**ELGIN CARD TERRESTRIAL SCHOLARSHIP IN
TERRESTRIAL ANIMAL ECOLOGY (CBS)**

The Ontario Waterfowl Research Foundation provides an award of \$4,000, to students in a graduate program in the college. The applicant must have a high academic standing and demonstrated interest in the area of terrestrial zoology. The scholarship may not be held in conjunction with any external awards that provide the student with \$10,000 per year or more. Apply to the Chair of Integrative Biology by September 30.

Year Awarded	Name
