   • ensure there is a H&S committee or rep, as required
   • appoint a competent person as supervisor
   • take every precaution reasonable in the circumstances for the protection of the worker

The supervisor must:
   • take every precaution reasonable in the circumstances for the protection of the worker
   • advise a worker of the existence of any potential or actual danger to the health or safety of the worker
   • ensure that workers follow required safety procedures

The Worker must:
   • work in compliance with the provisions of the Act and Regulations
   • use safety equipment, protective devices or clothing that the employer requires
   • report to employer or supervisor any hazard of which they know
• not use of operate any equipment or work in a manner than may endanger themselves or others

Role of Health and Safety Committees (JHSC)
  ▪ act as watchdogs over the safety programs
  ▪ worker members conduct monthly inspections
  ▪ make recommendations to management
  ▪ may investigate critical incidents
  ▪ be present at the start of hygiene testing
  ▪ participate in work refusals

Procedure for resolving health and safety concerns
  • inform your supervisor of any safety concerns or deficiencies
  • if not satisfied can call EHS or contact a JHSC rep

Work refusals (See handout from EHS)
