

College of Biological Science ONGOING SAFETY TRAINING RECORD: PART B

**PROCEDURE:** This form must be completed for all individuals working in laboratories (i.e., employees, students, visiting scientists, volunteers engaged in research, and teaching assistants). The safety training record is to be updated on an ongoing basis as new training is provided. Training activities may be delegated to a qualified individual, however, the supervisor ultimately is responsible and must ensure that this record is updated. The form must be filed in a binder marked "Safety" and housed in a visible location in the lab.
