

## Area-specific Course Requirements MA IO

Students must register in UNIV\*7510 (Full-time registration) or UNIV\*7520 (Part-time registration) to activate registration each semester.

In semesters where no other courses are taken, students should enrol in UNIV\*7500 (Research/Writing) so that the term appears on their transcript.

Students should register in PSYC\*7050 Research Seminar in I-O Psychology (Brown Bag Presentations) each Fall and Winter.

For the MA program the following are required: *(For descriptions of the courses please see the [Graduate Program Calendar](#))*

PSYC\*6060 [0.50] Research Design and Statistics

PSYC\*6380 [0.50] Psychological Applications of Multivariate Analysis

PSYC\*6670 [0.50] Research Methods

PSYC\*7080 [0.00] Consulting in Industrial/Organizational Psychology

MA students will take 2 of the following 3 Industrial Psychology content courses. The third course will be taken in the PhD.

PSYC\*7010 [0.50] Recruitment and Selection: Methods and Outcomes

PSYC\*7020 [0.50] Employee Performance

PSYC\*7160 [0.50] Employee Development: Methods and Outcomes

MA students will take 2 of the following 3 Organizational Psychology content courses. The third course will be taken in the PhD.

PSYC\*7030 [0.50] Work Attitudes and Behaviour

PSYC\*7040 [0.50] Social Processes in the Workplace

PSYC\*7190 [0.50] Work Motivation and Leadership

MA Thesis.

Note: PSYC7050 and PSYC7080 must be taken in fall and winter for all registered semesters throughout the degree.
