

Registration Form

Team Member(s)

Name	Phone Number	Student Number	E-mail	Program of Study

Team Category

Diploma Undergraduate Graduate

Faculty Mentor

Students are encouraged to identify faculty mentors when possible, however a faculty mentor is not required to enter the competition.

Please indicate if a faculty member has agreed to act as a project mentor.

If you do not have a faculty mentor, the Project SOY Plus Team will reach to provide resources/support.

Name	Extension	Department	E-mail	Signature

Submission

Submit via email to soybeans@uoguelph.ca

Additional Information

Like all technologies developed at the University of Guelph, Project SOY Plus entries come under the auspices of [University of Guelph Intellectual Property Policy](#).

Additional information will be requested in early October. Be thinking about a project description that includes a working title, idea description and an approximate budget for your project.
