

MATH*1030 Business Mathematics

Summer 2024

Section: DE01

Department of Mathematics and Statistics

Credit Weight: 0.50

Course Details

Calendar Description

Primarily intended for business and economics students, this course is designed to introduce and reinforce the essential mathematical skills needed to understand, analyze, and solve mathematical problems related to business and economics. Topics covered include basic algebra; functions, including a review of exponential and logarithmic functions; sequences and series with financial applications; limits; continuity; and differential calculus including derivatives, higher order derivatives, and curve sketching.

Pre-Requisite(s): 4U Advanced Functions

Co-Requisite(s): None

Restriction(s): MATH*1080, MATH*1200. Not available to students registered in the BSc program.

Method of Delivery: Distance Education (asynchronous online)

Take Home Final Exam

Release Date and Time: Tuesday, August 6, 2024 at 10:00 am ET

Submission Due Date and Time: Friday, August 9, 2024 by 10:00 pm ET

Location: Take-home final exam to be submitted via the **Dropbox** tool in CourseLink

Learning Outcomes

Course Learning Outcomes

This course is designed for students interested in the application of mathematics in a business setting. Some of the topics covered include: the role of mathematics in business decisions; a review of basic algebra; methods of solving equations; sequences, series, and limits, and their application to finance; an introduction to derivatives and integrals; and systems of linear equations.

By the end of this course, you should be able to:

1. Use basic algebra to simplify and manipulate algebraic equations;

2. Describe and manipulate elementary functions, including logarithmic functions, exponential functions, and linear, quadratic, and higher order polynomials;
 3. Sketch, identify, and interpret a wide variety of graphs;
 4. Construct and solve systems of linear equations derived from worded descriptions;
 5. Interpret the meaning of a limit, and be able to calculate limits involving simple functions and sequences;
 6. Describe the differences between sequences and series, and use formulas resulting from finite and infinite series to solve problems involving payments, deposits, and interest rates;
 7. Explain the geometric and practical meanings of a derivative, find derivatives of functions, and use derivatives to solve optimization problems; and
 8. Apply the mathematical methods covered in the course to solve real-world problems in finance, business, and economics.
-

Teaching and Learning Activities

Course Structure

This course is divided into 12 units of study:

- Unit 01: Review of Algebra
- Unit 02: Linear Equations
- Unit 03: Quadratic and Higher Order Polynomial Equations
- Unit 04: Exponentials and Logarithms
- Unit 05: Systems of Linear Equations
- Unit 06: Sequences
- Unit 07: Series
- Unit 08: Applications to Finance
- Unit 09: Limits and Continuity
- Unit 10: Derivatives
- Unit 11: Curve Sketching
- Unit 12: Optimization

Schedule

It is strongly recommended that you follow the course schedule provided below. The schedule outlines what you should be working on each week of the course and lists the important due dates for the assessments. By following the schedule, you will be better prepared to complete the assessments and succeed in this course.

Unit 01: Review of Algebra

Week 1 - Thursday, May 9 to Sunday, May 19

Readings

- CourseLink: Unit 01 Notes

Activities

- Familiarize yourself with the course website by selecting **Start Here** on the navbar.
- Review **Outline** and **Assessments** on the course website to learn about course expectations, assessments, and due dates.
- Complete Unit 01 Exercises

Unit 02: Linear Equations

Week 2 - Monday, May 20 to Sunday, May 26

Readings

- CourseLink: Unit 02 Notes

Activities

- Complete Unit 02 Exercises

Assessments

- **Quiz 1** (Unit 01)
Opens: Thursday, May 23 at 12:00 pm ET
Closes: Sunday, May 26 at 11:59 pm ET

Unit 03: Quadratic and Higher Order Polynomial Equations

Week 3 – Monday, May 27 to Sunday, June 2

Readings

- CourseLink: Unit 03 Notes

Activities

- Complete Unit 03 Exercises

Assessments

- **Quiz 2** (Unit 02)
Opens: Thursday, May 30 at 12:00 pm ET
Closes: Sunday, June 2 at 11:59 pm ET

Unit 04: Exponentials and Logarithms

Week 4 – Monday, June 3 to Sunday, June 9

Readings

- CourseLink: Unit 04 Notes

Activities

- Complete Unit 04 Exercises

Assessments

- **Quiz 3** (Unit 03)
Opens: Thursday, June 6 at 12:00 pm ET
Closes: Sunday, June 9 at 11:59 pm ET

