Co-operative Education Programs

Co-operative Education (Co-op), a form of work integrated learning, is a model of education that integrates a student's academic learning with periods of paid workplace learning in fields relevant to the student's academic and personal/professional goals. The academic and work schedules will vary with degree program and major. The first co-op work term is scheduled after the third or fourth academic semester, providing an academic foundation on which to build the work experience. Co-op is delivered in concert with employer partners, and constitutes part of the student's formal curriculum.

Each work term is developed in collaboration with the employer and is approved by the institution as a suitable learning environment. Students participate in a competitive employment process to secure an approved co-op work term that is relevant to the student's area of academic study. COOP*1100 – Introduction to Co-operative Education, a mandatory, non-credit course, is a prerequisite for the first work term and prepares the student for the employment process.

The student's performance in the workplace is supervised and evaluated by the student's employer using the Work Performance Evaluation tool. The student's progress during the work term is also monitored by Co-operative Education & Career Services, including an official site visit during the co-op work term. A Co-op Work Term Report is required for each work term and is graded by an assigned Co-op Faculty Advisor. All evaluation grades will appear on the student's official transcript.

Admission Information

Normally students are admitted to a Co-operative Education program directly from high school in the Fall semester through Admission Services. For a complete listing of University of Guelph admission requirements please refer to www.uoguelph.ca/admissions.

Some programs may admit a small number of in-course students after first or second semester. Please refer to the schedule of dates in the Undergraduate Calendar for in-course application deadlines. The decision to admit an in-course student is **dependent upon space in the program**, the grades of the student, the approved Academic & Work Sequence Agreement, and any other information relevant to the program.

Eligibility

High school students must have a minimum average of 80% to apply to the co-op program. Once accepted to the University of Guelph, the student must maintain a 70% cumulative average in the first 2 semesters (full-time study) in order to remain in the co-op program.

Transfer students must meet normal admission requirements, as well as complete one academic semester at Guelph and achieve a minimum 70% cumulative average prior to participating in the co-op process. An academic and work schedule must also be approved prior to the student being accepted into the co-op program.

Continuation of Study

Students are required to meet a continuation requirement at the end of semester two. Students will be allowed to continue in the co-op program if their cumulative average, over 4.0 credits, is 70% or higher after two full-time Fall and Winter academic semesters. Students are also required to meet the conditions for continuation of study for their degree program as listed in the Undergraduate Calendar. In addition, all students must satisfactorily complete COOP*1100 - Introduction to Co-operative Education in the semester scheduled.

It is mandatory that co-op students be registered full-time for the duration of their program as outlined in the schedule of studies listed in the Undergraduate Calendar. Co-op students are also required to meet other conditions, (e.g. satisfactory work term reports and work performance evaluations) in order to continue in the co-op program. Complete conditions for continuation of study for a co-op program are outlined in the Policy Agreement for Student Involvement in Co-operative Education. The complete policy can be viewed at http://www.cecs.uoguelph.ca/students/co-op/current_co-op_students/policy_agreement.

Release of Academic Information

By applying to the Co-op program, students grant permission to the Registrar's Office to release to Co-operative Education & Career Services their University of Guelph transcript and any transcript from other post-secondary institutions that may be part of the Academic Record held by the Registrar's Office. Students also grant permission to Co-operative Education & Career Services to release their resumes, cover letters and any transcripts released by the Registrar's Office to prospective employers to whom the students are applying. Employment information, the Co-op Work Term Performance Evaluation, and the Co-op Work Term Report Evaluation will appear on the student's official academic transcript.

Procedures for Work Semester Reports

A Work Report is required for each co-op Work Term in which the student is registered. Work Reports are graded by the Co-op Faculty Advisor and must be submitted to the Co-op Faculty Advisor according to the deadline indicated in the Undergraduate Calendar. Students completing two consecutive co-op Work Terms with the same employer should consult with their Co-op Faculty Advisor regarding Co-op Work Report requirements for eight-month co-op Work Terms. A grade of Outstanding, Very Good, Good, Satisfactory, or Unsatisfactory will appear on the student's Academic Record.

A student who receives an Unsatisfactory Co-op Work Report Evaluation will be given one opportunity to make revisions and resubmit the report. Students who are resubmitting a Co-op Work Report will not be eligible to proceed to the next employment process until receiving a grade of Satisfactory or higher on the report. If, upon resubmission, the Work Report Evaluation is still unsatisfactory, the student will be required to withdraw from Co-op and may continue in the regular program if available.

Confidential Work Term Reports are not permitted.

Conditions for Graduation

In order to graduate, co-op students must follow the conditions for graduation for their degree program as outlined in the Undergraduate Calendar. In addition, students must receive evaluations of Good or higher in all but one Work Performance Evaluations and an evaluation of Satisfactory or higher in all Work Report Evaluations. Students must also have all co-op fees, including eight full-time academic semesters and all work terms, paid prior to applying to graduate with co-op certification.

Students wanting to graduate with less than the required number of co-op work terms must contact their Co-op Co-ordinator with the request. As the University of Guelph co-op program is accredited by the The Canadian Association for Co-operative Education (CAFCE), standardized guidelines regarding co-op work terms will be followed at all times.

Co-op Fees

Students in Co-op are required to pay a co-op fee for eight academic full-time semesters and all co-op work terms (see Section VI--Schedule of Fees). Students who enter Co-op in-course will have an altered payment schedule to be discussed upon admission. There is no application fee.

Schedule of Studies

Students entering the co-op program are advised to carefully review the schedule of studies for the degree programs offering a Co-operative Education program. Normally students must follow the prescribed academic/work sequence. If, under exceptional circumstances, the schedule cannot be followed, the student must obtain written approval of an alternative academic/work sequence from the assigned Co-op Faculty Advisor and submit the form to the Co-op Office for final approval. In unusual circumstances the Director of Co-operative Education & Career Services may be involved in the approval process.
