Additional Notes for OUPFB Applicants

- If you intend to apply for more than one field course, each application requires a separate application package and \$350.00 deposit cheque.
- Where applicable, we encourage you to list multiple options you are interested in to increase your chances of getting a spot in a field course.
- Your deposit cheque will only be cashed IF you are accepted into a course. If you are accepted into the course but later change your mind, your deposit may not be refunded unless we are able to find a replacement student. If you must withdraw for medical or other compassionate circumstances, with documentation, a refund will be considered in such a case.
- Acceptance decisions will be made by the end of February.
- For accepted students, you will need to pay the balance of the course fee to the University of Guelph according to instructions provided by the course instructor or field course coordinator.
- Students will be refunded the full course cost if a field course is cancelled by the host institution. Students will not receive transportation cost due to a cancellation and are strongly advised to have travel insurance.
