

Department of Integrative Biology  
**DR. ERIKA GAERTNER SCHOLARSHIP IN BOTANY**

---

*Established to encourage young scientists passionate about botany. Selection will be based on the highest combined average of any two of the BOT courses. In the event of a tie, the student with the highest average in the last academic semester will be selected. No application required.*

*Students registered in the Biodiversity major of the BSc program in The College of Biological Science who have completed between 14.0 and 17.0 credits.*

<b>Year</b>	<b>Recipient</b>
