Co-op Program Information

Your **Co-op Coordinator** is your professional resource for:

- Understanding how the co-op program works
- Exploring co-op options for your career development
- Navigating the co-op job application process
- Co-op job search advice and strategies
- Developing your professionalism skills
- Support throughout your work terms
- Any questions or concerns about your co-op program

Co-op Student Website:

uoguelph.ca/experiential-learning/current-students/co-op

- Information on co-op fees, co-op policies, Intro to Co-op course (COOP*1100), job search semesters, work term semesters, and more

Getting an Early Start

To prepare early, find ways to build experience, make connections, and develop skills before your first co-op work term:

- Join a student club or group (GryphLife)
- Gain experience through a summer job, part-time job or volunteer role
- Attend career fairs and networking opportunities
- Build your professional network and connect with peers, relatives, and potential employers
- Develop new skills or work on projects related to your field

Small experiences now can make a big difference when it's time to apply for co-op jobs.

First Year Meet & Greet for New Co-op Students

Tuesday, October 20th 11:30am – 2:30pm in Peter Clark Hall

Located in the Basement of the University Centre

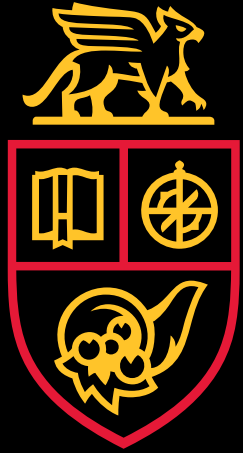

- Meet the Co-op Program staff
- Learn more about the co-op experience
- Have your questions answered
- Mingle and enjoy some snacks!

Tips for Success

- 1) Check your email regularly
- 2) Always use your U of G email account and include your student ID
- 3) Check your progress – ask for a grad check
- 4) Visit Career Services
- 5) Get to know your instructors
- 6) Get to know your advising office
- 7) Check your email regularly 😊
