

## Mitacs Accelerate: 2020 Industrial Postdoc Program

### Sponsor

Mitacs

### Program

Accelerate - Industrial PostDoc

### For More Information

[Mitacs Accelerate - Industrial Postdoc Program](#) [1]

### Description

The Mitacs Accelerate Industrial Postdoc provides one, two or three years of funding – valued at \$55,000 per year - for a postdoctoral fellow in any discipline. This special initiative offers better leveraging than standard Mitacs Accelerate internships.

Postdoctoral fellows partner with a company or not-for-profit organization and build a longer-term research collaboration.

	Per year
Partner contribution	\$25,000
<b>Total research funding</b>	<b>\$55,000</b>
Minimum postdoc stipend/salary	\$50,000
Maximum funds for research costs	\$5,000

Mitacs Accelerate allows students to work closely with a partner organization and faculty supervisor, using the latest tools and techniques available to them in both academic and industrial settings. Projects are a cost-shared model with Mitacs, through the support of federal and provincial government, matching the industry partners or non-for-profit (NFP) organizations contributions.
