University of Guelph-Humber

The information published in this Calendar outlines the rules, regulations, curricula, programs and fees for the 2020-2021 academic year, including the Summer Semester 2020, the Fall Semester 2020, and the Winter Semester 2021.

The University reserves the right to change without notice any information contained in this calendar, including but not limited to that related to tuition and other fees, standards of admission, course delivery or format, continuation of study, and the offering or requirements for the granting of, degrees or diplomas in any or all of its programs. The publication of this calendar does not bind the University to the provision of courses, programs, schedules of study, or facilities as listed herein.

The University will not be liable for any failure or delay in performance arising out of any cause or causes beyond its reasonable control. Such causes may include but are not limited to fire, strike, lock-out, inability to procure materials or trades, war, mass-casualty event, flood, local, regional or global outbreak of disease or other public health emergency, social distancing or quarantine restriction, legislative or regulatory requirements, unusually severe weather, failure of public utility or common carrier, or attacks or other malicious act, including but not limited to attacks on or through the internet, or any internet service, telecommunications provider or hosting facility.

In March 2020 the World Health Organization declared a global pandemic of the virus leading to COVID-19. The Governments of Canada, the Province of Ontario, and local Governments responded to the pandemic with legislative amendments, controls, orders, by-laws, requests and requirements (collectively, the “Governmental Response”). It is uncertain how long the pandemic, and the related Governmental Response, will continue, and it is unknown whether there may be a resurgence of the virus leading to COVID-19 or any mutation thereof (collectively, the “Virus”) and resulting or supplementary renewed Governmental Response. Without limiting the foregoing paragraph, the University shall not be liable for costs associated with any failure or delay in performance arising out of:

a. the continued spread of the Virus;
b. the continuation of or renewed Governmental Response to control the spread of the Virus; and
c. a University decision, made on an organization-wide basis and in good faith, to control the spread of the Virus, even if exceeding the then current specific Government Response.

In particular, the COVID-19 pandemic may necessitate a revision of the format of course offerings such that courses are offered in whole or in part on an alternate delivery model to in-person classes. Tuition and mandatory fees have been set regardless of the method of instruction and will not be refunded in the event instruction occurs remotely for any part of the academic year.

Dates or times of performance including the Schedule of Dates may be extended as appropriate and the University will notify students promptly of the existence and nature of such delay and shall, so far as practicable, use reasonable efforts to minimize and mitigate any such delay or non-performance.

In the event of a discrepancy between a print version (downloaded) and the Web version, the Web version will apply.

III. Schedule of Dates

The dates for the 2020-2021 academic year are listed by semester.

Reading Weeks and Study Break Days

Reading Weeks and Study Break Days are designated periods where normal class schedules and academic requirements are suspended for a specified period of time. These breaks are designed to support student wellness and good mental health. The University of Guelph is committed to a learning environment that fosters the whole student and, as such, values these Senate-approved breaks as a period free of academic events and evaluations for the student.

The Fall Study Break begins at the end of classes on the Friday before Thanksgiving Monday and ends with the resumption of classes on the Monday following the break.

The Winter Study Break (“Reading Week”) begins at the end of classes on the Friday prior to the third Monday in February and ends with the resumption of classes on the Monday following the break.

Specific dates are published in the Schedule of Dates for each semester and differ by campus.

There are to be no compulsory academic events (e.g., classes, lectures, labs, tutorials, seminars, exams) during scheduled breaks. This includes online and in-class courses.

Instructors are not permitted to schedule academic evaluations or have an evaluative component deadline during a scheduled reading week or study break day. This includes examinations, tests, quizzes, presentations, essays, assignments, lab reports, qualifying examinations, or any other form of academic evaluation.

Some exceptions may exist such as clinical rotations and placements, field work or experiential learning integral to the course, and graduate oral examinations (qualifying exam, thesis defense) upon approval of the relevant Associate Dean for Undergraduate Programs, the relevant Program Head for the University of Guelph-Humber campus and the Assistant Vice-President, Graduate Studies.

Scheduled breaks apply to all undergraduate, graduate and associate diploma students. They also apply to all degree-credit and associate diploma-credit courses.
