VIII. General Statements on Awards

The University of Guelph-Humber attracts a community of outstanding scholars to its programs. The Committee on Awards, established by the Senate of the University, is responsible for the supervision of the administration of awards in the gift of the Senate. In addition, this Committee formulates policies regarding the effective use of funds designated for awards and establishes the terms and conditions attached to the awards. Some scholarships and bursaries are open to all students regardless of degree or diploma program and others are restricted to students in particular programs. Students entering the first semester of their first undergraduate degree should consult the entrance sections for a listing of awards that may apply to them. Students that are registered at the University of Guelph-Humber should refer to the in-course sections for a listing of awards that may apply to them. Also refer to Section VII – Undergraduate Degree Regulations and Procedures, Academic Misconduct, Penalties, for additional regulations regarding scholarships and bursaries.

Eligibility

To be eligible for entrance awards, you must be a Canadian citizen or permanent resident entering the University of Guelph-Humber for the first time unless otherwise stated in the eligibility clause of the award. To be eligible for in-course awards, all registered students are eligible for most awards, unless otherwise stated in the eligibility clause of the award. A minimum of 70% average is required for all scholarships. International Students: Financial Assistance Programs are available for International Students, including Entrance Awards, Work-Study and In-course Bursaries. In addition, many of the University of Guelph-Humber's scholarships for in-course students are available to enrolled international students and are based on high academic standing. In all cases, students must be registered full-time to recover any form of award (bursary or scholarship). Full-time registration is required for eligibility for all scholarships and awards unless otherwise stated in the eligibility clause of the award.

Definitions

Awards

Generic term used to refer to a type of award that is not a scholarship. This category includes bursaries.

Bursary

An award provided to a student on the basis of financial need. Financial need is determined by the University of Guelph-Humber (Student Financial Services) after an evaluation of the Financial Need Assessment Form has been submitted by the student. Academic merit is not a consideration in awarding a bursary. You must be a Canadian citizen or permanent resident of Canada to be considered for bursaries. International students are eligible to apply for the International Student Bursary only.

Scholarship

Awarded on the basis of academic performance and given for further study. Given that the merit component is normally academic, it may include such non-academic aspects as leadership, extracurricular activity, volunteerism, and community involvement. Scholarships can be monetary, prizes, or medals. Financial need is not a consideration of scholarships.

Scholarships with Financial Need

These are awarded based on the same criteria as scholarships, but financial need is a consideration.

Travel Grants

These grants are provided to students who wish to travel as part of their program of study. Examples of travel opportunities include: Exchange/Study Abroad programs, Letter of Permission, field courses, and independent research projects.

Payment of Awards for In-course Students

Please note that all internal awards will be applied against outstanding balances on students' accounts.

Payment of Awards for Entrance Students

Awards will be applied directly to the student's financial account in two equal payments in the fall and winter semesters.

Students who receive an award and who withdraw from the semester in which the award is received, or change the number of credits in which they are registered, may have their award adjusted. This adjustment will be calculated up to the twentieth class day according to the rebate schedule in effect for that semester and the published terms and conditions for the award.

The University reserves the right to amend awards subject to the availability of funds.

Entrance Scholarships

All eligible students applying to the University of Guelph-Humber are automatically considered for a University of Guelph-Humber Renewable Entrance Scholarship. Ontario secondary school applicants will be assessed for the University of Guelph-Humber Renewable Entrance Scholarship on the basis of results in six Grade 12, 4U and/or 4M courses in order to be eligible for scholarship consideration. Scholarship recipients will be mailed a formal scholarship offer if eligible with their offer of admissions.