Unit 05: Systems of Linear Equations

Week 5 – Monday, June 10 to Sunday, June 16

Readings

- CourseLink: Unit 05 Notes

Activities

- Complete Unit 05 Exercises

Assessments

- **Quiz 4** (Unit 04)
Opens: Thursday, June 13 at 12:00 pm ET
Closes: Sunday, June 16 at 11:59 pm ET

Unit 06: Sequences

Week 6 – Monday, June 17 to Sunday, June 23

Readings

- CourseLink: Unit 06 Notes

Activities

- Complete Unit 06 Exercises

Assessments

- **Quiz 5** (Unit 05)
Opens: Thursday, June 20 at 12:00 pm ET
Closes: Sunday, June 23 at 11:59 pm ET

Unit 07: Series

Week 7 – Monday, June 24 to Sunday, June 30

Readings

- CourseLink: Unit 07 Notes

Activities

- Complete Unit 07 Exercises

Assessments

- **Quiz 6** (Unit 06)
Opens: Thursday, June 27 at 12:00 pm ET
Closes: Sunday, June 30 at 11:59 pm ET

Unit 08: Applications to Finance

Week 8 – Monday, July 1 to Sunday, July 7

Readings

- CourseLink: Unit 08 Notes

Activities

- Complete Unit 08 Exercises

Assessments

- **Quiz 7** (Unit 07)
Opens: Thursday, July 4 at 12:00 pm ET
Closes: Sunday, July 7 at 11:59 pm ET

Unit 09: Limits and Continuity

Week 9 – Monday, July 8 to Sunday, July 14

Readings

- CourseLink: Unit 09 Notes

Activities

- Complete Unit 09 Exercises

Assessments

- **Quiz 8** (Unit 08)
Opens: Thursday, July 11 at 12:00 pm ET
Closes: Sunday, July 14 at 11:59 pm ET

Unit 10: Derivatives

Week 10 – Monday, July 15 to Sunday, July 21

Readings

- CourseLink: Unit 10 Notes

Activities

- Complete Unit 10 Exercises

Assessments

- **Quiz 09** (Unit 09)
Opens: Thursday, July 18 at 12:00 pm ET
Closes: Sunday, July 21 at 11:59 pm ET

Unit 11: Curve Sketching

Week 11 – Monday, July 22 to Sunday, July 28

Readings

- CourseLink: Unit 11 Notes

Activities

- Complete Unit 11 Exercises

Assessments

- **Quiz 10** (Unit 10)
Opens: Thursday, July 25 at 12:00 pm ET
Closes: Sunday, July 28 at 11:59 pm ET

Unit 12: Optimization

Week 12 – Monday, July 29 to Friday, August 2

Readings

- CourseLink: Unit 12 Notes

Activities

- Complete Unit 12 Exercises

Assessments

The grade determination for this course is indicated in the following table. A brief description of each assessment is provided below. Select **Content** on the navbar to locate **Assessments** in the table of contents panel to review further details of each assessment. Due dates can be found under the Schedule heading of this outline.

Table 1: Course Assessments

Assessment Item	Weight
Quizzes (Best 9 out of 10)	50%
Final Exam	50%
Total	100%

Assessment Descriptions

Quizzes

There will be 10 online quizzes occurring in weeks 2–11.

Final Exam

This course requires you to submit a take-home final exam to the **Dropbox** tool in CourseLink. Select **Content** on the navbar to locate **Assessments** in the table of contents panel to review further details of the final exam.

Note: You must achieve a passing grade in the Final Examination in order to pass this course. If your Final Examination grade is below 50% it will be your final grade in this course. For example, if you get 43% on the Final Examination, you will get 43% in this course – no matter how well you do in your quizzes.

Course Technology Requirements and Technical Support

CourseLink System Requirements

You are responsible for ensuring that your computer system meets the necessary [system requirements](#). Use the [browser check](#) tool to ensure your browser settings are compatible and up to date. (Results will be displayed in a new browser window).

