Irene Heinz Given Professor of Immunology and Infectious Diseases,
Harvard T. H. Chan School of Public Health
and
Professor of Medicine,
Dana-Farber Cancer Institute and Harvard Medical School

Topic: The gut microbiota, immunity, and cancer

Wendy Garrett is the Irene Heinz Given Professor of Immunology and Infectious Diseases at the Harvard T. H. Chan School of Public Health and a Professor of Medicine at Dana-Farber Cancer Institute and Harvard Medical School.

She is co-director and co-founder of the Harvard Chan Microbiome in Public Health Center and co-director of the Harvard Graduate Program in Immunology. She is a practicing medical oncologist with a focus on gastrointestinal malignancies. Wendy was educated at Yale and did post-graduate clinical and research training at Brigham and Women's Hospital, Dana-Farber Cancer Institute, and Harvard.

All welcome to attend

Virtual via MS Teams or join us in SSC 2315
