

The Roy C. Anderson Memorial Lecture In Parasitology

COLLEGE OF BIOLOGICAL SCIENCE

presents

Dr. Richard K. Grencis

Professor of Immunology, Faculty of Life Sciences,
The University of Manchester,
Manchester, United Kingdom

“Immunity to Gastrointestinal Nematodes: Microflora, Macrofauna and Beyond”

Tuesday, November 15th 2011

3:00 pm

Room 1714, OVC Learning Centre

Professor Grencis was awarded the “Wright Medal” in 2001 by the British Society of Parasitology for outstanding contributions to Parasitology. He holds the Chair in Immunology at the University of Manchester. His other current significant contributions include serving on several Medical Research Council committees in the UK, Co-Editor-in-Chief of “Parasite Immunology”, Associate Editor of “Mucosal Immunology” and membership on several editorial boards.

**All are invited to an informal reception for Dr. Richard K. Grencis at
2:30 pm, November 15th in the foyer, OVC Learning Centre.**

This annual lecture is open to students, faculty, staff and the general public. It is co-sponsored by the College of Biological Science, Mrs. P. Anderson, and Roy's former students, friends and colleagues.

**More information on Dr. Grencis' visit can be obtained from
