

## **SSHRC Institutional Exchange Grants (formerly Travel Grants): May 2018 competition**

### **Sponsor**

Social Sciences and Humanities Research Council (SSHRC)

### **Program**

Exchange Grants

### **Description**

Exchange Grants (formerly "Travel grants") are intended to subsidize the cost of travel required to support national and international knowledge mobilization within and/or beyond the research community. It is the expectation that applicants who receive a Exchange grant will apply for an external SSHRC grant (any program) within three years of the end of their Exchange grant.

Exchange grants are not available to reimburse travel expenses/claims which have occurred in the past. The proposed dates of travel for May 2018 competition will fall between June 1 - November 30, 2018.

Please see the [SSHRC Institutional Grant](#) [1] webpage for deadlines and proposed dates of travel for all four SSHRC SIG Exchange competitions.

### **Eligibility**

All regular faculty members, including probationary, tenured and contractually-limited term appointees, are eligible. Contractually-limited term applicants and postdoctoral fellows are eligible, provided they are employed under a contract with the University for a period sufficiently long to make it feasible to carry out the proposed research project and/or travel. Professors emeriti are also eligible for this program. Visiting fellows and scholars are not eligible.

### **Maximum Project Value**

**Exchange Grants:** \$1,500 will be made to successful applicants in any one calendar year. Applicants may only submit one application in each competition.

## Project Duration

Travel funds awarded are to be spent within 60 days after the date of the conference or award date (whichever is later). Funds not utilized within this 60-day period will be recalled.
