

## TLIF Proposal Form: Classroom Innovations & Research

---

The Lang Transformational Learning Initiatives Fund (TLIF) seeks to annually support projects that enrich the learning experience of our students and is focused on supporting discipline-specific teaching and learning practice in business and economics education.

Applications should be written in accessible plain language and include:

- Detailed responses to proposal questions (see below)
- A teaching philosophy statement (1 page maximum)
- Letter of Support from your Chair/Director/Dean

- 1. Principal Applicant's Name**
- 2. Names of Other Applicants (if any)**
- 3. Department/School**
- 4. Title of Proposal**
- 5. Amount of \$ Requested from TLIF**
- 6. Has this proposal received funding from any other sources? (e.g. Learning Enhancement Fund). If Yes, please identify from which sources, and how much has been received.**
- 7. Please provide a brief description/abstract of the project, that would be suitable for circulation if funded (Approximately 100 words).**
- 8. Describe the project's rationale, objectives, methods, and potential impact. Please explain how it will develop teaching and learning within the School and support the experience of students. (max 500 words)**
- 9. How will the objectives be measured; what does success in this project look like?**
- 10. Please provide a work plan and a timeline for the project.**
- 11. Please provide an overview of the budget for your project, including:**
  - a. Itemize proposed expenses and explain them.**
  - b. Indicate which aspects of the proposal would be funded by TLIF and which from other sources.**
  - c. Itemize other sources of funding (if any).**

*Please remember to include your teaching philosophy statement and a letter of support for from your Chair/Director.*