<https://opened.uoguelph.ca/student-resources/system-and-software-requirements>

<https://courselink.uoguelph.ca/d2l/systemCheck>

Zoom Connection Requirements

This course will use Zoom as a video communication tool for office hours. A webcam, a microphone, and headphones/speakers may be needed.

Technical Skills

As part of your online experience, you are expected to use a variety of technology as part of your learning:

- Manage files and folders on your computer (e.g., save, name, copy, backup, rename, delete, and check properties);
- Install software, security, and virus protection;
- Use office applications (e.g., Word, PowerPoint, Excel, or similar) to create documents;
- Be comfortable uploading and downloading saved files;
- Communicate using email (e.g., create, receive, reply, print, send, download, and open attachments);
- Navigate the CourseLink learning environment and use the essential tools, such as **Quizzes**, **Discussions**, and **Grades** (the instructions for this are given in your course);
- Access, navigate, and search the Internet using a web browser (e.g., Firefox, Internet Explorer); and
- Perform online research using various search engines (e.g., Google) and library databases.

Technical Support

If you need any assistance with the software tools or the CourseLink website, contact CourseLink Support.

Course Specific Standard Statements

Acceptable Use

The University of Guelph has an [Acceptable Use Policy](https://www.uoguelph.ca/ccs/infosec/aup), which you are expected to adhere to.

<https://www.uoguelph.ca/ccs/infosec/aup>

Communicating with Your Instructor

During the course, your instructor will interact with you on various course matters on the course website using the following ways of communication:

- **Announcements:** The instructor will use **Announcements** on the Course Home page to provide you with course reminders and updates. Please check this section frequently for course updates from your instructor.
- **Ask Your Instructor Discussion:** Use this discussion forum to ask questions of your instructor about content or course-related issues with which you are unfamiliar. If you encounter difficulties, the instructor is here to help you. Please post general course-related questions to the discussion forum so that all students have an opportunity to review the response. To access this discussion forum, select **Discussions** from the **Tools** dropdown menu.
- **Email:** If you have a conflict that prevents you from completing course requirements, or have a question concerning a personal matter, you can send your instructor a private message by email. The instructor will respond to your email within 72 hours.
- **Online meeting:** If you have a complex question you would like to discuss with your instructor, you may book an online meeting. Online meetings depend on the availability of you and the instructor, and are booked on a first come first served basis.

Netiquette Expectations

For distance education courses, the course website is considered the classroom and the same protections, expectations, guidelines, and regulations used in face-to-face settings apply, plus other policies and considerations that come into play specifically because these courses are online.

Inappropriate online behaviour will not be tolerated. Examples of inappropriate online behaviour include:

- Posting inflammatory messages about your instructor or fellow students;
- Using obscene or offensive language online;
- Copying or presenting someone else's work as your own;

- Adapting information from the Internet without using proper citations or references;
- Buying or selling term papers or assignments;
- Posting or selling course materials to course notes websites;
- Having someone else complete your quiz or completing a quiz for/with another student;
- Stating false claims about lost quiz answers or other assignment submissions;
- Threatening or harassing a student or instructor online;
- Discriminating against fellow students, instructors, and/or TAs;
- Using the course website to promote profit-driven products or services;
- Attempting to compromise the security or functionality of the learning management system;
- Sharing your username and password; and
- Recording lectures without the permission of the instructor.

Late Policy

Extensions will be considered for medical reasons or other extenuating circumstances. If you require an extension, discuss this with the instructor as soon as possible and well before the due date. Barring exceptional circumstances, extensions will not be granted once the due date has passed. These rules are not designed to be arbitrary, nor are they inflexible. They are designed to keep you organized, to ensure that all students have the same amount of time to work on assignments, and to help to return marked materials to you in the shortest possible time.

Obtaining Grades and Feedback

Unofficial assessment marks will be available in the **Grades** tool of the course website.

Your instructor will have grades posted online within 2 weeks of the submission deadline, if the assignment was submitted on time. Once your assignments are marked you can view your grades on the course website by selecting **Grades** from the **Tools** dropdown menu on the navbar. Your course will remain open to you for seven days following the last day of the final exam period.

University of Guelph degree students can access their final grade by logging into [WebAdvisor](#) (using your U of G central ID). Open Learning program students should log in to the [OpenEd Student Portal](#) to view their final grade (using the same username and password you have been using for your courses).

