

Webinar - Connected Vehicle and Autonomous Vehicle (CVAV) Phase 2

Date

Thursday August 6, 2015 12:00pm to 1:00pm

Description

Helping the province's transportation industry grow and succeed is part of the Ontario government's plan to invest in people, invest in infrastructure and support a dynamic and innovative business climate. The Connected Vehicle/Autonomous Vehicle (CVAV) Program encourages business and academic institutions to develop and commercialize innovations in connected and autonomous vehicle technologies, with a focus on projects that show a strong potential for commercialization. Offered by Ontario Centres of Excellence (OCE) on behalf of the Ontario Ministry of Transportation and Ministry of Economic Development Employment and Infrastructure, the CVAV Program funds industry-led projects.

More information will be provided via webcast on **Thursday August 6, 2015**. This webcast will include the latest in CVAV Program updates, and ITS developments at the Ontario Ministry of Transportation; an overview of 2 projects funded during the pilot phase, an overview of the Program and a Q&A session.
