENDANCE AT MEETINGS

The University will permit all Committee Members to attend all agreed upon meetings and training and educational sessions during working hours with no loss of pay. If at all possible, meetings for the committee will be scheduled on committee Members’ work days.

e) To design appeal and reclassification procedures and to deal with any other issues that may arise regarding job evaluation.

f) To review the results of the OSSTF/TARA Job Evaluation Committee decisions and recommend classifications and re-classifications to the University and to refer back to the OSSTF/TARA Job Evaluation Committee anomalies for clarification.

g) To bring questions or concerns to the OSSTF/TARA Executive, when necessary.

PROCESS

The Human Resources Directorate will provide training and education of all Steering Committee Members.

The Committee will reach decisions by consensus and all deliberations are to remain confidential within the committee. Where there is evidence of inappropriate conduct including a breach of confidentiality by any Steering Committee or Job Evaluation Committee Member and the matter is brought to the attention of the Steering Committee the matter will be reviewed and if found to be accurate and true will result in remedial action. Such remedial action could be:

- removal from the committee
- cannot sit on either of these committees in the future

The Committee shall meet as required to review the results of the Job Evaluation Committee and to endorse and to recommend to the University the classification of the new positions as well as reclassification of existing positions, to question and refer anomalies to the Job Evaluation Committee for explanation and to advise the respect to the Pay Equity Plan.
