

TLIF Proposal Form: Professional Development

The Lang Transformational Learning Initiatives Fund (TLIF) seeks to annually support projects that enrich the learning experience of our students and is focused on supporting discipline-specific teaching and learning practice in business and economics education.

Applications should be written in accessible plain language and include:

- Detailed responses to proposal questions (see below)
- A teaching philosophy statement
- Letter of Support from your Chair/Director/Dean

- 1. Applicant Name**
- 2. Department/School**
- 3. Amount of funding requested from TLIF**
- 4. What is the professional development opportunity you wish to attend and when is it? (e.g. name of conference or workshop)**
- 5. Please provide a brief description of the opportunity as it relates to teaching and learning development.**
- 6. Please explain how this participating in this opportunity will develop teaching and learning within the School and support the experience of students**
- 7. What are some changes to your own teaching and learning practices you hope to explore as a result of this opportunity?**