<https://www.uoguelph.ca/webadvisor>

<https://courses.opened.uoguelph.ca/portal/logon.do?method=load>

Rights and Responsibilities When Learning Online

For distance education (DE) courses, the course website is considered the classroom and the same protections, expectations, guidelines, and regulations used in face-to-face settings apply, plus other policies and considerations that come into play specifically because these courses are online.

For more information on your rights and responsibilities when learning in the online environment, visit [Rights and Responsibilities](#).

<http://opened.uoguelph.ca/student-resources/rights-and-responsibilities>

University Standard Statements

Academic Integrity

The University of Guelph is committed to upholding the highest standards of academic integrity and it is the responsibility of all members of the University community – faculty, staff, and students – to be aware of what constitutes academic misconduct and to do as much as possible to prevent academic offences from occurring. University of Guelph students have the responsibility of abiding by the University's policy on academic misconduct regardless of their location of study; faculty, staff and students have the responsibility of supporting an environment that discourages misconduct. Students need to remain aware that instructors have access to and the right to use electronic and other means of detection.

Please note: Whether or not a student intended to commit academic misconduct is not relevant for a finding of guilt. Hurried or careless submission of assignments does not excuse students from responsibility for verifying the academic integrity of their work before submitting it. Students who are in any doubt as to whether an action on their part could be construed as an academic offence should consult with a faculty member or faculty advisor.

The [Academic Misconduct Policy](#) is outlined in the Undergraduate Calendar.

Accessibility

The University promotes the full participation of students who experience disabilities in their academic programs. To that end, the provision of academic accommodation is a shared responsibility between the University and the student.

When accommodations are needed, the student is required to first register with Student Accessibility Services (SAS). Documentation to substantiate the existence of a disability is required, however, interim accommodations may be possible while that process is underway.

Accommodations are available for both permanent and temporary disabilities. It should be noted that common illnesses such as a cold or the flu do not constitute a disability.

Use of the SAS Exam Centre requires students to make a booking at least 10 business days in advance, and no later than the first business day in November, March or July as appropriate for the semester. Similarly, new or changed accommodations for online quizzes, tests and exams must be approved at least a week ahead of time.

More information: www.uoquelpg.ca/sas.

Accommodation of Religious Obligations

If you are unable to meet an in-course requirement due to religious obligations, please email the course instructor within two weeks of the start of the semester to make alternate arrangements.

See the Academic calendar for information on regulations and procedures for [Academic Accommodation of Religious Obligations](#).

Copies of Out-Of-Class Assignments

Keep paper and/or other reliable back-up copies of all out-of-class assignments: you may be asked to resubmit work at any time.

Drop Date

Courses that are one semester long must be dropped by the end of the last day of classes; two-semester courses must be dropped by the last day of classes in the second semester. The regulations and procedures for [Dropping Courses](#) are available in the Undergraduate Calendar.

Email Communication

As per university regulations, all students are required to check their <uoguelph.ca> e-mail account regularly: e-mail is the official route of communication between the University and its students.

Health and Wellbeing

The University of Guelph provides a wide range of health and wellbeing services at the [Vaccarino Centre for Student Wellness](#). If you are concerned about your mental health and not sure where to start, connect with a [Student Wellness Navigator](#) who can help develop a plan to manage and support your mental health or check out our [mental wellbeing resources](#). The Student Wellness team are here to help and welcome the opportunity to connect with you.

Illness

Medical notes will not normally be required for singular instances of academic consideration, although students may be required to provide supporting documentation for multiple missed assessments or when involving a large part of a course (e.g., final exam or major assignment).

Recording of Materials

Presentations which are made in relation to course work—including lectures—cannot be recorded or copied without the permission of the presenter, whether the instructor, a classmate or guest lecturer. Material recorded with permission is restricted to use for that course unless further permission is granted.

Resources

The [Academic Calendars](#) are the source of information about the University of Guelph's procedures, policies and regulations which apply to undergraduate, graduate and diploma programs.

When You Cannot Meet a Course Requirement

When you find yourself unable to meet an in-course requirement because of illness or compassionate reasons, please advise the course instructor (or designated person, such as a teaching assistant) in writing, with your name, id#, and e-mail contact. See the Undergraduate Calendar for information on regulations and procedures for [Academic Consideration](#).
