MUCK CROPS RESEARCH STATION IPM 2017

This is the Muck Crops Research Station Report and IPM Information for Monday April 3rd, 2016

Good afternoon, my name is Zach Telfer and I am the new IPM Program Coordinator for the Muck Crops Research Station. We are currently preparing for the upcoming field season and would like to confirm your participation. You can contact me by phone (905-775-3783), e-mail (ztelfer@uoguelph.ca), or come into the research station to sign up for the IPM program. This year, Bradford Co-op members will receive 10 acres of scouting free of charge. As a reminder, the Annual Muck Vegetables Growers Conference is April 12-13, and you can sign up for participation in the IPM Program there as well. We hope to see you there.

ANY QUESTIONS OR COMMENTS? Call Zach Telfer or Mary Ruth McDonald at 905-775-3783
