

**Congratulations to Perrin Baker who received the 2010 Pharmacia
Microbiology Graduate Scholarship Award.**

This \$500 scholarship is made annually to the graduate student enrolled in the Microbiology Program who is judged to have presented the best poster at a scientific meeting during the academic year. Perrin is currently working towards his Ph.D.

Perrin is pictured accepting his award from MCB chair Chris Whitfield (above left) and with his supervisor, Stephen Seah (above) on Nov. 29, 2010.
