MITACS Global Links Research Abroad for Canadian Students

Mitacs is now accepting applications for competitive international research opportunities, including student travel to and from Canada. The deadline to apply is March 31, at 5 p.m. PST.

Projects last 12–24 weeks and are open to graduate students. Select destinations are also open to senior undergraduates. Funding varies by destination.

Students in Canada can do research in: [1]

- Brazil
- China
- France
  - At French universities or Inria Research Centres
- India
- Korea
- Mexico
- Tunisia

Graduate students in Canada can also apply for the Globalink Partnership Award [2], which supports research projects abroad with industry partners in any country except the United States. Applicants are encouraged to apply by June 9, 2017, for travel in Fall 2017.

Graduate students can do research in Canada from: [3]

- Inria Research Centres
