

## Animal Utilization Protocol Assistance

### Description

For researchers seeking assistance with Animal Utilization Protocol (AUP) submissions, Animal Care Services offers weekly in-person and virtual drop-in sessions. Facilitated by a member of the Animal Care Services team, these sessions offer guidance on AUP preparation, address any questions, and provide personalized support to ensure compliance and streamline the submission process for research involving animals.

### Session Details:

- **Frequency:** Weekly on Wednesdays
- **Time:** 1:00-2:30 p.m. (All)
- **Meeting Link:** [AUP Support Drop-In Session](#)
  - Or visit us in-person at [Building 92](#) (Research Innovation and ACS, Boardroom 118)
